## GroovingMind LT-01

# GroovingMind LT-01 Toddler Tower with Seat - User Manual

Welcome to the GroovingMind Toddler Tower with Seat user manual. This guide provides essential information for the safe assembly, operation, and maintenance of your product.

## 1. INTRODUCTION

The GroovingMind LT-01 Toddler Tower with Seat is a Montessori-inspired 2-in-1 learning tower and step stool designed to empower young children to participate in daily household activities. Its adjustable design allows it to grow with your child, fostering independence and engagement in tasks such as cooking, baking, and personal hygiene. This versatile product can also convert into a comfortable seat for rest or discovery.

## 2. SAFETY INFORMATION

Your child's safety is paramount. The GroovingMind Toddler Tower is designed for secure exploration and meets ASTM F963 and CPC standards. Please adhere to the following safety guidelines:

- **Adult Supervision:** Always ensure an adult is present and supervising the child when using the toddler tower.
- **Proper Assembly:** Ensure all components are correctly assembled and securely fastened before use. Regularly check for loose screws or parts.
- **Stable Placement:** Place the tower on a flat, stable, and non-slip surface. Do not use on uneven ground or near stairs.
- **Weight Limit:** The tower supports a maximum weight of 200 pounds. Do not exceed this limit.
- **Age Range:** Suitable for children aged 18 months to 5 years. Ensure the child can stand independently before using the tower.
- **Anti-Slip Features:** The tower includes anti-slip pads and smooth rounded edges for enhanced safety.
- **Protective Bars:** Utilize the protective safety bars to prevent falls.
- **Avoid Climbing:** Instruct children not to climb on the outside of the tower.

# Safety Empowers Exploration

Designed with your child's well-being in mind

Features anti-slip elements and meets strict safety standards.

### 3. PACKAGE CONTENTS

Please verify that all components are present and undamaged upon opening the package. The GrowingMind Toddler Tower is crafted from premium 18mm thick pine and birch plywood.

- Toddler Tower side panels (2)
- Adjustable platform(s) (quantity may vary based on model)
- Removable seat panel (1)
- Horizontal support bars (quantity may vary)
- Step stool base (1)
- Assembly hardware (one type of screw)
- Assembly tool (1)
- Anti-slip pads (set)

## 4. ASSEMBLY INSTRUCTIONS

The GrowingMind Toddler Tower is designed for straightforward assembly. All necessary screws are of a single type, simplifying the process. An assembly tool is included.

1. Unpack all components and lay them out on a clean, soft surface to prevent scratches.
2. Identify the two main side panels of the tower.
3. Attach the horizontal support bars between the two side panels using the provided screws and tool. Ensure they are securely tightened.
4. Insert the adjustable platform(s) into the desired height slots. The platform is secured by hand screws, allowing for easy adjustment.
5. Attach the step stool base to the bottom of the tower.
6. If using the removable seat feature, slide the seat panel into the designated grooves at the top of the tower.
7. Apply the anti-slip pads to the bottom of the tower's feet for added stability.
8. Double-check all connections to ensure they are tight and secure before allowing a child to use the tower.

## 5. OPERATING INSTRUCTIONS

---

### 5.1. Using as a Standing Tower

- Position the tower securely against a counter, sink, or table.
- Guide your child to climb the steps and stand on the platform. The design allows for easy entry and exit.
- Ensure your child is within the protective safety bars while standing.

### 5.2. Adjusting Platform Height

The tower features three adjustable platform levels to accommodate your child's growth from 18 months to 5 years.

1. Locate the hand screws on the side panels that secure the platform.
2. Unscrew the hand screws to release the platform.
3. Carefully slide the platform to the desired height slot.
4. Re-insert and tighten the hand screws firmly to secure the platform at the new height.

### 5.3. Using the Removable Seat Feature

The versatile design allows the tower to convert into a high chair with a removable seat.

- To install the seat: Slide the removable seat panel into the top grooves of the tower, ensuring it rests securely.
- To remove the seat: Lift the seat panel upwards and slide it out of the grooves.

# Grows with Them

Adjustable design for every stage.

## 6. MAINTENANCE

To ensure the longevity and cleanliness of your GrowingMind Toddler Tower, follow these maintenance guidelines:

- **Cleaning:** The tower features a stylish white UV-treated finish that resists everyday stains and is easy to wipe clean. Use a damp cloth with mild soap and water. Avoid abrasive cleaners.
- **Regular Checks:** Periodically inspect all screws and connections to ensure they remain tight. Tighten any loose hardware immediately.
- **Storage:** Store the tower in a dry environment away from extreme temperatures or direct sunlight to prevent warping or damage to the wood.

# Elegance Meets Practicality

Enhance your home with style and function

## 7. TROUBLESHOOTING

If you encounter any issues with your GrowingMind Toddler Tower, please refer to the following common solutions:

- **Wobbling:** Ensure all screws are fully tightened. Check that the tower is placed on a flat, even surface.
- **Difficulty Adjusting Platform:** Loosen the hand screws completely before attempting to move the platform. Ensure the platform is aligned with the grooves.
- **Missing Parts:** If any parts are missing or damaged upon arrival, please contact customer support immediately.
