GAOMON Full Size Bed Platform Frame

GAOMON Full Size Bed Frame Instruction Manual

Model: Full Size Bed Platform Frame

Brand: GAOMON

PRODUCT OVERVIEW

The GAOMON Full Size Bed Frame with Wood Headboard is an industrial-style platform bed designed for durability, stability, and space efficiency. It features a heavy-duty steel slat support system and a rustic wooden grain headboard and footboard, eliminating the need for a box spring.

Key Features:

- **Sturdy & Durable Construction:** Made with heavy-duty steel slats, 9 support legs, and 12 strong steel slats, ensuring robust support for your mattress. The frame can support up to 700 lbs.
- **User-Friendly Design:** Engineered for stability, preventing shakiness, slipping, and noise. No box spring is needed, simplifying setup and reducing overall bed height.
- **Extra Storage Space:** Provides 13.8 inches of under-bed clearance, offering significant storage for items like suitcases, clothes, or other belongings, optimizing bedroom space.
- **Vintage Aesthetic:** Combines a vintage MDF board with a black metal frame, offering a mild industrial and rustic style that complements various bedroom decors.
- **Easy Assembly:** All necessary parts and tools are clearly marked, and the manual provides straightforward instructions, allowing for assembly in approximately 60 minutes.

SETUP AND ASSEMBLY

Assembling your GAOMON bed frame is designed to be straightforward. Please follow the instructions provided in the included manual carefully. All parts and tools required for assembly are clearly labeled to ensure a smooth process.

1. Unpack all components and verify against the parts list in your manual.
2. Follow the step-by-step assembly instructions. No specialized tools are required beyond what is provided.
3. Ensure all bolts and screws are tightened securely after assembly to guarantee stability.

Image: Close-up view of the bed frame's metal components and connection points, illustrating the "Easy Assemble & Save Time" feature with clearly marked parts.

Typical assembly time is around 60 minutes for individuals with no prior experience.

OPERATING INSTRUCTIONS

The GAOMON Full Size Bed Frame is designed to provide a stable and comfortable foundation for your mattress without the need for a box spring. Simply place your mattress directly onto the heavy-duty steel slats.

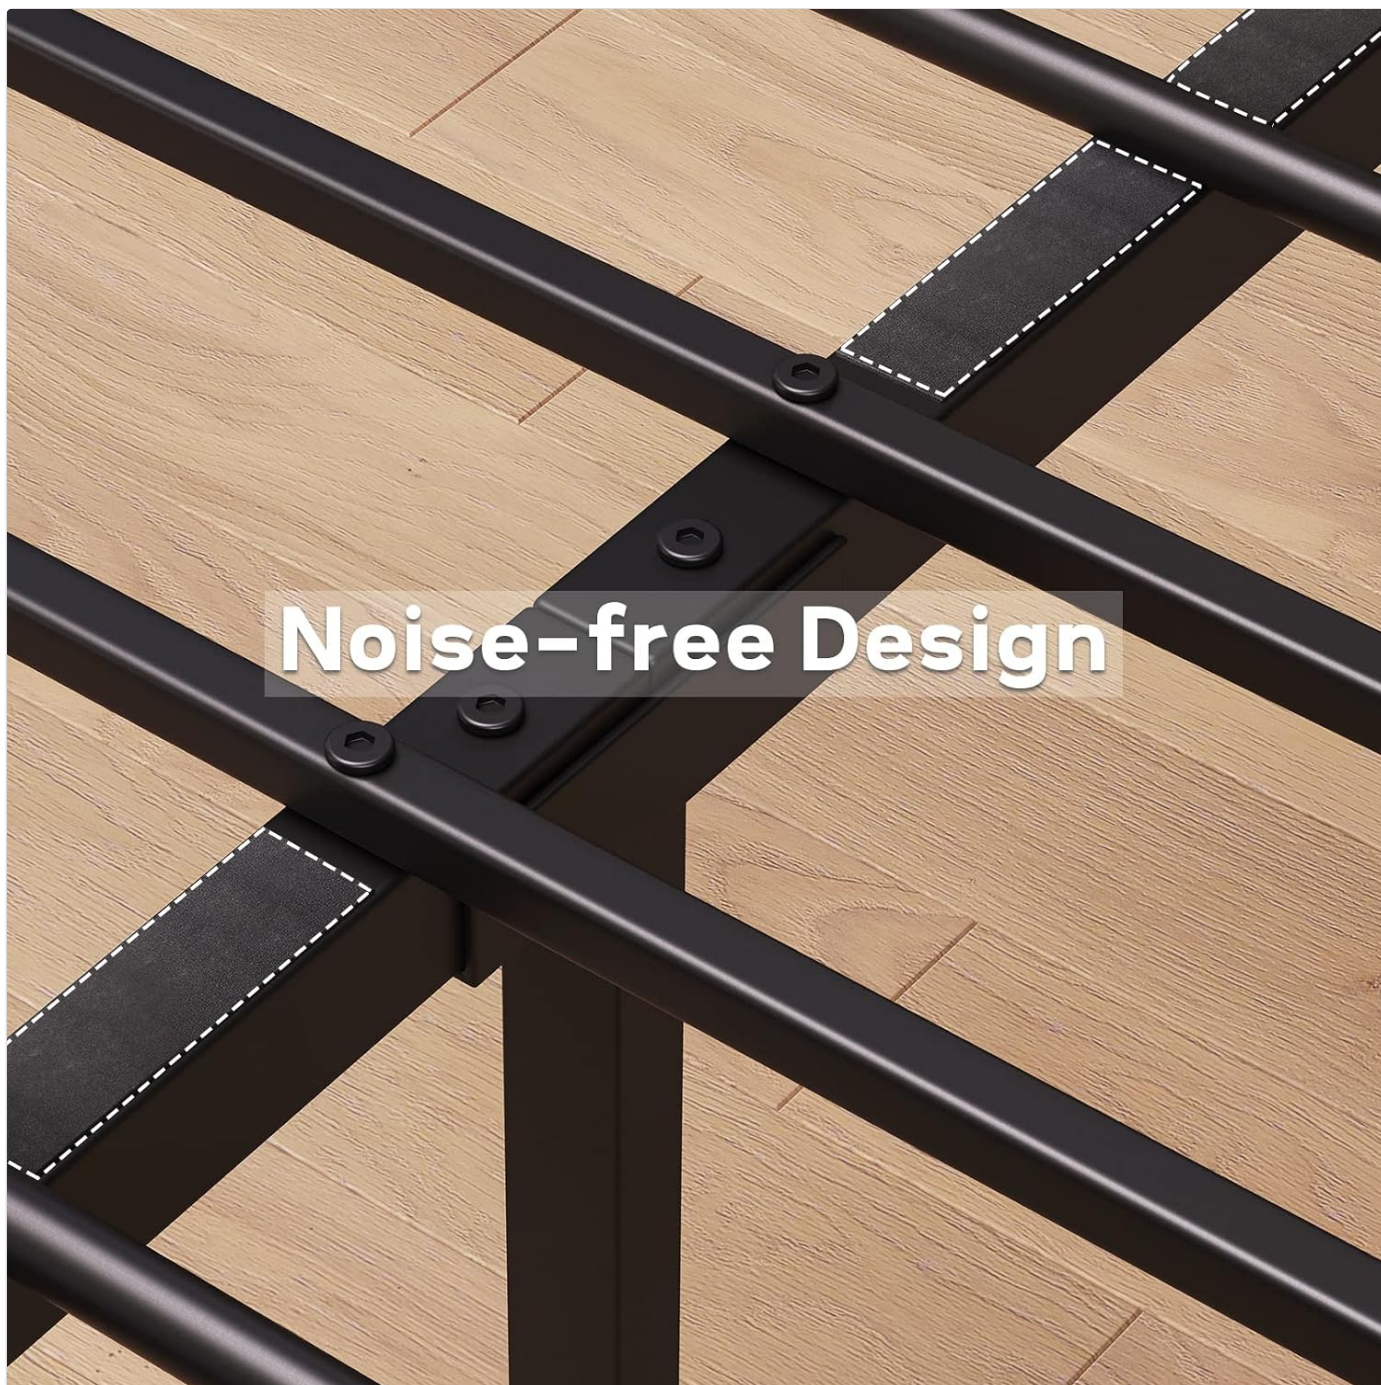

Image: Detailed view of the bed frame's slats, highlighting the noise-free design with integrated padding to prevent squeaking.

The integrated slat support system ensures your mattress remains stable and prevents sagging, contributing to a quiet and comfortable sleep environment. The 13.8-inch clearance beneath the bed offers ample space for storage, allowing you to keep your bedroom tidy and organized.

MAINTENANCE

To maintain the appearance and longevity of your GAOMON bed frame, follow these simple care instructions:

- For the wooden headboard and footboard, use a soft, dry cloth for dusting. Avoid abrasive cleaners.
- For the metal frame, wipe with a damp cloth and mild detergent if necessary, then dry thoroughly.
- Periodically check all bolts and connections to ensure they remain tight. Re-tighten if any looseness is detected.
- The manufacturer recommends **Dry Clean Only** for any fabric components, though this bed frame primarily consists of wood and metal.

TROUBLESHOOTING

If you encounter any issues with your bed frame, please refer to the following common solutions:

- **Squeaking Noises:** If the bed frame begins to squeak, first ensure all assembly bolts are securely tightened. Over time, connections can loosen. The frame is designed with noise-reducing features, so re-tightening is usually the solution.
- **Instability/Wobbling:** Check that the bed frame is placed on a flat, even surface. Verify that all support legs are making full contact with the floor and that all connections are firm.
- **Weight Capacity Exceeded:** The maximum weight recommendation for this bed frame is **700 lbs**. Exceeding this limit can compromise the frame's structural integrity and stability. Ensure the combined weight of the mattress and occupants does not exceed this limit.

For persistent issues not covered here, please contact customer support.

SPECIFICATIONS

Feature	Detail
Size	Full
Product Dimensions	76.3"L x 55.1"W x 37.2"H
