## Operating and Usage

This L-shaped desk and file cabinet combination is designed for versatile use in various settings, including home offices, bedrooms, dormitories, living rooms, and study rooms. It is suitable for drafting, gaming, working, and writing.

- **Work Surface:** Utilize the expansive desktop for computers, monitors, and other work essentials.
- **File Storage:** The two file drawers are designed to accommodate letter-sized documents, keeping them organized and accessible.
- **Open Shelving:** The four open shelves provide convenient storage for books, office supplies, and decorative items.
- **Reversible Design:** The L-shaped configuration is reversible, allowing you to set up the longer desk section on either the left or right side to best fit your space.
- **Mobility:** The file cabinet's rolling lockable casters allow for easy repositioning or temporary removal from the desk for increased flexibility.

The lateral file cabinet features four open shelves and two file drawers for organized storage.

## Maintenance and Care

Proper care and maintenance will ensure the longevity and appearance of your Tribesigns desk and cabinet.

- **Cleaning:** Wipe surfaces with a damp cloth, then dry immediately with a clean, dry cloth to prevent water marks. Avoid harsh chemicals or abrasive cleaners.
- **Spill Management:** Clean up spills immediately to prevent staining or damage to the laminated finish.
- **Heat Protection:** Keep the desk away from direct heat sources. Use coasters or protective pads under hot items.
- **Weight Distribution:** Do not overload the desk or place heavy objects on the edges to prevent tipping or damage.
- **Stability Check:** Periodically check and tighten all screws and fasteners to ensure structural integrity.

## Troubleshooting

If you encounter any issues with your Tribesigns desk, refer to the following common solutions:

- **Wobbly Desk:** Ensure all screws are tightened. Use the adjustable foot pads to stabilize the desk on uneven flooring.
- **Drawers Not Sliding Smoothly:** Check that the drawer slides are correctly installed and free of obstructions. Ensure the drawer glide mechanism (ball bearings or rollers) is clean.
- **Missing Parts:** If any parts are missing upon delivery, contact customer service with your product model number and a description of the missing components.
- **Surface Scratches:** The desk features a scratch-resistant finish, but minor scratches can occur. For deeper scratches, consider using furniture repair markers or contacting customer service for advice.
