Bellemave Twin Over Twin House Bunk Bed

Bellemave Twin Over Twin House Bunk Bed with Slide Instruction Manual

Model: Twin Over Twin House Bunk Bed

1. Product Overview

The Bellemave Twin Over Twin House Bunk Bed with Slide is designed to provide a functional and engaging sleeping solution for children. This low-profile bunk bed features a house-shaped frame, a slide, and a sturdy construction suitable for two twin-sized mattresses. It is crafted from pine wood and MDF, ensuring durability and stability.

2. Important Safety Information

Please read and understand all instructions before assembling and using this bunk bed. Failure to follow these warnings could result in serious injury.

- **Maximum Weight Capacity:** Ensure the weight limits for both upper and lower bunks are strictly adhered to.
- **Guardrails:** The upper bunk is equipped with full-length guardrails to prevent accidental falls. Always ensure they are properly installed and secured.
- **Ladder Safety:** The bunk bed features built-in wide and thick ladders for safe access to the upper bed. Verify that all ladder steps are securely fastened. The ladder and slide positions can be switched during assembly.
- **Mattress Size:** Use only twin-sized mattresses that fit snugly within the bed frame. For the upper bunk, a mattress thickness of 6 inches is recommended to maintain adequate guardrail height.
- **Assembly:** Assembly requires two people. Follow the provided assembly instructions carefully. Regularly check all connections and hardware to ensure they remain tight.

- **Ventilation:** Ensure adequate ventilation around the bed.
- **No Box Spring Needed:** This bed is designed for use without a box spring.
- **Choking Hazard:** Keep small parts away from children during assembly.
- **Entrapment Hazard:** Do not allow children to play on or under the bed unsupervised. Ensure no gaps exist that could trap a child's head or limbs.

3. Package Contents

Before beginning assembly, ensure all parts listed in the included assembly instructions are present and undamaged. The package typically includes:

- Bed frame components (headboards, footboards, side rails for both bunks)
- House-shaped roof frame components
- Wooden slats for upper bunk
- Ladder components
- Slide components
- Hardware pack (screws, bolts, nuts, Allen wrench)
- Assembly Instructions manual

If any parts are missing or damaged, do not proceed with assembly. Contact Bellemave customer support for assistance.

4. Setup and Assembly

Assembly of the Bellemave Twin Over Twin House Bunk Bed requires careful attention to detail and is best performed by two adults. An assembly instruction booklet is included with your product, providing step-by-step guidance.

1. **Preparation:** Clear a spacious area for assembly. Lay out all components and hardware.
2. **Frame Assembly:** Begin by assembling the main bed frames for both the upper and lower bunks according to the detailed diagrams in your manual.
3. **Slats Installation:** Securely attach the wooden slats to the upper bunk frame. The lower bed does not use slats as it is a floor bed design.
4. **House Frame:** Assemble and attach the house-shaped roof frame to the upper bunk.
5. **Ladder and Slide:** Attach the ladder and slide. Note that the ladder and slide can be installed on either the left or

right side of the bed, depending on your room layout.

6. **Final Checks:** Once assembled, ensure all bolts and screws are tightened. Do not overtighten. Verify the stability of the entire structure.

5. Operating Instructions (Usage)

This bunk bed is designed for sleeping and light play. Observe the following guidelines for proper use:

- **Sleeping:** The upper bunk is suitable for one child, and the lower bunk is suitable for one child.
- **Slide Usage:** The integrated slide provides an element of fun. Ensure children use the slide feet-first and one at a time. Supervise young children during slide use. The slide is removable if not desired.
- **Ladder Usage:** Always use the ladder for accessing the upper bunk. Do not climb on the guardrails or other parts of the bed.
- **Decorations:** The house-shaped frame allows for creative decoration, such as hanging lights or fabric. Ensure any decorations are securely attached and do not pose a strangulation or fire hazard.

6. Maintenance

Regular maintenance will help prolong the life and safety of your Bellemave bunk bed.

- **Cleaning:** Wipe surfaces with a dry cloth. Avoid harsh chemicals or abrasive cleaners that could damage the finish.
- **Hardware Check:** Periodically inspect all bolts, screws, and connections to ensure they are tight. Retighten as necessary to maintain structural integrity.
- **Wood Care:** The bed is made of pine wood. Avoid exposing it to excessive moisture or direct sunlight to prevent warping or fading.
- **Product Care Instructions:** As per manufacturer, "Dry Clean Only" for any fabric components, though the primary material is wood.

7. Troubleshooting

If you encounter any issues with your bunk bed, consider the following common solutions:

- **Wobbling or Instability:** This is often due to loose hardware. Re-check and tighten all bolts and screws throughout the entire frame. Ensure the bed is placed on a level surface.
- **Missing Parts:** If you discover missing parts during assembly, refer to the package contents list in your assembly manual. Do not attempt to substitute parts. Contact Bellemave customer support for replacements.
- **Difficulty with Assembly:** Review the assembly instructions carefully. Ensure all pieces are oriented correctly. Sometimes, a slight adjustment or loosening of previously tightened bolts can help align stubborn pieces.
