LIVINGbasics Potty Training Seat

LIVINGbasics Foldable Potty Training Seat Instruction Manual

Model: Potty Training Seat

1. INTRODUCTION

This manual provides detailed instructions for the assembly, operation, maintenance, and troubleshooting of your LIVINGbasics Foldable Potty Training Seat. Please read this manual thoroughly before use and retain it for future reference.

2. SAFETY INFORMATION

- Always supervise children when using the potty training seat.
- Ensure the seat is securely placed on the toilet and stable before each use.
- Do not allow children to stand on the seat or steps without supervision.
- Regularly inspect the product for any signs of wear or damage. Discontinue use if damaged.
- Keep all packaging materials away from children to prevent choking hazards.

3. PACKAGE CONTENTS

Verify that all components are present before assembly:

- Potty Training Seat with Soft Padded Cushion
- Adjustable Step Stool Ladder (2 sections)
- Armrests (integrated)
- Anti-slip pads (pre-installed or included for attachment)

4. ASSEMBLY AND SETUP

4.1. Unfolding the Seat

The potty training seat is designed for easy unfolding and setup. Gently pull the step stool ladder downwards until it locks into an open position.

4.2. Adjusting Height

The step stool ladder features 5 adjustable height settings to accommodate various toilet heights. Locate the adjustment

buttons or screws on the side of the ladder legs. Press the buttons or loosen the screws, adjust the ladder to the desired height, and ensure it locks securely into place before use.

4.3. Placement on Toilet

Place the potty training seat directly onto your toilet bowl. Ensure the anti-slip pads on the bottom of the seat and the ladder feet are firmly in contact with the toilet rim and bathroom floor, respectively. The seat is designed to fit most standard O, V, U, and square-round/square-square groove toilets, as well as smart toilets.

SUITABLE FOR MOST TOILETS

Image: A visual guide illustrating the compatibility of the potty training seat with different toilet shapes and types.

4.4. Storage

When not in use, the potty training seat can be folded with one click for compact storage. Fold the ladder upwards until it clicks into a closed position. This allows it to be stored upright, saving space in your bathroom.

5. OPERATING INSTRUCTIONS

Once assembled and securely placed on the toilet, guide your child to use the step stool to climb onto the seat. The integrated armrests provide stability and support for your child.

5.1. Key Features for Use

- **Urine Splash-Proof Design:** The raised front of the seat helps prevent urine from spilling outside, maintaining hygiene.
- **Intimate Armrest:** Ergonomically designed armrests fit a child's fingers, offering comfort and a secure grip.
- **Stable and Non-Slip Pedals:** Enlarged anti-slip pedals provide a secure and stable foothold for your child while climbing and sitting.
- **Soft Padded Cushion:** The soft PU cushion ensures comfort during use.

6. MAINTENANCE AND CLEANING

To ensure hygiene and prolong the life of your potty training seat:

- Wipe down all surfaces with a mild soap and water solution after each use.
- The soft padded cushion can be removed for thorough cleaning.
- Rinse with clean water and dry thoroughly before reassembly or storage.
- Avoid using abrasive cleaners or harsh chemicals, as these may damage the material.

7. TROUBLESHOOTING

Problem	Possible Cause	Solution
Seat feels unstable on the toilet.	Incorrect placement or height adjustment.	Ensure the seat is centered and the anti-slip pads are fully engaged. Re-adjust the ladder height to ensure feet are flat on the floor.
Child struggles to climb.	Ladder height is too high or too low.	Adjust the ladder to a comfortable height for your child, ensuring the steps are easily accessible.
Urine splashes outside the toilet.	Child's positioning or seat not properly aligned.	Ensure the child is sitting correctly and the seat's splash guard is positioned forward.
