Moimhear Children's Bunk Bed Instruction Manual

Model: LDB00112AAK-CL

INTRODUCTION

This manual provides detailed instructions for the assembly, operation, and maintenance of your Moimhear Children's Bunk Bed. Please read this manual thoroughly before assembly and use to ensure safe and proper operation. Keep this manual for future reference.

Product Overview

The Moimhear Children's Bunk Bed is a versatile and space-saving furniture piece designed for children's rooms. It features a solid wood construction with a white finish, providing durability and a classic aesthetic. The bed includes a safety slide, a safety ladder with integrated shelving, and two large storage drawers under the lower bed.

- **Upper Bed Dimensions:** 90 x 200 cm
- **Lower Bed Dimensions:** 140 x 200 cm
- **Material:** MDF, Pine Wood, Plywood
- **Color:** White
- **Features:** Safety slide, safety ladder with shelves, two removable storage drawers.

SAFETY INFORMATION

Your safety and the safety of your children are paramount. Please adhere to all safety warnings and instructions provided in this manual.

- **Supervision:** Children should only play on or around the bunk bed under direct adult supervision.
- **Assembly:** Ensure all parts are correctly assembled and tightened before use. Regularly check and re-tighten all connections.
- **Sharp Edges:** Pay attention to sharp edges during assembly and use.
- **Mattress Thickness:** The recommended mattress thickness for both beds is not more than 12 cm to ensure adequate safety rail height.
- **Weight Capacity:** The upper bed has a weight capacity of 110 kg, and the lower bed has a weight capacity of 150 kg.

kg. Do not exceed these limits.

- **Falling Hazard:** Do not allow children to jump on the bed or hang from any part of the bed structure.
- **Ventilation:** Ensure adequate ventilation around the bed.
- **Packaging:** This product is delivered in four separate cartons. Ensure all cartons are received before beginning assembly.

PACKAGE CONTENTS

Before beginning assembly, verify that all parts listed below are present. If any parts are missing or damaged, please contact customer support.

- Bed Frame Components (Headboard, Footboard, Side Rails, Slats)
- Slide Components
- Ladder/Shelf Components
- Storage Drawer Components
- Hardware Pack (Screws, Bolts, Dowels, etc.)
- Assembly Tools (Allen wrench, screwdriver, etc.)

Note: This product is shipped in four separate cartons. It is possible that these cartons may arrive on different days. Please wait 2-3 days for all packages to arrive before starting assembly.

SETUP AND ASSEMBLY

Estimated Assembly Time: 0.5 hours (for experienced assemblers). Recommended Number of People: 2.

1. Preparation:

- Clear a spacious area for assembly.
- Lay out all components on a soft, clean surface to prevent scratches.
- Identify all parts and hardware using the provided parts list.

2. Assemble the Lower Bed Frame:

- Attach the side rails to the headboard and footboard of the lower bed.
- Secure all connections with the provided bolts and screws. Do not overtighten.

3. Assemble the Upper Bed Frame:

- Attach the side rails to the headboard and footboard of the upper bed.
- Secure all connections.

4. Attach Upper Bed to Lower Bed:

- Carefully lift the assembled upper bed frame and align it with the designated connection points on the lower bed frame.
- Secure the upper bed to the lower bed using the appropriate hardware.

5. Install Slatted Frames:

- Place the wooden slats onto the support rails for both the upper and lower beds.
- Ensure slats are evenly spaced and secured if applicable.

6. Assemble and Attach Ladder/Shelf Unit:

- Assemble the ladder and integrated shelf unit according to the diagrams.
- Attach the completed unit securely to the bed frame.

7. Assemble and Attach Slide:

- Assemble the slide components.
- Attach the slide securely to the bed frame at the designated position.

8. Assemble Storage Drawers:

- Assemble the two storage drawers.
- Insert the assembled drawers under the lower bed.

9. Final Check:

- Once assembly is complete, re-tighten all bolts and screws to ensure maximum stability.
- Ensure the bed is stable and does not wobble.

OPERATING INSTRUCTIONS

The Moimhear Children's Bunk Bed is designed for sleeping and supervised play. Follow these guidelines for safe operation:

- **Using the Beds:** Place appropriate size mattresses (max 12 cm thickness) on both the upper (90x200 cm) and lower (140x200 cm) beds. Ensure children sleep within the bed's boundaries.
- **Using the Ladder:** Always use the integrated ladder for accessing the upper bunk. Ensure children climb facing the ladder and use both hands.
- **Using the Slide:** The slide is for supervised descent only. Ensure only one child uses the slide at a time and slides feet first. Clear the landing area before use.
- **Storage Drawers:** The two under-bed drawers can be used to store toys, bedding, or other items. Ensure drawers are fully closed when not in use to prevent tripping hazards.
- **Integrated Shelves:** The shelves on the ladder unit can be used for books, small toys, or decorative items. Do not place heavy or fragile items on these shelves.

MAINTENANCE

Regular maintenance will extend the life of your bunk bed and ensure continued safety.

- **Cleaning:** Wipe down the bed frame with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners that could damage the finish.
- **Hardware Check:** Periodically (e.g., monthly) check all bolts, screws, and connections to ensure they are tight. Retighten as necessary. Loose hardware can compromise the bed's stability and safety.

- **Slats:** Inspect the wooden slats for any signs of damage or cracking. Replace any damaged slats immediately.
- **Structural Integrity:** Check the overall structure for any signs of wear, cracks, or instability. If any issues are found, discontinue use and contact customer support.

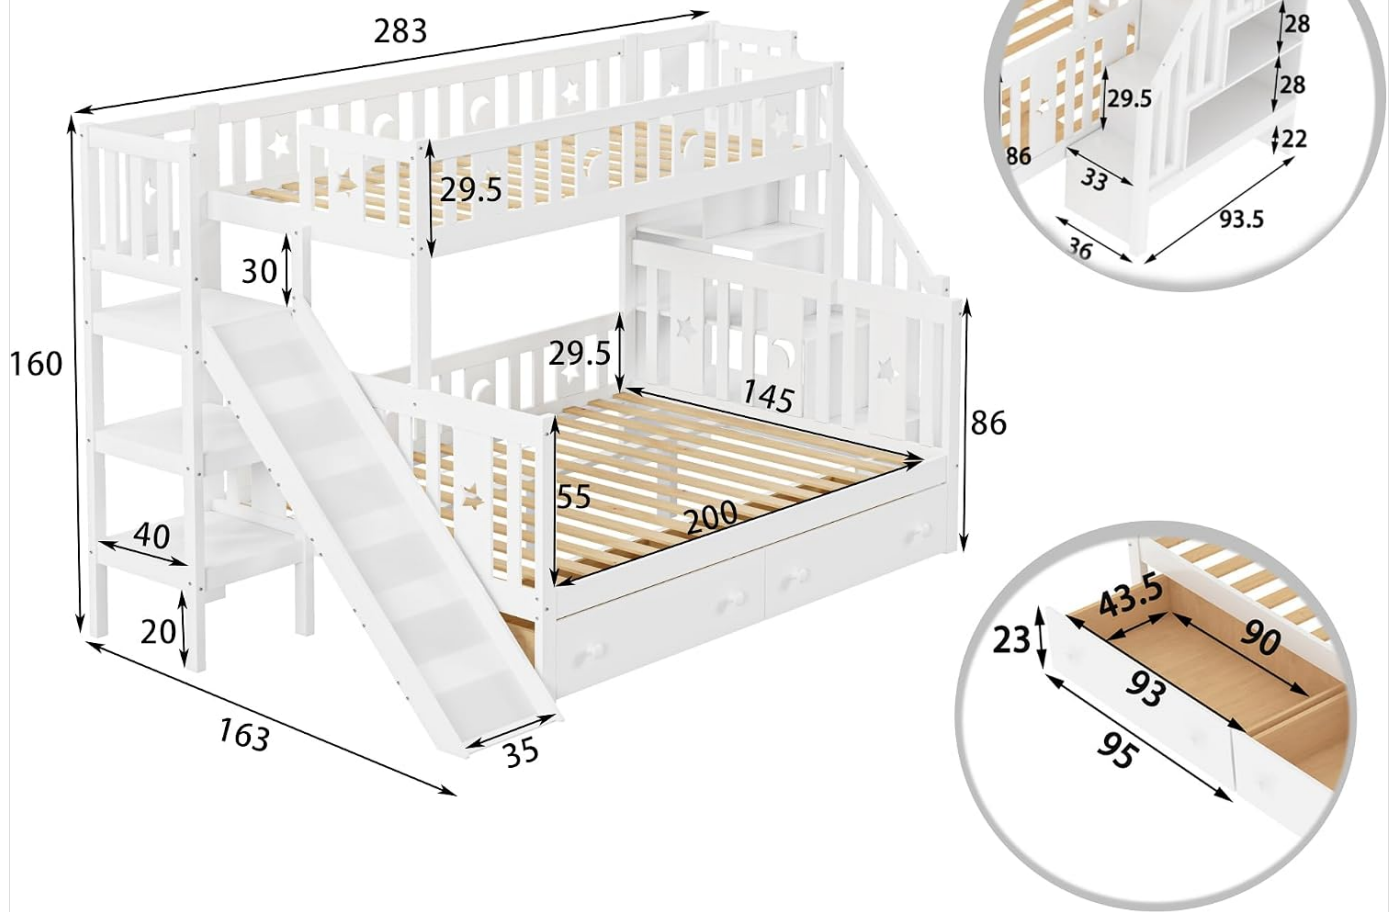

TROUBLESHOOTING

Problem	Possible Cause	Solution
Bed feels wobbly or unstable.	Loose hardware connections.	Check and re-tighten all bolts and screws. Ensure the bed is on a level surface.
Drawers do not slide smoothly.	Debris in tracks or misaligned drawers.	Clean drawer tracks. Ensure drawers are assembled correctly and aligned.
Missing parts during assembly.	Parts may be in another carton or missing from the shipment.	Verify all four cartons have arrived. Check all packaging thoroughly. Contact customer support with the specific part number.
