## Furnulem TYCS-6T001

# Furnulem 6-Tier Corner Shelf with LED Light - User Manual

Model: TYCS-6T001 | Brand: Furnulem

## INTRODUCTION

This manual provides comprehensive instructions for the assembly, operation, and maintenance of your Furnulem 6-Tier Corner Shelf with LED Light. Please read these instructions carefully before assembly and use to ensure proper function and safety. Keep this manual for future reference.

## SETUP AND ASSEMBLY

The Furnulem 6-Tier Corner Shelf is designed for straightforward assembly. All necessary tools, accessories, and instructions are included in the package. It is recommended to assemble the unit in the room where it will be placed.

### Included Components:

- 6 x Wooden Shelf Panels

- Metal Frame Components
- LED Light Strip with USB Plug
- Adjustable Feet
- Anti-Tip Kit (Wall Anchor, Screws)
- Assembly Hardware (screws, bolts, Allen wrench)

## Assembly Steps:

1. **Unpack Components:** Carefully remove all parts from the packaging and verify against the parts list.
2. **Assemble Frame:** Connect the metal frame components according to the diagram, ensuring all connections are secure. Do not overtighten screws initially.
3. **Attach Shelves:** Insert the wooden shelf panels into the designated slots within the metal frame. Ensure they are seated firmly and level.
4. **Install Adjustable Feet:** Screw the adjustable feet into the bottom of the frame. These can be adjusted later to ensure stability on uneven floors.
5. **Secure Anti-Tip Kit:** For safety, attach the anti-tip kit to the top rear of the shelf and secure it to a wall stud using the provided hardware. This prevents accidental tipping.
6. **Install LED Strip:** Adhere the LED light strip along the inner edge of the metal frame, ensuring it is evenly placed. Connect the USB plug to a compatible power source.
7. **Final Tightening:** Once all components are in place and the shelf is positioned, carefully tighten all screws to ensure maximum stability.

## OPERATING INSTRUCTIONS (LED LIGHT)

The Furnulem Corner Shelf features an integrated LED light strip to enhance ambiance and display. The LED strip is powered via a USB connection.

### Powering the LED Lights:

- Connect the USB plug of the LED light strip to a standard USB power adapter (not included) or a USB port on another device.
- Ensure the power source provides sufficient voltage (typically 5V).

### Controlling the LED Lights:

The LED light strip typically comes with an inline controller or a remote control (if included) to manage its functions:

- **Power On/Off:** Press the power button on the controller.
- **Color Selection:** Cycle through various static colors (e.g., red, green, blue, white, yellow, purple) using the designated color buttons or a mode button.
- **Brightness Adjustment:** Increase or decrease the light intensity using the brightness control buttons.
- **Dynamic Modes:** Select from various dynamic lighting effects such as flashing, fading, or smooth transitions, if available.
- **Voice Activation (if applicable):** Some models may feature a voice-activated setting. Refer to the specific controller instructions for details.

## MAINTENANCE

Regular maintenance will help preserve the appearance and longevity of your Furnulem Corner Shelf.

### Cleaning:

- **Wooden Shelves:** Wipe with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals that could damage the finish. Dry immediately with a clean cloth.
- **Metal Frame:** Clean with a soft cloth and a mild, non-abrasive cleaner. Ensure the frame is dry after cleaning to prevent rust.
- **LED Strip:** Gently wipe the LED strip with a dry, soft cloth. Do not use liquids directly on the LED components.

### General Care:

- Periodically check all screws and connections to ensure they remain tight. Retighten if necessary.
- Avoid placing excessively heavy items on the shelves to prevent damage or instability. The maximum recommended weight per shelf is approximately 30 lbs (13.6 kg).
- Keep the shelf away from direct sunlight and excessive moisture to prevent warping or discoloration of the

wood and potential damage to the LED components.

## TROUBLESHOOTING

If you encounter any issues with your Furnulem Corner Shelf, refer to the following common problems and solutions:

### LED Lights Not Working:

- **Check Power Connection:** Ensure the USB plug is securely connected to a functional power source. Try a different USB adapter or port.
- **Check Inline Controller:** Verify that the inline controller (if present) is not damaged and the power button is pressed.
- **Inspect LED Strip:** Look for any visible damage or disconnections along the LED strip.

### Shelf Instability:

- **Adjustable Feet:** Ensure the adjustable feet are properly leveled to compensate for uneven flooring.
- **Tighten Screws:** Re-check and tighten all assembly screws on the metal frame and shelf connections.
- **Anti-Tip Kit:** Confirm the anti-tip kit is securely installed and anchored to the wall.
- **Weight Distribution:** Ensure items are evenly distributed on the shelves and not exceeding the weight capacity.

### Damaged or Missing Parts:

- If you receive damaged or missing parts, please contact Furnulem customer support immediately for assistance.

## PRODUCT SPECIFICATIONS

<b>Brand</b>	Furnulem
<b>Model Number</b>	TYCS-6T001
<b>Color</b>	Oak / Black
<b>Dimensions (L x W x H)</b>	28.5 x 30 x 171.5 cm (approx. 11.2 x 11.8 x 67.5 inches)
<b>Weight</b>	6.09 kg (approx. 13.4 lbs)
