## 2. COMPATIBILITY

The Inateck Surface Pro 7 Keyboard is specifically designed for seamless integration with various Microsoft Surface Pro models. Ensure your device is listed below for full compatibility.

 <b>Compatible</b>	 <b>Incompatible</b>
 <b>Surface Pro 7+</b>	 <b>Surface Pro 11</b>
 <b>Surface Pro 7</b>	 <b>Surface Pro 10</b>
 <b>Surface Pro 6</b>	 <b>Surface Pro X</b>
 <b>Surface Pro 5</b>	 <b>Surface Pro 9</b>
 <b>Surface Pro 4</b>	 <b>Surface Pro 8</b>
	 <b>Surface Go</b>

### How to identify the model of your Surface tablet?

Click "Start" > Select "Microsoft Store" > Search for "Surface" > Install and open the app to identify your Surface model.

*Image: Compatibility chart indicating supported Surface Pro models (7+, 7, 6, 5, 4) and incompatible models.*

#### Supported Models:

- Surface Pro 7+
- Surface Pro 7
- Surface Pro 6
- Surface Pro 5
- Surface Pro 4

To identify your Surface tablet model, click "Start" > Select "Microsoft Store" > Search for "Surface" > Install and open the app to identify your Surface model.

### 3. KEY FEATURES

---

The Inateck Surface Pro 7 Keyboard offers a range of features designed to enhance your productivity and user experience:

- **Bluetooth 5.3 Connectivity:** Ensures a stable and efficient wireless connection to your Surface Pro.
- **Magnetic Attachment:** Provides a secure and convenient connection to your tablet, allowing for both attached and detached use.
- **7-Color Backlight:** Customize your typing experience with seven vibrant backlight colors and three adjustable brightness levels for comfortable use in any lighting condition.
- **Precision Touchpad with Anti-Mistouch Design:** A larger touchpad with an anti-accidental touch function supports various Windows touch gestures for precise navigation.
- **Independent Shortcut Keys:** The top row features dedicated shortcut keys for quick access to functions like screenshots, media control, and more, eliminating the need for complex key combinations.
- **Smart Screen ON/OFF:** The keyboard intelligently senses when it's closed, automatically putting your Surface Pro to sleep and waking it up when opened (requires the keyboard to be powered on and connected via Bluetooth).
- **Long Standby Time:** Designed for extended use with up to 180 days of standby time on a single charge.
- **Dual-Angle Adjustment:** Offers two typing angles to suit your ergonomic preferences and varied usage scenarios.

## 4. WHAT'S IN THE BOX

Upon unboxing your Inateck Surface Pro 7 Keyboard, you should find the following items:

- Inateck Surface Pro 7 Keyboard
- USB Cable (for charging)
- User Manual (this document)

## 5. SETUP

## 5.1 Charging the Keyboard

Before initial use, fully charge the keyboard using the provided USB cable.

1. Connect the small end of the USB cable to the Type-C charging port on the keyboard.
2. Connect the other end of the USB cable to a USB power adapter (not included) or a computer's USB port.
3. The charging indicator light will illuminate during charging and turn off when fully charged.

*Image: USB-C cable being inserted into the keyboard's charging port.*

## 5.2 Bluetooth Pairing

Follow these steps to pair your Inateck keyboard with your Surface Pro:

1. Ensure the keyboard is charged and powered on. The Bluetooth indicator light will blink, indicating it's in pairing mode.
2. On your Surface Pro, go to **Settings > Devices > Bluetooth & other devices**.
3. Turn on Bluetooth.
4. Click **Add Bluetooth or other device > Bluetooth**.
5. Select "Inateck Keyboard" (or similar name) from the list of available devices.
6. Follow any on-screen prompts to complete the pairing process. The Bluetooth indicator light on the keyboard will become solid when successfully paired.

## 6. OPERATING INSTRUCTIONS

### 6.1 Adjusting Backlight

To control the keyboard backlight:

- Press the **Fn** key + **light bulb icon** key (usually F1 or F2) to cycle through backlight colors.
- Press the **Fn** key + **sun icon** key (usually F3 or F4) to adjust brightness levels.

### 6.2 Using Shortcut Keys

The top row of keys provides quick access to various functions:

- **Esc:** Escape
- **F1 (Light Bulb):** Backlight color cycle
- **F2 (Sun):** Backlight brightness adjustment
- **F3 (Play/Pause):** Media Play/Pause
- **F4 (Previous):** Previous track

- **F5 (Next):** Next track
- **F6 (Mute):** Mute audio
- **F7 (Volume Down):** Decrease volume
- **F8 (Volume Up):** Increase volume
- **F9 (Print Screen):** Take a screenshot
- **F10 (Insert):** Insert function
- **F11 (Home):** Go to Home page
- **F12 (End):** Go to End of document/page
- **Del (Delete):** Delete function
- **Lock Icon:** Lock screen

## 6.3 Touchpad Gestures

The precision touchpad supports standard Windows gestures for enhanced navigation. Refer to your Windows operating system's documentation for a complete list of supported gestures.

## 6.4 Power Saving Mode

The keyboard features an intelligent power-saving mode. When the keyboard is closed against the Surface Pro, or when it detects inactivity, it will automatically enter a standby state to conserve battery life. To reactivate, simply open the keyboard or press any key.

# 7. MAINTENANCE

---

To ensure the longevity and optimal performance of your Inateck keyboard, follow these maintenance guidelines:

- **Cleaning:** Use a soft, lint-free cloth slightly dampened with water or a mild cleaning solution to wipe the surface of the keyboard and touchpad. Avoid excessive moisture. Do not use harsh chemicals or abrasive materials.
- **Storage:** When not in use, store the keyboard in a cool, dry place away from direct sunlight and extreme temperatures.
- **Avoid Spills:** Protect the keyboard from liquid spills. In case of a spill, immediately disconnect it from your device and power, then allow it to dry completely before attempting to use it again.
- **Handle with Care:** Avoid dropping the keyboard or subjecting it to strong impacts, as this can damage internal components.

# 8. TROUBLESHOOTING

---

If you encounter issues with your Inateck Surface Pro 7 Keyboard, please refer to the following common solutions:

- **Keyboard not connecting via Bluetooth:**
  - Ensure the keyboard is fully charged.
  - Verify Bluetooth is enabled on your Surface Pro.
  - Try unpairing and re-pairing the keyboard in your Surface Pro's Bluetooth settings.
  - Restart both your Surface Pro and the keyboard.
- **Keys not responding or typing incorrectly:**

- Ensure the keyboard is properly connected via Bluetooth.
- Check for any physical obstructions under the keys.
- If specific keys are not working, try cleaning around them.
- Update your Surface Pro's operating system and Bluetooth drivers.

- **Touchpad not working:**

- Ensure the keyboard is powered on and connected.
- Check if the touchpad has been accidentally disabled (some keyboards have a function key to toggle the touchpad).
- Restart your Surface Pro.
- Verify touchpad drivers are up to date in Device Manager.

- **Backlight not working or dim:**

- Ensure the keyboard has sufficient battery charge.
- Use the backlight control shortcut keys (Fn + light bulb/sun icon) to adjust settings.

- **Short battery life:**

- Ensure the keyboard is fully charged before use.
- Reduce backlight brightness or turn it off when not needed.
- Ensure the keyboard enters power-saving mode when not in use.

If the issue persists after trying these steps, please contact Inateck customer support for further assistance.

## 9. SPECIFICATIONS

Feature	Detail
Brand	Inateck
Model Number	KB02027-G-US
Compatible Devices	Surface Pro 7+/7/6/5/4
Connectivity Technology	Bluetooth 5.3
Keyboard Description	Bluetooth
Special Feature	Backlit (7-color RGB)
Color	Gray
Item Weight	12.3 ounces
Product Dimensions	11.69 x 8.61 x 2.72 inches
Power Source	Battery Powered (1 Lithium Ion battery included)
Operating System	Windows
