Philips Smart Pedestal Fan Series 3000 (CX3550/01) User Manual

Model: CX3550/01

INTRODUCTION

Thank you for choosing the Philips Smart Pedestal Fan Series 3000. This fan is designed to provide powerful and quiet cooling for your home. This manual provides essential information for the safe and efficient use of your appliance. Please read it thoroughly before first use and keep it for future reference.

The Philips Smart Pedestal Fan Series 3000 (CX3550/01) in black, designed for powerful yet quiet cooling.

PRODUCT OVERVIEW

The Philips Smart Pedestal Fan Series 3000 combines maximum cooling power with minimal noise. It features SilentWings technology for quiet operation, adjustable height for versatile use as a pedestal or table fan, and smart control via the Philips Air+ app.

This image illustrates the adjustable height of the fan, showing its dimensions as a pedestal fan (125 cm height, 40 cm width, 37.2 cm depth) and a table fan (82 cm height).

SETUP AND ASSEMBLY

The fan is designed for easy assembly. Follow these general steps for initial setup:

1. Unpack all components from the box.
2. Assemble the base and attach the main pole.
3. Attach the fan motor unit to the pole.
4. Secure the front and rear grilles, ensuring the fan blades are correctly positioned.
5. Connect the power cord.

Refer to the detailed assembly instructions provided in the product packaging for specific steps and diagrams.

All components of the fan laid out, demonstrating its modular design for straightforward assembly and cleaning.

OPERATING INSTRUCTIONS

Your Philips Smart Pedestal Fan offers multiple ways to control its functions for personalized comfort.
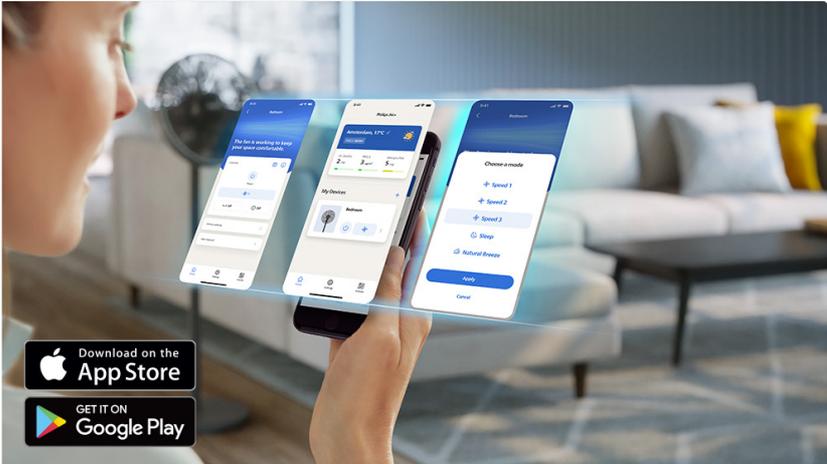

Control Panel

The fan features an intuitive control panel located on the motor unit.

Commande à distance via l'application Air +

L'application vous permet de personnaliser votre confort en réglant les paramètres du ventilateur, en établissant des programmes, etc.

The fan's control panel features buttons for power, speed adjustment, mode selection, oscillation, and timer settings.

- **Power Button:** Press to turn the fan on or off.
- **Speed Settings:** Select from 3 available speeds to adjust airflow intensity.
- **Mode Selection:** Choose between different modes such as Natural Breeze and Silent Sleep.
- **Oscillation:** Activate or deactivate the automatic 90-degree horizontal oscillation.
- **Timer:** Set the fan to operate for a specific duration (1-12 hours).

Philips Air+ App Control

For enhanced control and smart features, download the Philips Air+ app on your smartphone.

The Philips Air+ app allows remote control of fan settings, including speed, modes, and scheduling.

- Download the Philips Air+ app from the App Store or Google Play.
- Follow the in-app instructions to pair your fan with your device.
- Control all fan functions remotely, set schedules, and monitor room conditions.

Modes of Operation

- **Natural Breeze Mode:** This mode simulates a gentle, refreshing outdoor breeze, providing a comfortable indoor experience throughout the year.

Sentez la brise partout

Il peut être incliné de 30 degrés et pivoter automatiquement de 90 degrés

The Natural Breeze mode simulates a gentle, refreshing outdoor breeze, providing year-round comfort.

- **Silent Sleep Mode:** Designed for peaceful nights, this mode gradually reduces the fan speed over a 30-minute period, promoting restful sleep and energy saving.

Construit pour durer

Avec plus de 80 ans d'expertise en matière de traitement de l'air, Philips effectue plus de 110 tests rigoureux sur ses ventilateurs avant de les mettre sur le marché

The Silent Sleep Mode gradually reduces fan speed over 30 minutes, promoting restful sleep and energy saving.

Adjustable Features

- **Oscillation:** The fan features automatic horizontal oscillation up to 90 degrees to distribute air evenly across the room.
- **Vertical Tilt:** The fan head can be manually tilted vertically up to 30 degrees to direct airflow as needed.
- **Adjustable Height:** The fan can be easily converted from a pedestal fan to a table fan to suit your environment and cooling needs.

Hauteur réglable en fonction de vos besoins

Transformez facilement votre ventilateur sur pied en ventilateur de table pour une solution de refroidissement adaptée à vos besoins

The fan's versatile design allows it to be easily converted from a pedestal fan to a table fan to suit various environments.

- **Timer Function:** Personalize your cooling experience with the timer function, allowing you to set the fan to turn off automatically after 1 to 12 hours.

Facile à installer, facile à nettoyer

Grâce à son design intuitif, il peut être assemblé en quelques minutes seulement et peut être nettoyé sans effort

The fan includes a timer function, allowing users to set operation for 1 to 12 hours for personalized comfort.

MAINTENANCE AND CLEANING

Regular cleaning helps maintain the fan's performance and extends its lifespan. Always unplug the fan before cleaning.

- **Exterior Cleaning:** Wipe the exterior surfaces with a soft, damp cloth. Do not use abrasive cleaners or solvents.
- **Grille and Blades:** The fan's intuitive design allows for easy disassembly of the grilles and blades for thorough cleaning. Remove dust and debris using a soft brush or vacuum cleaner. Ensure all parts are dry before reassembly.

TROUBLESHOOTING

If you encounter issues with your fan, refer to the following common solutions:

- **Fan does not turn on:** Ensure the power cord is securely plugged into a working electrical outlet. Check if the power button has been pressed.
- **Weak airflow:** Verify that the fan speed is set to a higher level. Clean the fan blades and grilles to remove any obstructions.
- **Unusual noise:** Ensure all parts are correctly assembled and tightened. Check for any foreign objects caught in the fan blades.
- **App connectivity issues:** Ensure your smartphone's Bluetooth or Wi-Fi is enabled and the fan is within range. Restart the app and the fan if necessary.

For persistent issues, please contact Philips customer support.

SPECIFICATIONS

Feature	Specification
Brand	PHILIPS
Model Number	CX3550/01
Color	Black
Product Dimensions (L x W x H)	40 x 37.2 x 125 cm
Power	48 Watts
Voltage	220 Volts, 240 Volts
Material	Plastic or Metal
Number of Speeds	3
Noise Level	19 Decibels (dB(A))
Special Features	SilentWings Technology, App Control
Item Weight	6.03 Kilograms
