Sunjoy 9 ft. x 9 ft. Gazebo Instruction Manual

Model: A101011140

INTRODUCTION

This manual provides essential information for the safe assembly, operation, and maintenance of your Sunjoy 9 ft. x 9 ft. Gazebo. Please read all instructions carefully before beginning assembly and retain this manual for future reference. This gazebo is designed to provide a comfortable outdoor space with protection from sun and insects.

SAFETY INFORMATION

- Always assemble the gazebo on a flat, stable surface.
- Ensure all parts are securely fastened before use.
- Do not use the gazebo in high winds or during severe weather conditions.
- Regularly inspect the gazebo for any signs of wear or damage.
- Tighten any loose bolts or screws as needed.
- Keep the gazebo clean and dry when not in use to prevent mold or mildew growth.

SETUP AND ASSEMBLY

The Sunjoy Gazebo is designed for straightforward assembly. It is recommended to have at least two people for assembly. Please refer to the illustrated assembly instructions included in your package for detailed step-by-step guidance. Ensure all components are present before starting.

Key Assembly Points:

- Choose a flat, level area for installation.
- Do not fully tighten all bolts until the entire frame is assembled to allow for flexibility.
- An anchoring kit is included to secure the gazebo to the ground, enhancing stability.

VENTILATED 2-TIER TOP

The ventilated 2-tier fabric top provides safety from harmful UV rays while allowing wind to pass through freely, encouraging air circulation.

MAINTENANCE

To ensure the longevity and optimal performance of your gazebo, regular maintenance is recommended:

- **Cleaning:** Clean the fabric canopy and netting with mild soap and water. Rinse thoroughly and allow to air dry completely before storage.
- **Frame Inspection:** Periodically check the steel frame for any signs of rust, damage, or loose connections. Tighten all bolts and screws as necessary.
- **Weather Protection:** During periods of strong winds, heavy rain, or snow, it is advisable to remove the canopy and netting to prevent damage. Store these components in a dry, protected area.
- **Winter Storage:** For prolonged periods of non-use, especially during winter, disassemble the gazebo and store all components in a dry, sheltered location to protect them from harsh weather conditions.

TROUBLESHOOTING

If you encounter any issues with your gazebo, please review the assembly instructions to ensure all steps were followed correctly. For persistent problems or missing parts, contact Sunjoy customer service for assistance.
