## 1. Introduction

Thank you for choosing the HOMEFORT 30" Shoe Bench with Lift Top Storage. This versatile furniture piece is designed to enhance your entryway, bedroom, or hallway by providing both comfortable seating and efficient storage solutions. Its thoughtful design includes hidden compartments and adjustable shelving to help keep your space organized and clutter-free.

Please read this instruction manual thoroughly before assembly and use to ensure proper installation and safe operation of your new shoe bench.

## 2. Safety Information

- **Maximum Weight Capacity:** The bench has a static loading capacity of 300 lbs. Do not exceed this weight limit to prevent damage or injury.
- **Indoor Use Only:** This product is constructed from engineered wood and is not designed for outdoor use. Exposure to outdoor elements may cause damage.
- **Stable Placement:** Always place the bench on a flat, stable surface to prevent tipping.
- **Assembly Safety:** Keep all small parts and packaging materials away from children during assembly. Ensure all fasteners are securely tightened before use.
- **Pinch Points:** Exercise caution when opening and closing the lift-top lid to avoid pinching fingers.

## 3. Product Features

- **Lift-Top Storage:** A spacious hidden compartment under the seat is ideal for storing items such as umbrellas, hats, small bags, keys, or blankets.
- **Cushioned Seat:** Features a comfortable, removable cushion made from breathable linen fabric and high-density foam, secured with Velcro attachments for easy cleaning or replacement.
- **Shoe Cabinet:** Two cabinet doors conceal multiple shelves designed for organizing shoes, boots, and high heels, protecting them from dust and pets.
- **Adjustable Shelving:** The internal shelves within the cabinets are adjustable, allowing you to customize the storage space to fit various footwear sizes or other items.
- **Durable Construction:** Made from engineered wood with a smooth painted surface, ensuring long-lasting use and easy maintenance.

## 4. Assembly Instructions

The HOMEFORT Shoe Bench is designed for easy and quick assembly. All necessary parts are clearly labeled, and detailed instructions are included in your package. For a visual guide, please refer to the assembly video provided below.

### General Assembly Steps:

1. Unpack all components and verify against the parts list in your manual.
2. Identify all hardware and tools required (usually a screwdriver, not included).
3. Follow the step-by-step illustrations and instructions provided in the printed manual.
4. Ensure all screws and fasteners are tightened securely, but do not overtighten.
5. Attach the cushioned seat using the Velcro fasteners.

### Assembly Video:

*Video: An official HOMEFORT video demonstrating the assembly process and features of an entryway bench with lift-top storage.*

## 5. Operating Instructions

### Using the Lift-Top Storage:

- Gently lift the front edge of the cushioned seat. The lid is designed to stay open, providing easy access to the hidden storage compartment.
- Place or retrieve items from the spacious interior.
- To close, gently push the lid down until it rests securely.

### Using the Shoe Cabinets:

- Open the cabinet doors using the retro-style handles.
- Arrange shoes or other items on the internal shelves.
- To adjust shelf height, remove the shelf and reposition the support pegs into the desired holes. Ensure the shelf is level and secure before placing items on it.
- Close the cabinet doors to keep contents out of sight and protected.

## Personalized Design to maximize the inner storage space

## 6. Maintenance and Care

- **Cleaning the Wood Surface:** Wipe the engineered wood surface with a dry, soft cloth. Avoid using harsh chemicals or abrasive cleaners, which can damage the finish.
- **Cushion Care:** The cushion cover can be detached via Velcro for cleaning. Follow the care

instructions on the cushion label for washing or spot cleaning.

- **Regular Checks:** Periodically check all screws and fasteners to ensure they remain tight. Retighten as necessary to maintain stability.
- **Avoid Moisture:** Protect the bench from excessive moisture and direct sunlight to prevent warping or discoloration.

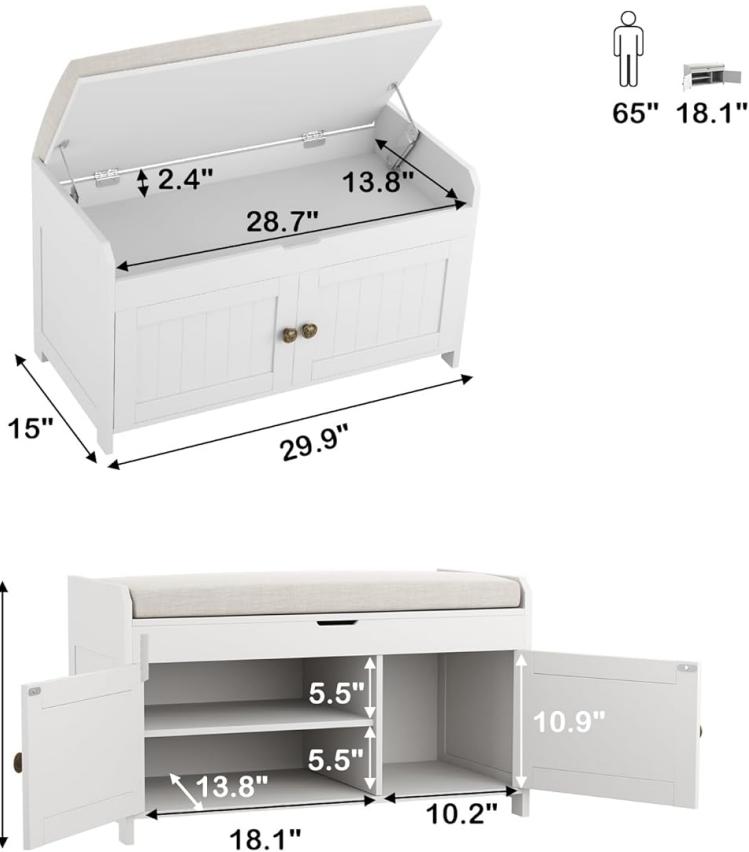

## 7. Troubleshooting

- **Wobbly Bench:** Ensure all screws and bolts are fully tightened. Check that the bench is placed on a level surface.
- **Lid Not Staying Open:** Verify that the hinges are correctly installed and functioning. If issues persist, contact customer support.
- **Doors Not Closing Properly:** Check for any obstructions in the cabinet or misaligned hinges. Adjust as needed.
- **Missing Parts:** If any parts are missing or damaged upon arrival, do not proceed with assembly. Contact customer support immediately for replacements.

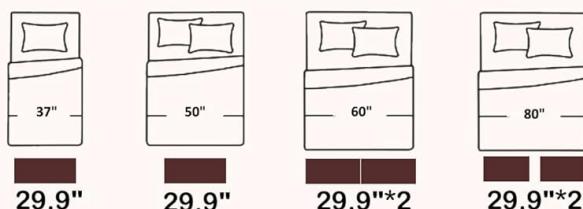

## 8. Specifications

Attribute	Detail
Product Dimensions	15"D x 30"W x 18.1"H
