## WeightWorld Probiotics Capsules

# WeightWorld Prebiotics and Probiotics for Women & Men

Instruction Manual for Model: Probiotics Capsules

## INTRODUCTION

The WeightWorld Prebiotics and Probiotics supplement is formulated to support digestive health and immune function for both women and men. Each capsule contains a blend of 13 probiotic strains, including Lactobacillus and Bifidobacterium, along with the yeast probiotic Saccharomyces Boulardii. This formula is enhanced with Inulin and Fructooligosaccharides (FOS) as prebiotics to nourish beneficial gut bacteria.

## KEY BENEFITS

- **Dual-Action Formula:** Combines probiotics and prebiotics for comprehensive gut support.
- **Diverse Probiotic Strains:** Features 8 Lactobacillus strains, 4 Bifidobacterium strains, and Saccharomyces Boulardii for a broad spectrum of beneficial bacteria.

- **Prebiotic Support:** Includes Inulin and FOS to feed and promote the growth of healthy gut flora.
- **Digestive & Immune Health:** Designed to support a balanced gut environment, contributing to overall digestive comfort and immune system function.
- **Vegan-Friendly:** Suitable for vegan diets.
- **Quality Assured:** Produced in a GMP-approved, third-party tested, and FDA-registered facility. Non-GMO, gluten-free, and allergen-free.
