Ontel Cable Keeper

Ontel Cable Keeper Cord Organizer - 10-Foot Adjustable Cable Sleeve Instruction Manual

Model: Cable Keeper

Introduction

The Ontel Cable Keeper Cord Organizer is designed to manage and conceal multiple cables, promoting a tidy and organized environment. This 10-foot adjustable cable sleeve helps prevent cable tangles and offers protection for your wires in various settings, including offices, homes, and dorms.

Safety Information

- Ensure the cable organizer is not placed near heat sources or open flames.
- Do not overfill the organizer with too many cables, as this may cause strain or damage to the cables.
- Keep out of reach of small children and pets to prevent accidental ingestion or entanglement.
- Inspect the organizer periodically for any signs of wear or damage. Discontinue use if damage is observed.

Package Contents

Please verify that all items are present in the package:

- 1 x 10-foot Cable Keeper Cord Organizer (Black)
- 1 x Cable Clip Tool

Setup Instructions

Follow these steps to organize your cables using the Cable Keeper:

1. **Gather Cables:** Collect all the cables you wish to organize into a single bundle. Ensure they are untangled and positioned as desired.
2. **Clip Cables:** Open the provided cable clip tool. Place the bundle of cables into the opening of the clip tool.
3. **Zip the Organizer:** Align the end of the Cable Keeper organizer with the clip tool. Gently push the clip tool along the length of the organizer. As you push, the organizer will wrap around the cables, bundling them together.
4. **Adjust Length (Optional):** If the 10-foot length is more than required, you can cut the organizer to your desired length using standard scissors. Ensure no cables are cut in the process.

Image: Cables neatly organized behind a computer monitor using the Cable Keeper, highlighting the reduction of clutter and the ability to cut the organizer to length.

Operating Instructions

The Cable Keeper is designed for flexible and reusable cable management:

- **Adding/Removing Cables:** To add or remove a cable, gently unzip the organizer using the clip tool or by hand. Insert or extract the desired cable, then re-zip the organizer.
- **Repositioning:** The organizer can be easily repositioned or adjusted along the length of your cables as needed.
- **Versatile Use:** Suitable for various applications, including computer setups, TV entertainment systems, and office desks.

Maintenance

- **Cleaning:** Wipe the organizer with a damp cloth to remove dust or dirt. Avoid using harsh chemicals or abrasive cleaners.
- **Storage:** When not in use, store the Cable Keeper in a cool, dry place away from direct sunlight.

Troubleshooting

Problem	Possible Cause	Solution
Difficulty zipping cables into the organizer.	Too many cables, or cables are not aligned properly.	Reduce the number of cables or ensure they are neatly bundled before zipping. Use the clip tool to guide them smoothly.

Problem	Possible Cause	Solution
Organizer does not stay closed.	Organizer is overfilled or damaged.	Remove some cables. If damaged, replace the organizer.
Cables are still visible or messy.	Organizer not fully extended or positioned incorrectly.	Ensure the organizer covers the desired length of cables. Adjust its position for optimal concealment.

Specifications

Brand: Ontel

Model: Cable Keeper

Color: Black

Length: 10 feet (approx. 304.8 cm)

Product Dimensions: 10 x 10 x 0.1 inches (approx. 25.4 x 25.4 x 0.25 cm)

Item Weight: 5.9 ounces (approx. 167 grams)

Installation Type: Clip and Zip
