EltaMD UV Clear Face Sunscreen SPF 46

EltaMD UV Clear Face Sunscreen SPF 46 Instruction Manual

Model: UV Clear Face Sunscreen SPF 46

1. Introduction

EltaMD UV Clear Face Sunscreen SPF 46 is a lightweight, oil-free sunscreen designed to protect your skin from damaging UVA and UVB rays. It blends effortlessly without leaving a white cast, making it suitable for daily use. This dermatologist-recommended formula is ideal for individuals with acne-prone skin, rosacea, and hyperpigmentation, offering protection against breakouts and reducing redness.

2. Key Features and Benefits

This sunscreen is formulated with key ingredients to provide comprehensive skin protection and care:

- **Transparent Zinc Oxide:** Provides broad-spectrum UVA/UVB sun protection without leaving a white residue.
- **Niacinamide (Vitamin B3):** Helps to calm and protect skin prone to acne and rosacea, reducing the appearance of blemishes and discoloration.
- **Hyaluronic Acid:** Works to reduce skin dryness, promoting a hydrated and healthy-looking complexion.
- **Antioxidant:** Further supports skin health by combating environmental stressors.
- **Oil-Free, Fragrance-Free, Paraben-Free, Sensitivity-Free, and Non-comedogenic:**Ensures suitability for sensitive and acne-prone skin types, preventing pore clogging and irritation.

Image 2.2: Breakdown of key ingredients in the tinted formula, including Zinc Oxide, Octinoxate, 5% Niacinamide, Vitamin E, and Iron Oxide.

Image 2.3: Highlighting the formulation with Niacinamide to help reduce the appearance of blemishes and discoloration.

3. Usage Instructions

For optimal sun protection, follow these application guidelines:

1. **Preparation:** Ensure your face and neck are clean and dry before application.
2. **Application:** Apply EltaMD UV Clear Face Sunscreen liberally to your face and neck 15 minutes prior to sun exposure.
3. **Reapplication:** Reapply at least every 2 hours. If swimming or sweating, use a water-resistant sunscreen and reapply immediately after towel drying.
4. **Under Makeup:** This sunscreen can be worn alone or seamlessly under makeup.

Note: For children under 6 months of age, consult a physician before use.

4. Product Care and Storage

To maintain the efficacy and integrity of your EltaMD UV Clear Face Sunscreen:

- Store in a cool, dry place, away from direct sunlight and excessive heat.
- Keep the cap tightly closed when not in use to prevent contamination and drying.
- Keep out of reach of children.

5. Safety Information

Please observe the following safety precautions:

- **For External Use Only:** Do not ingest.

- **Avoid Contact with Eyes:** If contact occurs, rinse thoroughly with water.
- **Do Not Use On:** Damaged or broken skin.
- **Discontinue Use If:** A rash or irritation develops. Consult a physician if symptoms persist.
- **Accidental Ingestion:** If product is swallowed, seek medical help or contact a Poison Control Center immediately.

Manufacturer	EltaMD Skin Care
UPC	827854018902
ASIN	B0CY3P1RKM

7. Troubleshooting

- **Skin Irritation or Rash:** If you experience redness, itching, or burning, discontinue use immediately and consult a physician. This product is formulated for sensitive skin, but individual reactions may vary.
- **White Cast:** EltaMD UV Clear is designed with transparent zinc oxide to minimize white cast. Ensure the product is thoroughly rubbed into the skin until absorbed.
- **Oily Feeling:** This product is oil-free and non-greasy. If your skin feels oily after application, try using a smaller amount or ensuring your skin is completely dry before applying.

8. Warranty and Support

For product inquiries, technical support, or information regarding warranty, please contact EltaMD Skin Care directly. Refer to the contact details provided on the product packaging or visit their official website.
