cleaning.

Troubleshooting

If you encounter any issues with your Snailax foot massager, please refer to the following common solutions:

- **Unit Not Turning On:** Ensure the power adapter is securely plugged into both the unit and a working electrical outlet.
- **No Heat/Vibration:** Check that the heat/vibration functions are activated via the remote or control panel. Ensure the timer is not set to auto-off.
- **Remote Not Responding:** Verify the remote's battery (1 CR2032 battery required, included). Ensure there are no obstructions between the remote and the unit.

For persistent issues, please contact Snailax customer support.
