POVISON Hobart Dining Table (79-inch)

POVISON Hobart 79-inch Modern Rectangle Dining Table User Manual

Model: Hobart Dining Table (79-inch) | Brand: POVISON

1. INTRODUCTION

Thank you for choosing the POVISON Hobart 79-inch Modern Rectangle Dining Table. This manual provides essential information for the safe assembly, proper use, and effective maintenance of your new dining table. Please read these instructions carefully before assembly and retain them for future reference.

This contemporary dining table features a minimalist design with clean lines, a matte black sintered stone tabletop, and a bronze carbon steel U-shape pedestal base. It is designed to comfortably seat 6-8 individuals.

2. SAFETY INFORMATION

WARNING: This table requires assembly. Always follow the provided instructions for safe assembly. Do not exceed the recommended seating capacity of 8 to maintain stability and prevent accidents.

- Ensure all components are present and undamaged before beginning assembly.
- Assemble the table on a soft, clean surface to prevent scratches.
- Two adults are recommended for assembly due to the weight of the tabletop and base.
- Do not stand or sit on the table.
- Keep small parts and packaging materials away from children.
- Periodically check all fasteners to ensure they remain tight.

3. PACKAGE CONTENTS

Before assembly, verify that all parts are included in your package. The dining table is typically shipped in two

packages.

- Sintered Stone Tabletop
- Bronze Carbon Steel Pedestal Base
- Assembly Hardware (screws, washers, Allen wrench)
- Adjustable Feet (pre-attached or separate)
- Assembly Guide (this document or a separate printed guide)

4. SETUP AND ASSEMBLY INSTRUCTIONS

Follow these steps to assemble your POVISON Hobart Dining Table. It is recommended that two adults perform the assembly.

1. **Unpack Components:** Carefully remove all parts from the packaging. Place them on a soft, non-abrasive surface (e.g., a blanket or carpet) to prevent scratches.
2. **Attach Base to Tabletop:** Position the tabletop upside down on the protected surface. Align the pedestal base with the pre-drilled holes on the underside of the tabletop.

3. **Secure the Base:** Using the provided screws and Allen wrench, securely attach the pedestal base to the tabletop. Ensure all screws are tightened evenly to prevent wobbling. Do not overtighten.
4. **Attach Adjustable Feet (if separate):** If your adjustable feet are not pre-attached, screw them into the designated holes on the bottom of the pedestal base.
5. **Position the Table:** With the help of another person, carefully flip the assembled table upright and move it to its desired location.
6. **Adjust for Stability:** Use the adjustable feet to level the table on uneven floors, ensuring maximum stability.

The table is designed for easy assembly, allowing you to quickly set it up for use.

5. OPERATING INSTRUCTIONS

Your POVISON Hobart Dining Table is designed for indoor use as a surface for dining, work, or other household activities. The sintered stone tabletop is highly resistant to scratches and heat, making it suitable for various uses.

- Place items evenly across the tabletop to distribute weight.
- Avoid dragging heavy or sharp objects across the surface to prevent potential damage, despite its durability.
- The table is designed to seat 6-8 people comfortably. Adhering to this capacity ensures stability and safety.

Image 5.1: A detailed view highlighting the 12mm thick sintered stone tabletop, the carbon steel base for stability, and the adjustable feet for leveling.

6. MAINTENANCE

Proper care will ensure the longevity and appearance of your dining table.

- **Cleaning:** Wipe the tabletop and base with a dry cloth. For spills, use a damp cloth with mild soap and water, then dry immediately. Avoid abrasive cleaners or harsh chemicals, as these can damage the finish.
- **Protection:** While the sintered stone is durable, using placemats or coasters is recommended to protect the surface from extreme heat or potential stains from certain liquids.
- **Stability Check:** Periodically check and retighten all assembly screws to maintain the table's structural integrity and prevent wobbling.

7. TROUBLESHOOTING

If you encounter any issues with your dining table, refer to the following common solutions:

- **Wobbling Table:**
 - a. Ensure all assembly screws are securely tightened.

b. Adjust the leveling feet on the bottom of the pedestal base to compensate for uneven floor surfaces.

- **Scratches on Tabletop:**

a. The sintered stone is highly scratch-resistant, but deep scratches can occur from extreme force or sharp objects. Minor surface marks may sometimes be buffed out with specialized stone polish (consult a professional if unsure).

- **Loose Base:**

a. Re-tighten the screws connecting the base to the tabletop. Avoid overtightening.

If problems persist, please contact POVISON customer support for further assistance.
