MAINTENANCE

Proper care will extend the life and appearance of your patio set.

- **Cleaning:**

- Wipe the rattan and steel frame with a damp cloth.
- The cushion covers are removable for easy cleaning. Follow care instructions on the cushion labels.
- For the tempered glass tabletop, use a glass cleaner and a soft cloth.

- **Weather Protection:** Although made of all-weather rattan and a steel frame, prolonged exposure to extreme weather conditions (heavy rain, snow, intense sun) can affect durability. Consider using a furniture cover or storing the set indoors during harsh weather.

- **Inspection:** Periodically check all screws and connections to ensure they remain tight. Retighten as necessary.
