

## RELAX4LIFE NF54441FOIT

# RELAX4LIFE Swivel Barber Chair NF54441FOIT Instruction Manual

## INTRODUCTION

---

This manual provides detailed instructions for the assembly, operation, and maintenance of your RELAX4LIFE Swivel Barber Chair, model NF54441FOIT. Designed for professional use in salons, barbershops, and tattoo studios, this chair offers comfort, durability, and versatility with its 360° swivel, adjustable height, reclining backrest, and adjustable headrest.

## SETUP AND ASSEMBLY

---

The RELAX4LIFE Swivel Barber Chair is designed for intuitive assembly. Please follow these general steps. It is recommended to have an additional person for assistance during assembly. Ensure all components are present before starting.

**Image:** Overview of RELAX4LIFE Swivel Barber Chair components. Key parts include the detachable headrest, comfortable backrest, armrest, robust metal structure, manual push rod, and wide foot pedal.

1. **Unpack Components:** Carefully remove all parts from the packaging and verify against the parts list (if provided in your package).
2. **Assemble the Base:** Attach the hydraulic pump to the chair base. Ensure all connections are secure.
3. **Attach the Seat:** Secure the seat to the hydraulic pump mechanism.
4. **Install the Backrest:** Connect the backrest to the seat frame. This step may require significant force to engage the reclining mechanism with the hydraulic pump.
5. **Attach Armrests and Footrest:** Secure the armrests and footrest to the main chair structure.
6. **Insert Headrest:** Place the detachable headrest into its designated slot on the backrest.

**Note:** Some users have reported that the provided tools may not be sufficient for tightening all bolts, particularly for the base and backrest mechanism. Using a ratchet wrench for larger bolts may facilitate assembly. Ensure all bolts are securely fastened to guarantee stability and safety.

## OPERATING INSTRUCTIONS

### 360° Swivel Function

The chair is designed to rotate 360 degrees for optimal positioning. To lock the swivel function, keep the foot bar raised. To allow free rotation, lower the foot bar.

## ***Schienale Reclinabile & Girevole a 360°***

*Reclinabile da 100° a 135°*

**Image:** The chair features a 360° swivel and a backrest that reclines from 100° to 135°.

### **Height Adjustment**

The chair's height can be adjusted by approximately 13 cm using the hydraulic pump mechanism operated by the foot bar.

- **To Raise the Chair:** Repeatedly press the foot bar downwards.
- **To Lower the Chair:** Press and hold the foot bar downwards.

## Altezza Regolabile di 13cm

### **Sollevamento della Sedia**

Abbassare ripetutamente la barra dei piedi per sollevare la sedia

### **Abbassamento della Sedia**

Abbassare e tenere premuta la barra dei piedi per abbassare la sedia

### **Blocco della Sedia**

Tenere sollevata la barra dei piedi per bloccare la sedia rotante

**Image:** Detailed instructions for chair height adjustment. Repeatedly press the foot bar to raise the chair, press and hold to lower it, and keep the foot bar raised to lock the swivel function.

## **Backrest Recline**

The backrest can be reclined from 100° to 135° for client comfort. Use the manual push rod (lever) located on the side of the chair to adjust the recline angle. Release the lever to lock the backrest in the desired position.

## **Headrest Adjustment**

The headrest is adjustable in 8 different height positions to accommodate various client heights and preferences. Simply pull the headrest upwards or push it downwards to adjust its position.

## Altezza del Sedile & Poggiatesta Regolabili

*Adotta un design ergonomico & regolabile  
per un maggiore comfort*

Altezza Regolabile di 13cm

Pompa Idraulica  
per Impieghi Gravosi

Poggiatesta Regolabile  
in 8 Posizioni

**Image:** The chair features an ergonomic design with adjustable seat height and an 8-position adjustable headrest, supported by a heavy-duty hydraulic pump.

## MAINTENANCE

Proper maintenance ensures the longevity and optimal performance of your barber chair.

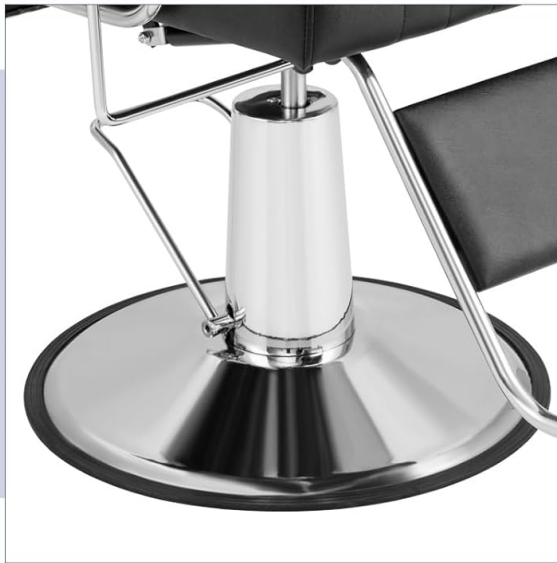

- **Cleaning:** The chair's PVC leather upholstery is waterproof and easy to clean. Wipe surfaces with a damp cloth and mild soap. Avoid abrasive cleaners or solvents that could damage the material.
- **Regular Inspection:** Periodically check all bolts and connections to ensure they are tight and secure. Retighten if necessary.
- **Hydraulic System:** The hydraulic pump is designed for heavy-duty use. If you notice any issues with height adjustment, consult a professional.

## Cuscino in Spugna ad Alta Densità

*Fornisce un'esperienza di seduta confortevole*

Pelle Impermeabile in PVC

## Base in Metallo a Basso Consumo

*Con Grande Stabilità per Caricare 150 KG di Capacità*

**Image:** The chair features a high-density foam cushion for comfort, waterproof PVC leather for easy cleaning, and a stable metal base designed for a 150 kg load capacity.

## TROUBLESHOOTING

If you encounter any issues with your RELAX4LIFE Swivel Barber Chair, please refer to the following common solutions:

- **Chair Not Adjusting Height:** Ensure the foot bar is being operated correctly (repeated presses to raise, press and hold to lower). Check for any obstructions around the hydraulic pump.
- **Chair Feels Unstable:** Verify that all assembly bolts are securely tightened, especially those connecting the base, seat, and backrest. Ensure the chair is on a flat, stable surface.
- **Backrest Not Reclining/Locking:** Check the manual push rod (lever) for proper engagement. Ensure no foreign objects are obstructing the reclining mechanism.
- **Swivel Function Issues:** Ensure the foot bar is in the correct position to allow or lock rotation.

For persistent issues, please contact customer support.
