BUGANI B06

BUGANI Open Ear Headphones User Manual

Model: B06

INTRODUCTION

The BUGANI Open Ear Headphones are designed to provide a comfortable and immersive audio experience while allowing you to remain aware of your surroundings. Featuring a true open-ear design, these headphones rest gently on your ears without entering the ear canal, reducing stress and potential hearing loss from extended wear. Equipped with advanced Bluetooth 5.3 technology and powerful 16mm vibrating diaphragm speaker drivers, they deliver clear stereo sound and stable connectivity. With a long battery life and crystal-clear call quality thanks to built-in dual microphones and Environmental Noise Cancellation (ENC), these waterproof sport earbuds are ideal for various activities, including running, cycling, and daily use.

WHAT'S IN THE BOX

- BUGANI Open Ear Headphones
- 1 x Type-C Charging Cable
- 1 x User Manual

SETUP

Charging the Headphones

Before first use, fully charge your BUGANI Open Ear Headphones. The charging case provides extended battery life for the earbuds.

1. Place the earbuds into the charging case, ensuring they are correctly seated.

2. Connect the provided Type-C charging cable to the charging port on the case and plug the other end into a USB power source.

3. The charging case will indicate charging status. A full charge for the charging box typically takes 1-2 hours.

4. The earbuds provide up to 6 hours of playtime on a single charge, and the charging case extends total playtime to 30 hours.

Pairing with a Device

The BUGANI Open Ear Headphones feature one-step auto-pairing for stable and faster connection.

1. Open the charging case. The earbuds will automatically enter pairing mode.

2. On your device (smartphone, tablet, computer, etc.), enable Bluetooth.

3. Search for "BUGANI OpenFit" in the list of available Bluetooth devices.

4. Select "BUGANI OpenFit" to connect. Once connected, you will hear a confirmation sound, and the device will show "Connected".

5. The headphones are compatible with any Bluetooth-enabled device.

Image: A person is shown relaxing and enjoying music while wearing the BUGANI Open Ear Headphones, with visual effects indicating immersive stereo sound.
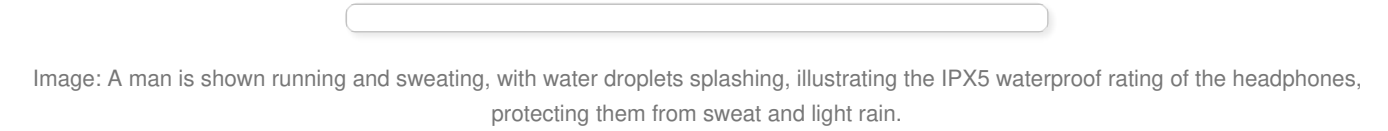

- **Play/Pause:** Tap either earbud once.
- **Next Track:** Triple tap the Right (R) earbud.
- **Previous Track:** Triple tap the Left (L) earbud.
- **Volume Up:** Double tap the Right (R) earbud.
- **Volume Down:** Double tap the Left (L) earbud.

MAINTENANCE

Proper maintenance ensures the longevity and optimal performance of your headphones.

Water Resistance

The BUGANI Open Ear Headphones are rated IPX5 waterproof, providing protection against sweat, splashes, and light rain. They are suitable for exercise and sports activities.

Image: A man is shown running and sweating, with water droplets splashing, illustrating the IPX5 waterproof rating of the headphones, protecting them from sweat and light rain.

General Care

- Clean the earbuds and charging case regularly with a soft, dry cloth.
- Avoid using abrasive cleaners or solvents.
- Store the headphones in their charging case when not in use to protect them and keep them charged.
- Avoid exposing the headphones to extreme temperatures or direct sunlight for prolonged periods.

TROUBLESHOOTING

If you encounter any issues with your BUGANI Open Ear Headphones, please refer to the following common solutions:

Problem	Possible Cause	Solution
Headphones do not power on.	Low battery.	Place earbuds in the charging case and charge the case fully.
Cannot pair with device.	Bluetooth is off on device; headphones not in pairing mode; device too far.	Ensure Bluetooth is enabled on your device. Open the charging case to enter pairing mode. Keep headphones within 10 meters of your device.
No sound or low volume.	Volume too low; not properly connected; earbud placement.	Adjust volume on both headphones and connected device. Re-pair the headphones. Ensure earbuds are correctly positioned on your ears.
Intermittent connection/audio drops.	Interference; device too far; low battery.	Move closer to your device. Avoid areas with strong Wi-Fi or other Bluetooth interference. Charge the headphones.
Microphone not working during calls.	Microphone blocked; software issue.	Ensure nothing is obstructing the microphone. Restart your device and reconnect the headphones.
