Kinglucky KL-M16-2MIC-A-01 Wireless Lavalier Mini Microphone User Manual

Model: KL-M16-2MIC-A-01

INTRODUCTION

The Kinglucky KL-M16-2MIC-A-01 Wireless Lavalier Mini Microphone system is designed to enhance audio quality for various recording needs, including video recording, interviews, live streaming, and online meetings. This compact and portable system offers features such as intelligent noise reduction, 360-degree sound pickup, and broad compatibility with smartphones and tablets.

WHAT'S IN THE BOX

Verify that all items are present in your package:

- 2x Wireless Microphones
- 1x Lightning Receiver
- 1x Type-C Adapter
- 2x Charging Cables
- 1x User Manual

Smart DSP+AI Dual Noise Reduction

Even in harsh environments, it can record pure audio

SETUP

1. **Connect the Receiver:** Plug the appropriate receiver (Lightning or USB-C adapter) into your smartphone or tablet's charging port.
2. **Power On Microphone:** Press the power button on each wireless microphone. A green indicator light will illuminate, signifying that the microphone is on and ready to pair.
3. **Automatic Connection:** The microphone and receiver will automatically connect without requiring Bluetooth pairing or a dedicated app. The green light on the microphone will remain solid once connected.

Compatible with all devices

Including iPhone and iPhone 15, Android, tablets, etc.

OPERATING INSTRUCTIONS

Wearing the Microphone

Clip the mini microphone onto your clothing, such as a lapel or collar, ensuring it is positioned to capture your voice clearly. Its compact and lightweight design allows for comfortable, hands-free operation.

Noise Reduction

The microphone features a DSP chip and AI intelligent noise reduction module, along with a sponge windshield, to effectively filter out background noise. This ensures clear and pure sound capture, even in noisy environments.

Battery Life and Charging

Each wireless microphone is equipped with an 80mAh rechargeable battery, providing up to 8 hours of continuous use. The receiver is powered by your device and can also charge your device when connected to a charger. Use the provided data cables to charge the microphones; a full charge takes approximately 1 hour.

SPECIFICATIONS

Feature	Specification
Brand	Kinglucky
Model Number	KL-M16-2MIC-A-01
Microphone Form Factor	Lavalier
Connectivity Technology	PLUG AND PLAY
Connector Type	Lightning, USB Type-C
Special Feature	Noise Reduction
Compatible Devices	Android, Smartphone, Tablet, iPad, iPhone
Polar Pattern	Omnidirectional
Audio Sensitivity	95 Decibels
Signal-to-Noise Ratio	95 dB
Item Weight	7 Grams (0.247 ounces)
Power Source	Battery Powered
Material	Plastic
Number of Channels	2

MAINTENANCE

- **Cleaning:** Use a soft, dry cloth to clean the microphone and receiver. Avoid using harsh chemicals or abrasive materials.
- **Storage:** Store the microphone system in a cool, dry place away from direct sunlight and extreme temperatures.
- **Charging:** Ensure the microphones are fully charged before extended use. Avoid overcharging.

TROUBLESHOOTING

- **No Sound/Poor Audio Quality:**
 - Ensure the receiver is fully inserted into your device's charging port.
 - Verify that the microphone is powered on (solid green indicator light).
 - Check your device's audio input settings to ensure the external microphone is selected.
 - Confirm the microphone is charged.
 - Remove any phone cases that might obstruct the receiver's connection.
- **Microphone Not Connecting:**
 - Ensure both the microphone and receiver are powered on.
 - If the microphone's green light is blinking, it is attempting to connect. Wait a few seconds for it to establish a connection.
 - Try unplugging and re-plugging the receiver.
- **Short Battery Life:**
 - Ensure the microphones are fully charged before use.
 - Avoid using the microphone in extremely cold temperatures, which can reduce battery performance.

WARRANTY AND SUPPORT

Kinglucky offers a 2-year warranty service for this product. For any issues encountered during normal use, please contact the professional customer service team for round-the-clock online support.
