

DaVinci M5582CT

DaVinci Kalani 4-in-1 Convertible Crib and Changer Combo Instruction Manual

Model: M5582CT | Brand: DaVinci

1. INTRODUCTION

This manual provides detailed instructions for the assembly, operation, maintenance, and care of your DaVinci Kalani 4-in-1 Convertible Crib and Changer Combo. Please read all instructions carefully before assembly and use to ensure safe operation and longevity of the product. Keep this manual for future reference.

The DaVinci Kalani 4-in-1 Crib and Changer is designed to adapt to your child's growth, converting from a crib to a toddler bed, daybed, and full-size bed. It also features an integrated changing station with storage.

Key Features:

- **GREENGUARD Gold Certified:** Tested for over 10,000 chemical emissions and VOCs, contributing to cleaner indoor air.
- **4-in-1 Convertibility:** Easily converts to a toddler bed, daybed, and full-size bed (conversion kits sold separately).
- **Integrated Changer:** Features a changing station with a compact drawer and spacious shelves for storage.
- **Quality Construction:** Made from solid sustainable New Zealand pinewood and TSCA compliant engineered wood.
- **Safety Standards:** Finished with non-toxic, lead and phthalate safe paint, exceeding ASTM International and U.S. CPSC safety standards.

2. SAFETY INFORMATION

Your child's safety is our top priority. Please adhere to all safety warnings and guidelines provided with this product.

- Always ensure all bolts and screws are securely tightened. Regularly check for loose hardware.
- Do not use the crib if any parts are missing, damaged, or broken. Contact customer support for replacement parts.
- The mattress support should always be in the lowest position once your child can pull themselves to a standing position.
- Do not place the crib near windows where cords from blinds or drapes could strangle a child.
- Avoid placing items with strings or ribbons in the crib that could pose a strangulation hazard.
- The changing station is intended for infants up to 30 lbs (13.6 kg). Never leave a child unattended on the changing station.
- This product is GREENGUARD Gold Certified, meaning it has been tested for low chemical emissions, promoting healthier indoor air quality.

3. PARTS LIST

Before assembly, ensure all components are present and undamaged. Refer to the separate assembly instructions included in your product packaging for a detailed visual parts list. Typical components include:

- Crib End Panels (Headboard and Footboard)
- Crib Side Rails
- Mattress Support Spring
- Changer Top Panel
- Changer Side Panels
- Changer Drawer Components
- Changer Shelf Panels
- Hardware Pack (screws, bolts, barrel nuts, Allen wrench)

4. SETUP AND ASSEMBLY

Assembly typically requires two adults. Follow the step-by-step instructions provided in the separate assembly guide included with your product. Ensure you have adequate space and all tools (usually an Allen wrench, provided) before beginning.

General Assembly Steps:

1. Unpack all components and verify against the parts list.

2. Assemble the crib end panels and side rails.
3. Install the mattress support spring at the desired height.
4. Assemble the changing station frame and drawers/shelves.
5. Attach the changing station to the crib structure.
6. Ensure all connections are tight and secure.

Conversion Options:

- **Toddler Bed:** Remove the front crib rail and install the Toddler Conversion Kit (Model #M3099, sold separately).
- **Daybed:** Remove the front crib rail. No additional kit is required for daybed conversion.
- **Full-Size Bed:** Requires the Full-Size Conversion Kit (Model #M5789, sold separately) and a Bunkie Board (Model #M26058B, sold separately).

5. OPERATING INSTRUCTIONS

Mattress Height Adjustment:

The mattress support has multiple height settings. Adjust the mattress support to the appropriate level based on your child's developmental stage:

- **Highest Position:** For newborns and infants who cannot push up on their hands and knees.
- **Middle Position:** For infants who can push up on their hands and knees.
- **Lowest Position:** For toddlers who can pull themselves to a standing position. This is the safest position to prevent climbing out.

To adjust, remove the mattress and mattress support. Re-attach the mattress support to the desired height using the provided hardware, ensuring all bolts are securely fastened.

Using the Changing Station:

The integrated changing station provides a convenient area for diaper changes. Always use a changing pad with safety straps and secure your child to prevent falls. Keep all necessary changing supplies within reach but out of the child's grasp.

6. MAINTENANCE AND CARE

Proper maintenance ensures the longevity and safety of your crib and changer combo.

Cleaning:

- Wipe surfaces with a damp cloth.
- Avoid using abrasive cleaners, harsh chemicals, or strong detergents, as these can damage the finish.
- Promptly clean spills to prevent staining.

Regular Checks:

- Periodically inspect all hardware (screws, bolts) to ensure they are tight. Do not overtighten.
- Check for any signs of wear, damage, or loose parts. Discontinue use if any damage is found.
- Ensure the mattress support is securely seated in its chosen position.

7. TROUBLESHOOTING

If you encounter any issues with your DaVinci Kalani Crib and Changer, refer to the following common solutions:

Problem	Possible Cause	Solution
Crib feels wobbly or unstable.	Loose hardware.	Check and tighten all bolts and screws. Do not overtighten.
Drawers do not slide smoothly.	Misaligned drawer glides or obstructions.	Ensure drawer glides are properly aligned and free of debris. Re-assemble drawers if necessary.
Parts are missing or damaged upon arrival.	Shipping damage or packaging error.	Do not assemble. Contact DaVinci customer support immediately for replacement parts.

If the issue persists or is not listed here, please contact customer support.

8. SPECIFICATIONS
