BICONIC BC-AU-BE-130-BK

BICONIC True Wireless In-Ear Focus Earphones User Manual

Model: BC-AU-BE-130-BK

INTRODUCTION

This manual provides comprehensive instructions for the BICONIC True Wireless In-Ear Focus Earphones, model BC-AU-BE-130-BK. Please read this manual carefully before using the product to ensure proper operation and to maximize your listening experience. Keep this manual for future reference.

PRODUCT OVERVIEW

The BICONIC True Wireless In-Ear Focus Earphones offer a seamless audio experience with their true wireless connectivity and compact design. They are designed for comfort and convenience, featuring a portable charging case.

Image: BICONIC True Wireless In-Ear Focus Earphones shown inside their charging case. The earphones are black, and the case is also black with a subtle BICONIC logo on the front and two small indicator lights below it.

Key Features:

- **True Wireless Stereo (TWS) Connection:** Enjoy a completely wire-free audio experience with stable connectivity.
- **Rechargeable Battery:** Built-in rechargeable batteries for extended listening times.
- **Charging and Carrying Case:** A compact case that not only protects your earphones but also charges them on the go.
- **In-Ear Design:** Ergonomically designed for a comfortable and secure fit.
- **Auto-Pairing:** Simplifies the connection process with your devices.

PACKAGE CONTENTS

- BICONIC True Wireless In-Ear Focus Earphones (Left and Right)
- Portable Charging Case
- USB Charging Cable
- User Manual

SETUP

1. Initial Charging

Before first use, fully charge the earphones and the charging case. Connect the provided USB cable to the charging port on the case and a compatible USB power source (e.g., computer USB port, wall adapter). The indicator lights on the case will show charging status and turn off or change color when fully charged.

2. Pairing with Your Device

1. Ensure the earphones are fully charged.
2. Open the charging case. The earphones will automatically power on and enter pairing mode. You may hear an audible prompt or see indicator lights flashing on the earphones.
3. On your device (smartphone, tablet, computer), enable Bluetooth.
4. Search for available Bluetooth devices. Look for "BICONIC Focus" or a similar name in the list.
5. Select the earphone name to connect. Once connected, you will hear a confirmation sound, and the earphone indicator lights will stop flashing.
6. If pairing fails, turn off Bluetooth on your device, place the earphones back in the case, close the lid, then repeat the steps.

OPERATING INSTRUCTIONS

Power On/Off

- **Power On:** Open the charging case, and the earphones will automatically power on. Alternatively, press and hold the touch control area on both earphones for a few seconds.
- **Power Off:** Place the earphones back into the charging case and close the lid. They will automatically disconnect and power off. Alternatively, press and hold the touch control area on both earphones for a few seconds until you hear a power-off prompt.

Music Playback

- **Play/Pause:** Tap the touch control area on either earphone once.
- **Next Track:** Double-tap the touch control area on the right earphone.

- **Previous Track:** Double-tap the touch control area on the left earphone.
- **Volume Up:** Triple-tap the touch control area on the right earphone.
- **Volume Down:** Triple-tap the touch control area on the left earphone.

Call Management

- **Answer/End Call:** Tap the touch control area on either earphone once.
- **Reject Call:** Press and hold the touch control area on either earphone for 2 seconds.

Voice Assistant

- **Activate Voice Assistant:** Press and hold the touch control area on either earphone for 3 seconds (e.g., Siri, Google Assistant).

MAINTENANCE AND CARE

- Keep the earphones and charging case dry. Do not expose them to extreme temperatures or humidity.
- Clean the earphones and charging contacts regularly with a soft, dry cloth. Do not use harsh chemicals or abrasive materials.
- Avoid dropping or subjecting the earphones to strong impacts.
- Store the earphones in their charging case when not in use to protect them and keep them charged.
- Do not attempt to disassemble or modify the product. This will void the warranty.

TROUBLESHOOTING

Problem	Possible Cause	Solution
Earphones do not power on.	Low battery.	Charge the earphones and charging case fully.
Cannot pair with device.	Bluetooth is off; earphones not in pairing mode; interference.	Ensure Bluetooth is on. Place earphones in case, close, then reopen to re-enter pairing mode. Move closer to the device.
Only one earphone works.	Earphones not properly synced; one earphone low on battery.	Place both earphones back in the case, close the lid, then take them out again. Ensure both are charged.
No sound or low volume.	Volume too low on device; earphones not connected; dirty earphone mesh.	Increase volume on your device. Reconnect earphones. Clean earphone mesh gently.
