Xiaomi PB100LZM

Xiaomi Redmi 10000mAh Power Bank User Manual

Model: PB100LZM

1. PRODUCT OVERVIEW

The Xiaomi Redmi 10000mAh Power Bank is a portable charging device designed to provide power to your electronic devices on the go. It features a compact design, high-capacity lithium polymer cells, and multiple charging ports for convenience.

Figure 1: Xiaomi Redmi 10000mAh Power Bank (Main View)

Key Features:

- **10000mAh High Capacity:** Provides sufficient power to charge a typical smartphone 2-3 times.
- **Dual USB-A Output Ports:** Allows charging of up to two devices simultaneously.
- **Dual Input Ports (Micro USB & USB-C):** Offers flexibility for recharging the power bank.
- **Lithium Polymer Cells:** Ensures high quality and a long service life.
- **Compact and Portable Design:** Easy to carry for travel and daily use.
- **Fast Charging:** Supports fast charging for compatible devices.

2. GETTING STARTED

Package Contents:

- Xiaomi Redmi 10000mAh Power Bank
- USB Charging Cable (Micro USB to USB-A)
- User Manual

Charging the Power Bank:

Before first use, fully charge the power bank. To charge the power bank:

1. Connect the provided USB cable (or a compatible USB-C cable) to one of the power bank's input ports (Micro USB or USB-C).
2. Connect the other end of the cable to a USB power adapter (not included) or a computer's USB port.
3. The LED indicators on the power bank will illuminate to show the charging status. All four LEDs will be solid when fully charged.

A full charge typically takes approximately 3 hours with a suitable power adapter.

3. OPERATING INSTRUCTIONS

Charging Your Devices:

The power bank is equipped with two USB Type-A output ports to charge your devices.

1. Connect your device's charging cable to one of the USB Type-A output ports on the power bank.
2. Connect the other end of the cable to your device.
3. The power bank will automatically begin charging your device. If it does not, press the power button once to activate charging.
4. The LED indicators will show the remaining battery level of the power bank during charging.

You can charge up to two devices simultaneously using both USB-A output ports.

Checking Battery Level:

Press the power button once to check the remaining battery level. The LED indicators will light up:

- **1 LED:** 0-25% remaining battery
- **2 LEDs:** 25-50% remaining battery
- **3 LEDs:** 50-75% remaining battery

- **4 LEDs:** 75-100% remaining battery

4. MAINTENANCE AND SAFETY

General Care:

- Keep the power bank dry and away from moisture.
- Avoid exposing the power bank to extreme temperatures (hot or cold).
- Do not drop, puncture, or disassemble the power bank.
- Clean the power bank with a soft, dry cloth. Do not use harsh chemicals or abrasive cleaners.

Safety Precautions:

- Do not use the power bank if it is damaged or swollen.
- Keep out of reach of children.
- Dispose of the power bank responsibly according to local regulations. Do not dispose of it in household waste.
- Use only compatible charging cables and adapters.

5. TROUBLESHOOTING

Power Bank Not Charging:

- Ensure the charging cable is securely connected to both the power bank and the power adapter.
- Try a different charging cable or power adapter.
- Check if the power outlet is working.

Device Not Charging from Power Bank:

- Ensure the power bank has sufficient charge. Check the LED indicators.
- Press the power button on the power bank to activate output.
- Try a different charging cable for your device.
- Ensure your device is compatible with USB charging.

Slow Charging:

- Ensure you are using a fast-charging compatible cable and adapter for both the power bank and your device.
- Charging multiple devices simultaneously may reduce charging speed.
- Some devices may limit charging speed to protect their battery.

6. SPECIFICATIONS

Feature	Specification
Brand Name	Xiaomi
Model Name	PB100LZM
Battery Capacity	10000 mAh
Battery Cell Composition	Lithium Polymer
Power Source	Battery Powered
Special Features	Fast Charging
Input Ports	Micro USB, USB Type-C
Output Ports	2 x USB Type-A
Compatible Devices	All Smartphones, Electronics
Color	Black
Item Weight	200 grams
Battery Charging Time	Approx. 3 hours (for power bank)
GTIN (UPC/EAN)	06934177716881

7. WARRANTY AND SUPPORT

Warranty Information:

This product carries a manufacturer's warranty for 6 months from the date of purchase. For warranty claims or service, please contact the manufacturer or their authorized service agent.

Customer Support:

For further assistance, troubleshooting, or product inquiries, please refer to the official Xiaomi support channels or contact your retailer.
