ODK 011186

ODK Gaming Desk User Manual

Model: 011186 | Dimensions: 100 x 70 cm

1. INTRODUCTION

This manual provides detailed instructions for the assembly, operation, and maintenance of your ODK Gaming Desk. Please read this manual thoroughly before assembly and use to ensure proper function and safety. Keep this manual for future reference.

Image 1.1: The ODK Gaming Desk, showcasing its L-shaped design, integrated LED lighting, monitor stand, and power strip. Various gaming peripherals are displayed on the desk.

2. SAFETY INFORMATION

- Ensure all components are securely fastened before use.
- Do not overload the desk or shelves beyond their weight capacity. The desk has a maximum load capacity of approximately 50 kg (110 lbs).
- Keep liquids away from electrical components, including the LED lights and power outlets.
- Use only the provided power cord and ensure it is properly connected to a suitable power source.
- Avoid placing hot items directly on the desk surface without protection.
- Keep small parts out of reach of children during assembly.

3. PACKAGE CONTENTS

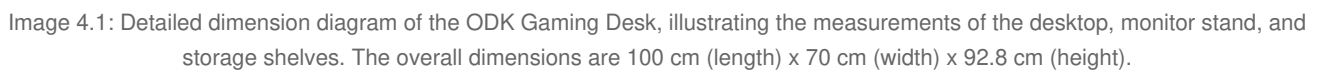

Please verify that all parts are present before beginning assembly. If any parts are missing or damaged, contact customer support.

- Desk panels (main desktop, L-shaped extension, monitor stand, storage shelves)
- Metal frame components (legs, support bars)
- Integrated power strip with AC outlets and USB ports
- LED light strip with controller
- Headphone hook
- Assembly hardware (screws, bolts, Allen wrench)
- Instruction manual

4. ASSEMBLY INSTRUCTIONS

Assembly is required for this product. Follow the step-by-step instructions provided in the separate assembly guide included in your package. It is recommended to assemble the desk on a soft, clean surface to prevent scratches.

1. **Unpack Components:** Carefully remove all parts from the packaging and lay them out. Verify against the package contents list.
2. **Assemble Frame:** Attach the metal legs and support bars according to the diagrams in the assembly guide. Ensure all screws are finger-tightened initially.
3. **Attach Desk Panels:** Secure the main desktop, L-shaped extension, and storage shelves to the assembled frame.
4. **Install Monitor Stand:** Mount the monitor stand to the main desktop.
5. **Install Power Strip:** Integrate the power strip into its designated slot on the desk.
6. **Attach LED Lights:** Adhere the LED light strip to the underside of the monitor stand or main desk as desired.
7. **Final Tightening:** Once all components are in place, systematically tighten all screws and bolts using the provided Allen wrench. Do not overtighten.
8. **Attach Headphone Hook:** Secure the headphone hook to the side of the desk.

5.1. LED Lights Operation

- **Power On/Off:** Use the inline controller to turn the lights on or off.
- **Mode Selection:** Cycle through 7 lighting modes and 20 dynamic modes using the controller.
- **Color Adjustment:** Select from 10 different light colors.
- **Speed Control:** Adjust the blinking speed with 7 available settings.

Image 5.1: This image highlights the LED lighting features of the desk, including the controller and visual representations of 7 lighting modes, 10 colors, 7 blinking speeds, and 20 dynamic modes.

5.2. Power Outlets and USB Ports

The desk features an integrated power strip for convenient access to power.

- **AC Outlets:** Two 110-240V/6A AC outlets are available for powering monitors, computers, or other electronic devices.
- **USB Ports:** Two 5V/2A USB charging ports are provided for charging smartphones, gaming accessories, or other USB-powered devices.
- **Power Cord:** The power strip is connected via a 200 cm (approximately 6.5 ft) power cord.

5.3. Monitor Stand

The elevated monitor stand helps maintain an ergonomic sitting posture, reducing strain on your neck and eyes.

- Place your monitor(s) directly on the stand.
- Ensure the monitor's base fits securely on the stand.

Image 5.3: This illustration demonstrates the ergonomic benefits of the monitor stand, showing how it promotes a healthier sitting posture compared to a setup without a raised monitor.

5.4. Storage Shelf and Headphone Hook

The desk includes a multi-level storage shelf and a convenient headphone hook for organization.

- Use the lower shelves to store your PC tower, books, or other accessories.
- Hang your headphones on the dedicated hook to keep them easily accessible and off the desk surface.

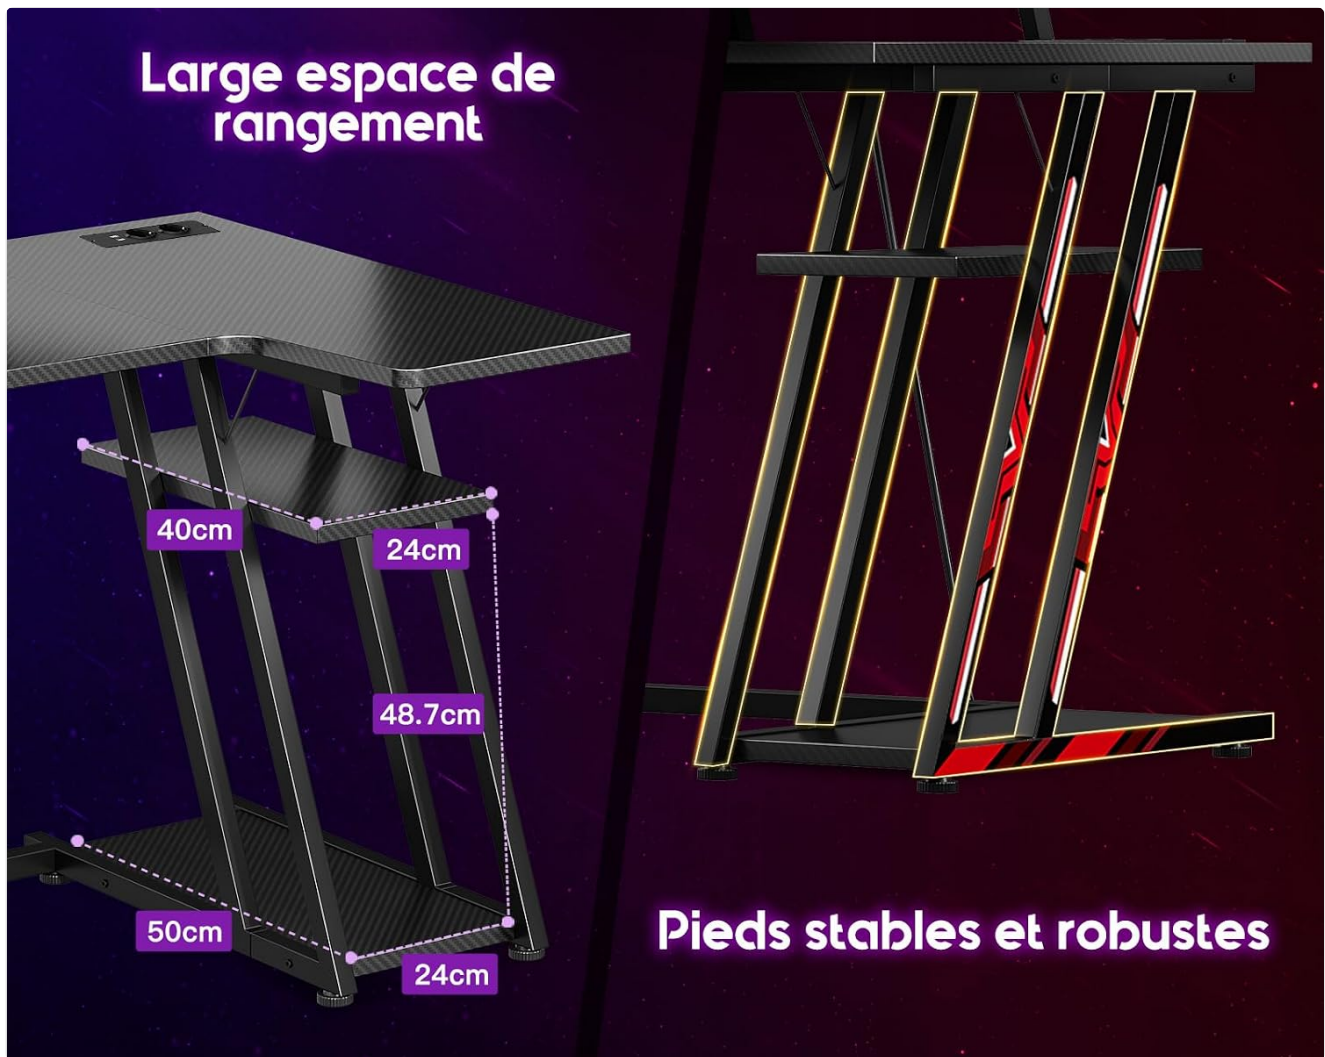

Image 5.4: This image focuses on the multi-level storage shelf, designed to accommodate a PC tower and other items, and the robust, stable feet of the desk.

6. MAINTENANCE

- **Cleaning:** Wipe the desk surface with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals that could damage the carbon fiber laminate finish.
- **Dusting:** Regularly dust the LED lights and power outlets to ensure optimal performance and prevent dust buildup.
- **Tightening:** Periodically check all screws and bolts and tighten them if necessary to maintain the desk's stability.
- **Cable Management:** Organize cables to prevent tangles and reduce strain on connections.

7. TROUBLESHOOTING

- **LED Lights Not Working:**
 - Ensure the USB connector for the LED strip is securely plugged into a working USB port or power adapter.
 - Check the inline controller for damage or loose connections.
- **Power Outlets/USB Ports Not Functioning:**

- Verify that the main power cord of the desk is securely plugged into a live wall outlet.
- Test the wall outlet with another device to confirm it is supplying power.
- Ensure devices are properly plugged into the desk's outlets/ports.

- **Desk Wobbles:**

- Check that all assembly screws and bolts are fully tightened.
- Ensure the desk is placed on a flat, even surface. Adjust the leveling feet if present.

8. SPECIFICATIONS

Feature	Specification
Brand	ODK
Model Number	011186
Color	Black
Material	Engineered Wood (Top), Metal (Frame)
Product Dimensions (L x W x H)	100 x 70 x 92.8 cm (39.4 x 27.6 x 36.5 inches)
Item Weight	13.6 kg (29.98 lbs)
