FREDORCH 3XLR Connector Attachment Instruction Manual

Model: JJMC10

1. INTRODUCTION

Thank you for choosing the FREDORCH 3XLR Connector Attachment. This accessory is designed to be compatible with sex machines featuring a 3XLR port, expanding the functionality of your device. This manual provides essential information for the safe and effective use of your new attachment.

2. SAFETY INFORMATION

- **Material Safety:** This attachment is made from body-safe Polyvinyl Chloride (PVC) and Thermoplastic Elastomer (TPE) materials.
- **Hygiene:** Always wash the attachment thoroughly with warm water and mild soap before and after each use. Ensure it is completely dry before storage.
- **Lubrication:** For comfortable use, apply a water-based lubricant. Using a condom is also recommended for enhanced hygiene and protection.
- **Storage:** Store the attachment in a cool, dry, and well-ventilated area, away from direct sunlight and extreme temperatures.
- **Disclaimer:** All product data, including measurements, are collected by manual measurement and are for reference only.

3. PRODUCT OVERVIEW

The FREDORCH JJMC10 is a specifically designed attachment for 3XLR port sex machines. It features a unique shape for varied sensations.

4. SETUP AND CONNECTION

This attachment is designed for easy connection to any sex machine equipped with a standard 3XLR port.

1. **Inspect:** Before each use, visually inspect the attachment for any signs of damage or wear. Do not use if damaged.
2. **Clean:** Ensure the attachment is clean and dry as per the cleaning instructions in Section 6.
3. **Connect:** Align the 3XLR connector on the attachment with the 3XLR port on your sex machine. Gently push and twist until it is securely fastened. Do not force the connection.
4. **Verify:** Ensure the attachment is firmly seated and does not wobble before operating the machine.

5. OPERATION

Once the attachment is securely connected to your sex machine, you can begin operation according to your machine's instructions. Always start at the lowest speed setting and gradually increase to a comfortable level.

- **Lubrication:** Apply a generous amount of water-based lubricant to the attachment before use.
- **Speed Control:** Adjust the speed and thrusting motion of your sex machine to your preference.
- **Disconnection:** To remove, power off your sex machine, then gently twist and pull the attachment from the 3XLR port.

6. CLEANING AND MAINTENANCE

Proper cleaning and maintenance are crucial for the longevity and hygienic use of your FREDORCH attachment.

1. **Immediate Cleaning:** Clean the attachment immediately after each use.
2. **Washing:** Use warm water and a mild, antibacterial soap or a specialized sex toy cleaner. Gently scrub all surfaces of the attachment.
3. **Rinsing:** Rinse thoroughly under running water to remove all soap residue.
4. **Drying:** Pat dry with a lint-free cloth or allow to air dry completely in a clean, well-ventilated area.
5. **Storage:** Store the dry attachment in a clean, cool, and dark place, ideally in a dedicated storage bag or container to protect it from dust and other contaminants.
