2. SAFETY INFORMATION

To ensure safe use of your Hoctieon Rolling Storage Cart, please observe the following safety guidelines:

- **Weight Capacity:** Do not exceed the maximum weight recommendations. The top shelf can safely hold approximately **110 lbs (50 kg)**. The bottom three tiers have a maximum weight capacity of **44 lbs (20 kg)** each. Overloading can cause instability and damage.
- **Stability:** Always ensure the cart is placed on a level and stable surface. When stationary, engage the locks on the wheels to prevent unintended movement.
- **Movement:** Use caution when moving the cart, especially when loaded, to prevent tipping. Move slowly and avoid sudden stops or turns.
- **Children and Pets:** Keep children and pets away from the cart during assembly and ensure they do not climb on or play with the cart to prevent injury.
- **Assembly:** Follow all assembly instructions carefully. Ensure all parts are securely fastened before use.

3. PRODUCT OVERVIEW

The Hocteon 4-Tier Rolling Storage Cart is designed for versatile storage in various home environments. It features a sturdy metal frame, a rustic brown wooden top, and four mesh baskets for organized storage.

Key Features:

- **4-Tier Design:** Provides ample vertical storage space.
- **Durable Construction:** Made with a metal frame and wooden boards for longevity.
- **Lockable Wheels:** Four PP wheels allow for easy mobility and secure placement.
- **Handle Design:** Integrated handle for convenient pushing and pulling.
- **Breathable Mesh Baskets:** Wire mesh design promotes air circulation and prevents items from falling.
- **Fall-Proof Design:** Each basket includes a metal wire stop to prevent items from falling off the sides.

Components:

The package includes all necessary components for assembly, typically consisting of:

- Metal frame components
- 4 mesh storage baskets
- Wooden top panel

- 4 lockable wheels
- Assembly hardware (screws, wrench)
- Instruction manual

4. SETUP AND ASSEMBLY

The Hoctieon Rolling Storage Cart is designed for easy assembly. Please follow the clear and detailed instructions provided in the package, along with the numbered assembly parts.

Assembly Steps:

1. **Unpack:** Carefully unpack all components and verify against the parts list in your included manual.
2. **Prepare:** Lay out all parts on a clean, soft surface to prevent scratches.
3. **Assemble Frame:** Connect the main metal frame components according to the diagrams. Do not fully tighten screws until all parts are in place.
4. **Attach Baskets:** Slide or attach the mesh storage baskets into their designated slots on the frame.
5. **Install Wheels:** Attach the four lockable wheels to the bottom of the frame. Ensure they are securely tightened.
6. **Secure Top:** Place and secure the wooden top panel onto the assembled frame.
7. **Final Tightening:** Once all components are in place, carefully tighten all screws to ensure stability.

Tip: Assembling the shelves loosely first and then tightening them after they are all in place can make the process easier.

5. OPERATING INSTRUCTIONS

Your Hoctieon Rolling Storage Cart is designed for versatile use and easy mobility.

Using the Wheels:

- To move the cart, ensure the wheel locks are disengaged.
- To keep the cart stationary, push down on the lever of each wheel to engage the lock.

Utilizing Storage Space:

- The four tiers provide ample space for various items. The top wooden panel can be used as a countertop for appliances or decorative items.
- The mesh baskets are suitable for storing snacks, jars, bottles, produce, books, office supplies, or laundry essentials.
- The fall-proof design of the baskets helps keep items secure during movement.

Versatile Placement:

This cart is ideal for various locations due to its narrow design and mobility:

- **Kitchen:** Store spices, pantry items, or small appliances.
- **Laundry Room:** Organize detergents, fabric softeners, or cleaning supplies.
- **Bathroom:** Hold towels, toiletries, or other bathroom essentials.
- **Office:** Keep office supplies, books, or documents organized.

6. MAINTENANCE

Proper maintenance will extend the life and appearance of your storage cart.

- **Cleaning:** Wipe the metal frame and wooden top with a soft, damp cloth. For stubborn stains, a mild soap solution can be used, followed by wiping dry. Avoid abrasive cleaners or harsh chemicals.
- **Regular Checks:** Periodically check all screws and connections to ensure they remain tight. Retighten if necessary.
- **Avoid Moisture:** While the mesh baskets allow for drainage, avoid prolonged exposure to excessive moisture to prevent rust on metal parts or damage to the wooden top.

7. TROUBLESHOOTING

If you encounter any issues with your Hoctieon Rolling Storage Cart, consider the following:

- **Cart is Unstable:** Ensure all assembly screws are fully tightened. Check that the cart is on a flat, level surface.
- **Wheels Not Rolling Smoothly:** Check for any debris caught in the wheels. Ensure the wheel locks are fully disengaged.
- **Items Falling Out:** Verify that the metal wire stops are correctly positioned within the baskets. Do not overload baskets beyond their weight capacity.
- **Difficulty Assembling:** Refer back to the detailed assembly instructions provided in your package. Ensure all parts are correctly oriented.

If problems persist, please contact customer support.
