Maintenance and Care

To ensure the longevity and appearance of your Storkcraft Next Santos Bunk Bed, follow these care instructions:

- **Cleaning:** Wipe with a damp cloth. Avoid using harsh abrasive cleaners or strong chemicals, as these may damage the finish.
- **Regular Checks:** Periodically inspect all hardware and connections to ensure they remain tight. Tighten any loose screws or bolts as needed.
- **Avoid Direct Sunlight:** Prolonged exposure to direct sunlight can cause fading or damage to the wood finish.
- **Humidity Control:** Maintain a consistent humidity level in the room to prevent wood from expanding or contracting, which can lead to cracks or warping.

If you encounter any issues with your Storkcraft Next Santos Bunk Bed, consider the following common solutions:

- **Squeaking or Wobbling:** This is often caused by loose hardware. Re-tighten all bolts and screws, ensuring they are snug but not overtightened.
- **Difficulty with Conversion:** Ensure you are following the specific conversion steps outlined in the detailed assembly instructions. Sometimes, a component may be slightly misaligned.
- **Missing Parts:** If you find any parts missing upon unboxing, please contact Storkcraft customer support immediately with your product model number and purchase information.
