Battery Capacity	255mAh Lithium Ion
Water Resistance	IP67 (Moisture Resistant)
Compatibility	Android 5.0 & Above, iOS 10.0 & Above
App Connectivity	WearFit Pro App
Charging Type	Contactless Magnetic Charging
Charging Time	Approximately 2.5 hours
Item Weight	122 g
Product Dimensions	4 x 1 x 8 cm

4. SETUP

4.1 Charging the Smart Watch

1. Connect the magnetic charging cable to a USB power adapter (not included) or a computer USB port.
2. Align the magnetic end of the cable with the charging contacts on the back of the watch. The watch will snap into place and display a charging indicator.
3. Charge the watch for approximately 2.5 hours for a full charge before first use.

4.2 App Installation (WearFit Pro)

To unlock the full functionality of your smart watch, download and install the WearFit Pro app on your smartphone.

- **For Android users:** Search for "WearFit Pro" in the Google Play Store.
- **For iOS users:** Search for "WearFit Pro" in the Apple App Store.
- Alternatively, scan the QR code provided in the watch's packaging or on the watch screen (if available) to directly download the app.

4.3 Pairing with Your Smartphone

Ensure your watch is charged and your phone's Bluetooth is enabled.

1. Open the WearFit Pro app on your smartphone.
2. Follow the on-screen instructions to create an account or log in.
3. Navigate to the "Device" or "Add Device" section within the app.
4. The app will search for nearby devices. Select "X9 Plus Ultra 2" from the list of available devices.
5. Confirm the pairing request on both your watch and smartphone.

5. OPERATING THE SMART WATCH

5.1 Basic Controls

- **Touch Screen:** Tap to select, swipe up/down/left/right to navigate menus and view different functions.
- **Side Button:** Typically used to power on/off, return to the home screen, or access the app menu. Press and hold to power on/off.

5.2 Navigation

- **Swipe Down:** Access quick settings (e.g., brightness, do not disturb).
- **Swipe Up:** View notifications.
- **Swipe Left/Right:** Cycle through widgets or main functions (e.g., activity tracker, heart rate, weather).

5.3 Key Features

- **Bluetooth Connectivity:** Stay connected to your smartphone for calls, messages, and app notifications.
- **Health Monitoring:** Track heart rate, steps, and other fitness data (specific features depend on app integration).
- **Customizable Watch Faces:** Personalize your watch display through the WearFit Pro app.

6. MAINTENANCE

6.1 Cleaning

Regularly clean your smart watch to ensure optimal performance and hygiene.

- Wipe the screen and body with a soft, lint-free cloth.
- For stubborn dirt, slightly dampen the cloth with water. Avoid using harsh chemicals or abrasive

materials.

- Clean the charging contacts periodically to ensure good connection.

6.2 Water Resistance (IP67)

The X9 Plus Ultra 2 Smart Watch is rated IP67, meaning it is resistant to dust and can withstand immersion in water up to 1 meter for 30 minutes. This makes it suitable for daily use, such as washing hands or light rain exposure.

Important:

- Do not use the watch for swimming, showering, or diving.
- Avoid exposure to hot water, steam, or high-pressure water jets.
- Water resistance is not a permanent condition and may decrease over time with normal wear.

6.3 Battery Care

- Avoid fully discharging the battery frequently.
- Charge the watch in a cool, dry environment.
- If storing the watch for an extended period, charge it to about 50% to preserve battery health.

7. TROUBLESHOOTING

If you encounter issues with your smart watch, refer to the following common solutions:

- **Watch not turning on:** Ensure the watch is fully charged. Connect it to the magnetic charger and wait a few minutes before attempting to power it on.
- **Watch not charging:** Check if the magnetic charging cable is properly connected to both the watch and the power source. Ensure the charging contacts on the watch are clean. Try a different USB port or power adapter.
- **Cannot pair with phone:** Make sure Bluetooth is enabled on your phone and the watch is within range. Restart both the watch and your phone. Ensure the WearFit Pro app is updated to the latest version. If issues persist, try unpairing and re-pairing the device through the app.
- **Notifications not appearing:** Check notification settings within the WearFit Pro app and your phone's system settings to ensure permissions are granted for the app to display notifications. Ensure the watch is connected via Bluetooth.
- **Screen unresponsive:** Restart the watch by pressing and holding the side button until it powers off, then power it back on.

8. WARRANTY AND SUPPORT

This product is covered by a standard manufacturer's warranty. Please refer to the warranty card included in your package for specific terms and conditions. For technical support or further assistance, please contact the retailer or manufacturer's customer service.
