Air-Scent WD

Air-Scent Wireless Waterless Essential Oil Diffuser User Manual

Model: WD | Brand: Air-Scent

1. INTRODUCTION

The Air-Scent Wireless Waterless Essential Oil Diffuser provides a pure aromatherapy experience without the need for water or heat. This innovative device uses cold air diffusion technology to disperse essential oils into fine micro-particles, preserving their therapeutic properties and delivering a potent aroma throughout your space. Its wireless design and adjustable settings offer flexibility and convenience for personalized ambiance.

2. PRODUCT FEATURES

- **Innovative Waterless Diffusion:** Utilizes dry mist technology for pure essential oil dispersion without dilution.
- **Wireless Portability:** Operates on a rechargeable battery, allowing flexible placement without cords.
- **Remote Control Functionality:** Adjust diffusion settings and intensity effortlessly.
- **Adjustable Diffusion Settings:** Offers low, medium, and high intensity levels.
- **Integrated Night Light:** Features a built-in night light that can be turned on or off via remote control.

3. PACKAGE CONTENTS

Please ensure all items are present upon unboxing:

- Air-Scent Wireless Waterless Essential Oil Diffuser
- Remote Control

- Recharging Cord
- User Manual

4. SETUP

1. **Initial Charge:** For first use, plug the diffuser into a power outlet using the provided recharging cord.
2. **Access Oil Reservoir:** Gently twist and lift the top section of the diffuser to reveal the oil reservoir.
3. **Fill with Essential Oil:** Pour your desired essential oil directly into the clear reservoir. *Do not add water.*
4. **Secure Reservoir:** Place the top section back onto the diffuser and screw it down very tightly. Ensure it is securely fastened to prevent diffusion issues.

5. OPERATING INSTRUCTIONS

The diffuser can be operated using the buttons on the unit or the remote control.

5.1. Using the Diffuser Buttons

1. **Power On/Off:** Press the power button () to turn the diffuser on or off.
2. **Adjust Intensity:** Press the intensity buttons (LOW, MED, HIGH) to select your desired diffusion level.

5.2. Using the Remote Control

The remote control offers additional timer functions and convenient operation from a distance.

- **Power On/Off:** Use the 'ON' and 'OFF' buttons.
- **Adjust Intensity:** Select 'LOW', 'MED', or 'HIGH' for fragrance output.
- **Set Timer:** Choose from 2H, 4H, 8H, or 12H to set the operating duration. The diffuser will automatically shut off after the selected time.
- **Night Light:** Press the light icon button (*) to toggle the integrated night light on or off.

6. MAINTENANCE

Regular cleaning ensures optimal performance and longevity of your diffuser.

- **Prevent Clogging:** To avoid clogging, clean the diffuser tube and bottle with rubbing alcohol once a month or between refills.
- **Cleaning Procedure:**
 - a. Remove the essential oil bottle from the diffuser.
 - b. Empty any remaining essential oil.
 - c. Add a small amount of rubbing alcohol to the bottle.
 - d. Reattach the bottle to the diffuser.
 - e. Run the diffuser on a low setting for 10-15 minutes to clean the internal components.
 - f. Remove the bottle and allow it to air dry completely before refilling with essential oil.

7. TROUBLESHOOTING

- **Diffuser Not Working (Initial Use):** When first using the Wireless Diffuser, it must be plugged in to function. Ensure it is connected to a power source.
- **No Diffusion/Weak Scent:** When refilling the container, ensure the top is screwed down very tightly. A loose connection will prevent proper diffusion.
- **Clogging:** If the diffuser is clogged, perform the cleaning procedure outlined in the Maintenance section using rubbing alcohol.

8. SPECIFICATIONS

Attribute	Value
Brand	Air-Scent
Model Name	WD
Model Number	WD-Brushed-Silver
Colour	Brushed Silver
Material	Aluminum
Power Source	Battery Powered
Special Features	Battery Powered, Rechargeable
Runtime	4 hours (on battery)

Maximum Coverage Area	1000 Square Feet
Item Dimensions (L x W x H)	8.3L x 5.1W x 27.2H Centimetres
Light Source	LED
Wattage	1 watts

9. SAFETY INFORMATION

- Avoid direct skin contact with undiluted essential oils.
- Keep out of reach of children and pets.
- Ensure proper ventilation during use.
