MSmask B0CY4KQNNW

MSmask Farmhouse Vanity Desk with Mirror and Lights Instruction Manual

Model: B0CY4KQNNW

Introduction

This manual provides detailed instructions for the assembly, operation, and maintenance of your MSmask Farmhouse Vanity Desk with Mirror and Lights. Please read this document thoroughly before beginning assembly or use to ensure proper function and safety.

Safety Information

General safety warnings about assembly, usage, and maintenance of furniture items with electrical components and potential sharp edges or pinch points may apply. Always ensure all connections are secure and the unit is stable before use. Keep electrical components away from water. Do not overload electrical outlets. Children should be supervised around the vanity desk.

Package Contents

Please verify that all components listed below are present and undamaged before beginning assembly. Refer to the assembly video for visual identification of parts.

- Vanity Desk Components (panels, drawers, doors)
- Mirror with LED Lights
- Integrated Charging Station (2 AC outlets, 2 USB ports)
- Assembly Hardware (screws, dowels, cam locks, etc.)
- Installation Manual (this document)
- Assembly Tool (e.g., Allen wrench)

Assembly Instructions

For a step-by-step visual guide, please refer to the official installation video below. Ensure you have a clear, spacious area for assembly and keep all small parts out of reach of children.

Official installation video for the MSmask Farmhouse Vanity Desk. This video provides a detailed, step-by-step guide to assembling your vanity desk, including all components and hardware.

General Assembly Steps:

1. Unpack all components and verify against the parts list provided in your physical manual.
2. Follow the numbered steps in the provided paper manual or the video for precise component placement.
3. Secure all connections firmly but do not overtighten screws to avoid damaging the wood.
4. Install drawer slides and assemble drawers according to the instructions.
5. Attach the mirror unit and connect the LED lights as directed.
6. Install the charging station into the designated slot on the tabletop.
7. Mount the sliding barn doors onto their tracks.

If you encounter any difficulties during assembly, please contact customer service for assistance.

Product Features

Farmhouse Style

This vanity desk features a rustic farmhouse design with distressed finishes, z-brace barn door trim, and exposed metal hardware. The unique sliding door design allows for concealing shelves or the lighted mirror, offering both aesthetic appeal and practical functionality.

3-Color Adjustable Hollywood Bulbs

The mirror is equipped with 8 LED bulbs offering 3 adjustable color modes (warm yellow, warm white, cool white) and adjustable brightness. These lighting options are suitable for various makeup and skincare needs, allowing you to create exclusive looks for different occasions.

Unique Sliding Door Design

The vanity features a unique sliding barn door design on the upper part. These doors can be moved to either hide the shelves, keeping your items discreetly stored, or to cover the lighted mirror when not in use, maintaining a tidy appearance.

Operating Your Vanity Desk

LED Mirror Lights

To operate the LED lights, use the control button located on the power cord connected to the mirror unit.

- **Power On/Off**: Press the button once to turn the lights on or off.
- **Change Color Mode**: While the lights are on, short press the button to cycle through warm yellow, warm white, and cool white modes.
- **Adjust Brightness**: Long press the button to increase or decrease the brightness within the selected color mode.

Charging Station

The integrated charging station provides power for your electronic devices. Ensure the vanity desk's main power cord is plugged into a working wall outlet.

- Use the 2 standard AC outlets for appliances like hair dryers or curling irons.
- Use the 2 USB ports for charging smaller devices such as phones or smartwatches.
- Ensure devices are compatible with the 125V/12A AC and 5V/2A USB specifications.

Sliding Barn Doors

The barn doors slide horizontally along the track located above the mirror and shelves.

- Gently slide the doors to the left or right to reveal or conceal the mirror and side shelves as desired.
- Avoid forcing the doors to prevent damage to the track or doors.

Care and Maintenance

To maintain the appearance and longevity of your vanity desk, follow these care instructions:

- Wipe surfaces with a dry, soft cloth to remove dust and debris.
- Avoid using harsh chemicals, abrasive cleaners, or excessive moisture, as these can damage the finish.
- Regularly check and tighten any loose screws or hardware to ensure stability.
- Keep the vanity away from direct sunlight and extreme temperature changes to prevent warping or fading.

Troubleshooting

Lights Not Working

- Ensure the vanity's main power cord is securely plugged into a working wall outlet.
- Check the connection of the LED light string to the power source behind the mirror.
- Verify the control button on the power cord is functioning correctly by pressing it.

Charging Station Not Providing Power

- Confirm the vanity's main power cord is plugged into a live outlet.
- Check if there is a power switch on the charging station itself and ensure it is in the 'On' position.
- Test with different devices and cables to rule out device-specific issues.

Drawers or Sliding Doors Sticking

- Ensure drawers are not overloaded with items.
- Check drawer slides and door tracks for any obstructions or debris.
- Lightly lubricate tracks with a dry lubricant suitable for furniture if necessary.
