## SETUP INSTRUCTIONS

Before playing, ensure all components are present and in good condition. Some elements may require initial assembly or preparation, such as applying Velcro strips if provided separately for interactive pieces. Refer to the specific learning guides for detailed setup instructions for each game.

### General Preparation:

- Unpack all game components carefully.
- Familiarize yourself with the pieces for both "Monster Munch" and "Scavenger Hunt."
- Read the included learning guides for specific game rules and setup steps.

## OPERATING INSTRUCTIONS

### Game 1: Monster Munch (A First Fine-Motor Skills Game)

This game is designed to introduce fruits and vegetables while developing fine motor skills. It offers multiple ways to play to keep young children engaged.

1. **Setup:** Assemble the two monster figures. Place the 20 food tokens within reach of the players.

2. **Objective:** Players feed the "super hungry monsters" by picking up food tokens and placing them into the monsters' mouths.
3. **Gameplay:** Follow the instructions in the learning guide for various play modes, which may include sorting by color, type of food, or taking turns.
4. **Learning Focus:** Introduces fruits and vegetables, develops fine motor skills, and encourages turn-taking.

## Game 2: Scavenger Hunt (A First Indoor Search Game)

This game helps build observation skills and expand vocabulary through an interactive search-and-find activity.

1. **Setup:** Distribute the 25 large cards around the play area or house.
2. **Objective:** Players look around to find objects matching the descriptions or images on the cards.
3. **Gameplay:** A player picks a card and searches for the item. Once found, they can describe it or move to the next card. The learning guide provides variations for play.
4. **Learning Focus:** Builds observation skills, develops vocabulary, and encourages exploration.

## MAINTENANCE AND CARE

To ensure the longevity and safety of your Doctor Jupiter games, please follow these care instructions:

- **Cleaning:** Wipe game pieces and boards with a soft, dry cloth. For minor spills, use a slightly damp cloth and dry immediately. Avoid harsh chemicals or abrasive cleaners.
- **Storage:** Store all game components in their original box or a designated storage container in a cool, dry place away from direct sunlight and extreme temperatures.
- **Handling:** Encourage gentle handling of all pieces to prevent bending, tearing, or damage. The materials are designed to be durable, including chunky boards and tear-resistant paper.

## SAFETY INFORMATION

The Doctor Jupiter My First Box of Games is designed with child safety in mind. Please observe the following:

- **Age Recommendation:** This product is recommended for children aged 24 months to 4 years.
- **Material Safety:** All materials are crafted from fine quality, durable components. Surfaces are coated to be safe if mouthed by children.
- **Design:** Pieces feature rounded edges to minimize the risk of injuries during play.
- **Supervision:** Adult supervision is recommended during play, especially with younger children, to ensure safe and

appropriate use of all game components.

## TROUBLESHOOTING

---

If you encounter any issues with your Doctor Jupiter My First Box of Games, consider the following:

- **Missing Pieces:** Carefully check all packaging and compartments. If a piece is genuinely missing, please contact customer support.
- **Difficulty Understanding Rules:** Re-read the specific game's learning guide. The guides are designed to be clear and include conversation topics to aid understanding.
- **Child Engagement:** If a child loses interest, try different play variations suggested in the learning guide or adjust the game to their current developmental stage.
