

LIVINGbasics Potty Training Seat

LIVINGbasics Potty Training Seat Instruction Manual

Model: Potty Training Seat

1. INTRODUCTION

This manual provides instructions for the safe and effective use of your LIVINGbasics Potty Training Seat. Please read all instructions carefully before use and retain this manual for future reference. This product is designed to assist children in transitioning from diapers to using a standard toilet.

2. PRODUCT FEATURES

- **Safe Handles:** Ergonomically designed handles provide security and stability for your child.
- **Detachable Cushion:** Soft, comfortable cushion that is easily removable for cleaning.
- **Non-Slip Base:** Equipped with anti-slip material and a fixing slot to ensure stability on the toilet seat.
- **Splash Guard:** Features a 9 cm high front to prevent splashing.
- **Space-Saving Design:** Includes a hanging hole for convenient storage.

3. PACKAGE CONTENTS

- 1 x LIVINGbasics Potty Training Seat

6. SETUP INSTRUCTIONS

1. Ensure your standard toilet seat is clean and dry.
2. Place the LIVINGbasics Potty Training Seat directly onto the existing toilet seat.
3. Verify that the anti-slip base and fixing slot engage securely with your toilet seat to prevent movement. The seat should feel stable and not wobble.
4. Confirm that the handles are easily accessible for your child to grasp.

SAFETY AND ENVIRONMENTAL PROTECTION

Sleek armrests on both sides

STABLE AND NON SLIP

Anti-slip material with fixing card slot

Image: An underside view of the potty training seat, detailing the anti-slip material and the fixing card slot designed for stability.

7. OPERATING INSTRUCTIONS

1. Ensure the potty training seat is firmly placed on the adult toilet seat before each use.
2. Guide your child to sit on the potty training seat, encouraging them to use the handles for support and balance.
3. The 9 cm high front splash guard is designed to prevent urine from splashing out during use.
4. After use, assist your child in getting off the seat.

PREVENT SPLASHING URINE

Double baffle front convex design to prevent
internal and external splashing

COMFORTABLE SEAT CUSHION

Image: A child sitting comfortably on the potty training seat, demonstrating its comfortable seat cushion and secure fit on a toilet.

8. MAINTENANCE AND CLEANING

Regular cleaning is essential for hygiene.

1. To clean, simply detach the soft cushion from the main seat.
2. Wash the cushion with mild soap and water. Rinse thoroughly.
3. Wipe down the main seat with a damp cloth and mild disinfectant.
4. Ensure all parts are completely dry before reassembling or storing.

**Easy to clean the
cushion is detachable**

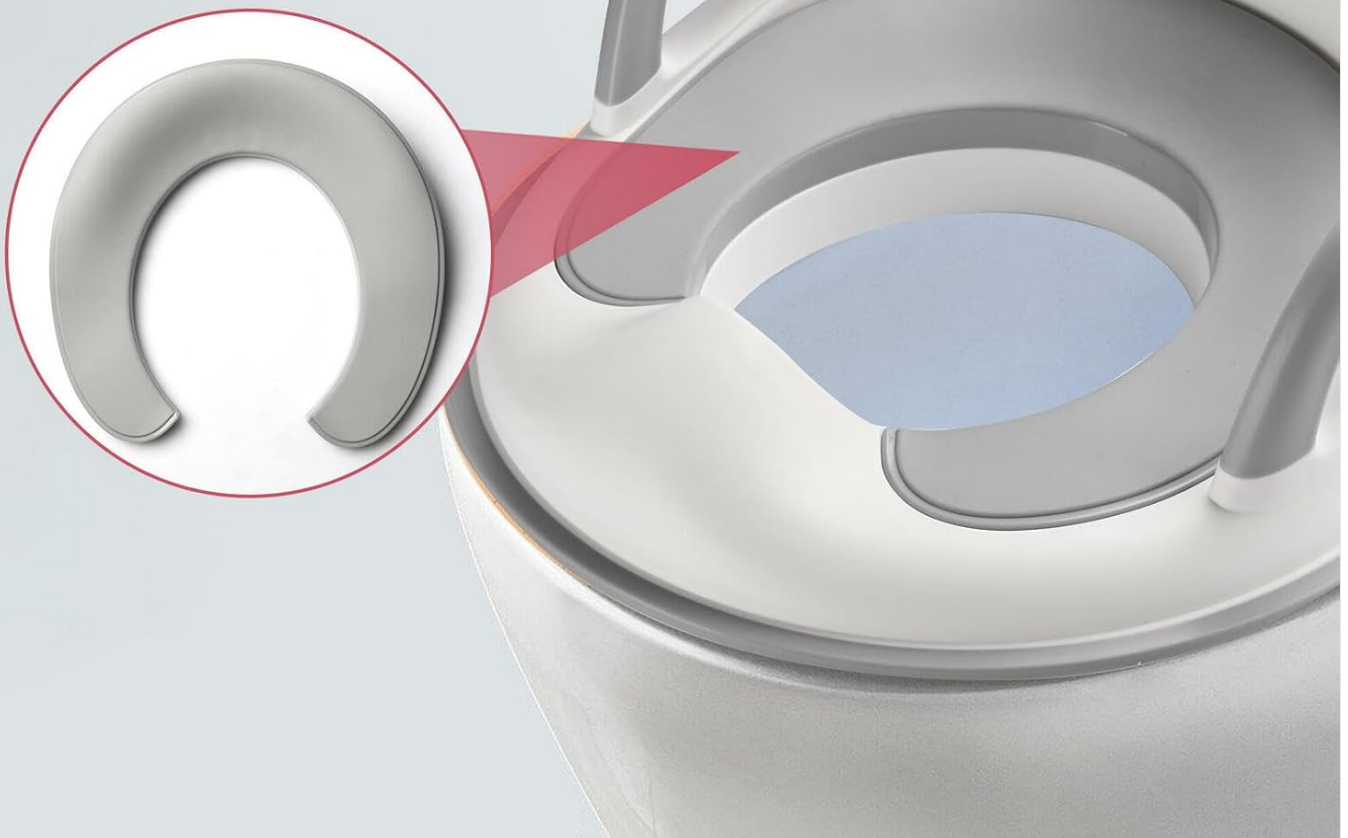

Image: The detachable cushion is shown being easily removed from the potty training seat, facilitating cleaning.

9. STORAGE

For convenient and space-saving storage, the LIVINGbasics Potty Training Seat features a built-in hanging hole. After cleaning and drying, you can hang the seat on a hook in your bathroom.

Can Be Hung For Storage Does Not Take Up Space

Image: The potty training seat is shown hung on a wall hook, demonstrating its space-saving storage capability.

10. TROUBLESHOOTING

- **Seat wobbles:** Ensure the potty training seat is correctly aligned and firmly pressed onto the adult toilet seat. Check that the anti-slip features are engaged.
- **Child uncomfortable:** Verify the cushion is properly installed. Ensure the child is positioned correctly and can reach the handles.
- **Splashing occurs:** Confirm the child is sitting forward enough to utilize the splash guard effectively.

11. WARRANTY AND SUPPORT

For any questions, concerns, or support regarding your LIVINGbasics Potty Training Seat, please refer to the contact information provided with your purchase or visit the official LIVINGbasics website. Please retain your proof of purchase for warranty claims.

ASK A QUESTION ABOUT THIS MANUAL
