# Mirightone Twin Size Teepee Floor Bed Instruction Manual

Model: B0CY28ZLNP

## 1. INTRODUCTION

Thank you for choosing the Mirightone Twin Size Teepee Floor Bed. This manual provides essential information for the safe assembly, proper use, and maintenance of your new bed frame. Please read all instructions carefully before beginning assembly and retain this manual for future reference.

Figure 1.1: Assembled Mirightone Twin Size Teepee Floor Bed. This image shows the complete bed frame with its distinctive teepee shape and fence rails, suitable for a child's bedroom.

## 2. SAFETY GUIDELINES

**WARNING: Failure to follow these safety guidelines may result in serious injury.**

- Assembly must be completed according to the instructions to ensure stability.
- Keep away from sharp edges to prevent injury.
- Keep small parts out of reach of children to prevent choking hazards.
- Do not exceed the maximum weight capacity of 200 lbs.
- Regularly check all bolts and connections to ensure they remain tight.
- Ensure the mattress fits snugly within the frame to prevent gaps.

## 3. PRODUCT FEATURES

The Mirightone Twin Size Teepee Floor Bed is designed with both aesthetics and functionality in mind, providing a safe and engaging sleeping environment for children.

- **Tent-shaped Teepee Design:** Provides a unique and imaginative space, inspiring creativity while offering a cozy sleeping area.
- **Montessori Floor Bed with Rails:** Features fence rails around the perimeter, enhancing safety and preventing accidental falls. The rails include a functional door for easy access.
- **Sturdy Wood Construction:** Crafted primarily from high-quality pine wood, ensuring long-lasting sturdiness and durability.
- **Low Height to Ground:** The bed platform is constructed close to the floor, promoting independence for children and reducing fall risks.
- **Minimalist Aesthetic:** The sophisticated design integrates seamlessly with various interior decor styles.

Figure 3.1: Safety Enclosure. This image highlights the 16.2-inch height of the safety rails, designed to provide a secure sleeping environment.

Figure 3.2: Low Height to Ground. This image illustrates how the bed's low profile allows children easy and safe access, promoting independence.

## 4. ASSEMBLY INSTRUCTIONS

Assembly of the Mirightone Twin Size Teepee Floor Bed requires two adults and approximately 60-90 minutes. Ensure all parts are present before beginning.

### 4.1. Unpack and Identify Parts

Carefully unpack all components from the box. Lay them out on a clean, soft surface to prevent scratches. Refer to the included parts list and hardware pack to identify each piece.

# Product Dimensions

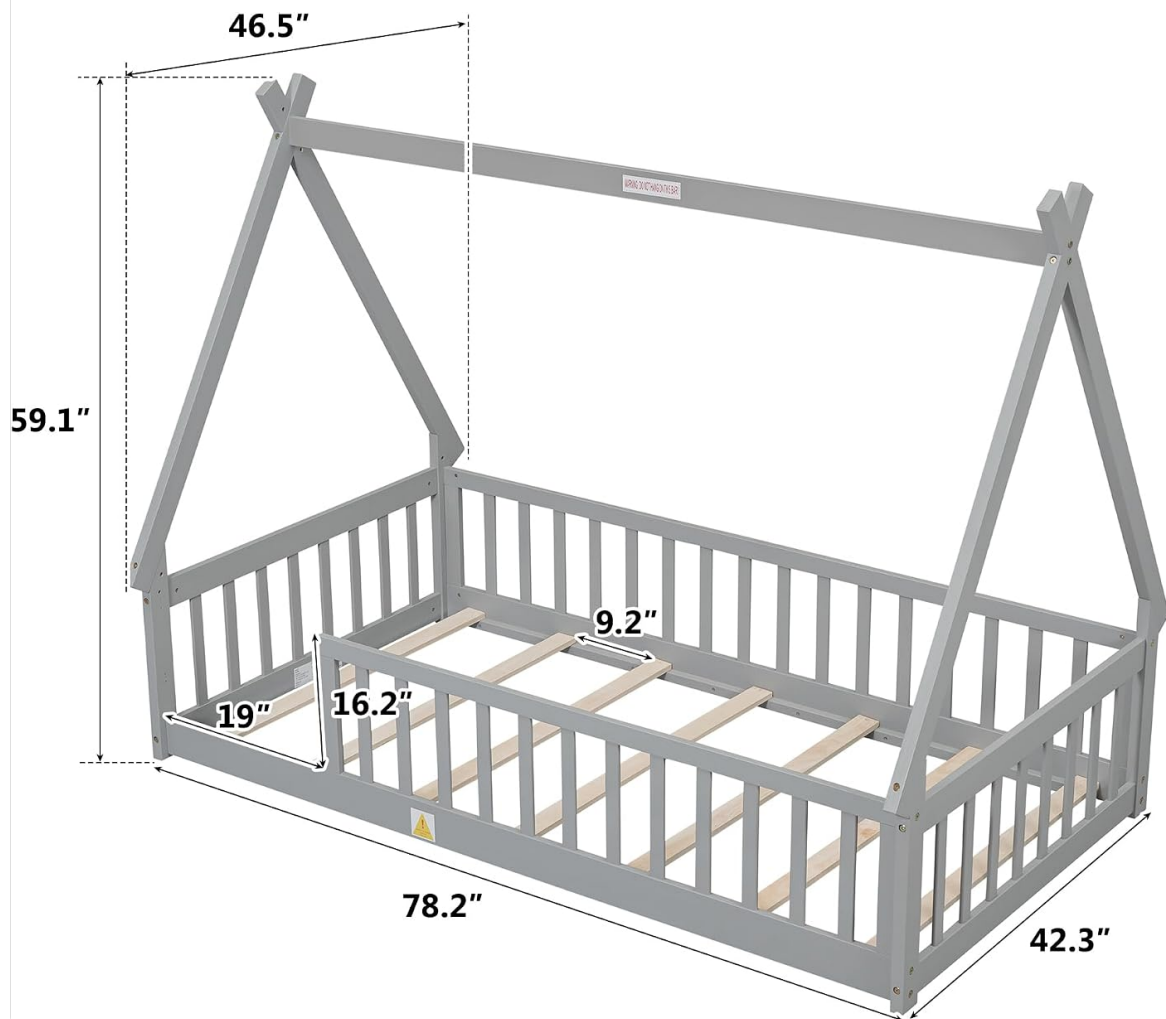

Figure 4.1: Product Dimensions. This diagram provides key measurements (78.2"L x 46.5"W x 59.1"H) and internal dimensions, crucial for understanding the bed's structure during assembly.

## 4.2. Assemble the Base Frame

1. Connect the long side rails to the headboard and footboard using the provided bolts and Allen key. Ensure all connections are secure but do not overtighten.
2. Attach the support legs (if applicable) to the center beam of the base.

## 4.3. Install the Fence Rails

1. Securely attach the vertical fence rails to the assembled base frame. Pay attention to the designated opening for the access door.
2. Ensure each rail is firmly seated and aligned.

## 4.4. Assemble the Teepee Frame

1. Connect the angled teepee support beams to the corners of the bed frame.
2. Join the top horizontal beam of the teepee structure. Ensure all connections are stable and form the characteristic teepee shape.

Figure 4.2: Bed Frame Components. This image displays the main structural elements of the bed frame before full assembly, including the base and the teepee top.

#### 4.5. Place Slats and Final Checks

1. Lay the wooden slats evenly across the bed frame, securing them if necessary with pre-drilled holes or clips.
2. Once all components are assembled, re-check all bolts and screws to ensure they are tightened securely. Do not overtighten.

## 5. USAGE AND CARE

### 5.1. Operating Instructions

The Mirightone Teepee Floor Bed is designed for children to sleep and play safely. Its low height allows children to easily get in and out of bed independently. The teepee structure can be customized with decorations (e.g., fairy lights, fabric drapes) to enhance the play experience, but ensure any additions are securely fastened and do not pose a safety hazard.

Figure 5.1: DIY Customization. This image demonstrates how the teepee bed can be personalized with various decorations to match a child's style and room theme.

## 5.2. Maintenance

To ensure the longevity and appearance of your bed frame, follow these care instructions:

- **Cleaning:** Wipe the wood surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners, as they may damage the finish. For spills, wipe immediately.
- **Inspection:** Periodically inspect all hardware and structural components for any signs of loosening or wear. Tighten any loose bolts or screws as needed.
- **Environment:** Avoid placing the bed in direct sunlight or near heat sources, which can cause the wood to warp or fade. Maintain a stable room temperature and humidity.

## 6. TROUBLESHOOTING

Problem	Possible Cause	Solution
Bed frame wobbles or feels unstable.	Loose connections or uneven floor.	Ensure all bolts are securely tightened. Check if the bed is on a level surface; use furniture pads if necessary.
Squeaking noises.	Loose hardware or friction between wood parts.	Tighten all bolts. Apply a small amount of paraffin wax or silicone spray to contact points between wood components.

Problem	Possible Cause	Solution
Missing parts upon unboxing.	Packaging error.	Contact Mirightone customer service immediately with your purchase details and a list of missing parts.

## 7. SPECIFICATIONS

---

**Model:** B0CY28ZLNP
