## Csasan J90 Pro

# Csasan J90 Pro Wireless Earbuds User Manual

Model: J90 Pro | Brand: Csasan

## INTRODUCTION

---

Thank you for choosing the Csasan J90 Pro Wireless Earbuds. These earbuds are designed to provide a stable and high-quality audio experience for various daily activities, including workouts, travel, and office use. Featuring Bluetooth 5.3 technology, Environmental Noise Cancellation (ENC), and an IP7 waterproof rating, the J90 Pro offers clear sound, reliable connectivity, and comfort for extended wear. This manual will guide you through the setup, operation, maintenance, and troubleshooting of your new earbuds.

## WHAT'S IN THE BOX

---

- J90 Pro Wireless Earbuds (x2)
- Charging Case (x1)
- Ear Caps (S/M/L, x3 pairs)
- USB-C Charging Cable (x1)
- User Manual (x1)

## PRODUCT OVERVIEW

---

The Csasan J90 Pro Wireless Earbuds feature a compact design with intuitive controls and a portable charging case. Below are key components and features.

Image: The Csasan J90 Pro Wireless Earbuds in their charging case, displaying the LED battery indicator.

Image: Diagram illustrating the 13mm dynamic speaker components responsible for HiFi stereo sound, deep bass, and clear calls.

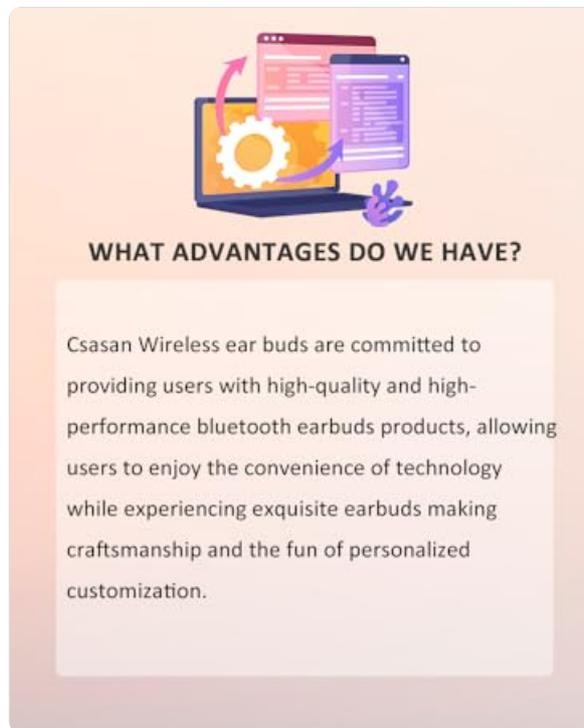

Image: A visual representation of the ENC noise reduction microphone system, indicating a 40dB reduction in environmental noise for clear calls.

## SETUP

---

### 1. Charging the Earbuds and Case

Before first use, fully charge the earbuds and charging case. Place the earbuds into the charging case. Connect the USB-C charging cable to the charging case and a power source. The dual LED display on the case will show the battery percentage of the case and individual earbuds (L/R).

- A full charge provides up to 8 hours of playback for the earbuds.
- The charging case provides an additional 32 hours, totaling 40 hours of continuous use.
- Charging time for the case is approximately 1.5 hours.

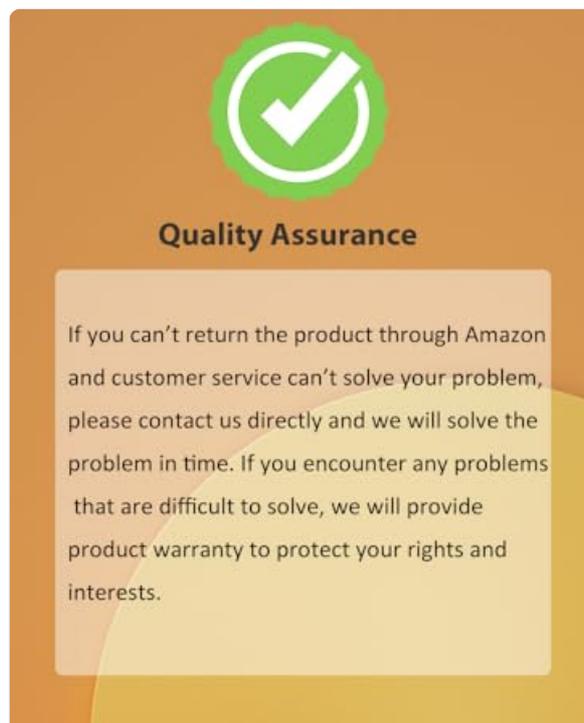

Image: The charging case with earbuds inside, showing the dual LED display for case and individual earbud battery levels.

## 2. Initial Pairing

The earbuds utilize Bluetooth 5.3 for a stable and reliable connection.

1. Open the charging case. The earbuds will automatically power on and enter pairing mode.
2. On your device (smartphone, tablet, laptop), go to Bluetooth settings.
3. Search for available devices and select "J90 Pro" from the list.
4. Once connected, you will hear a confirmation tone, and the earbuds will be ready for use.

After the initial pairing, the earbuds will automatically connect to the last paired device when the charging case is opened, provided Bluetooth is enabled on your device.

## OPERATING INSTRUCTIONS

---

The J90 Pro earbuds feature intuitive touch controls for managing audio playback, calls, and voice assistant functions.

### Touch Controls

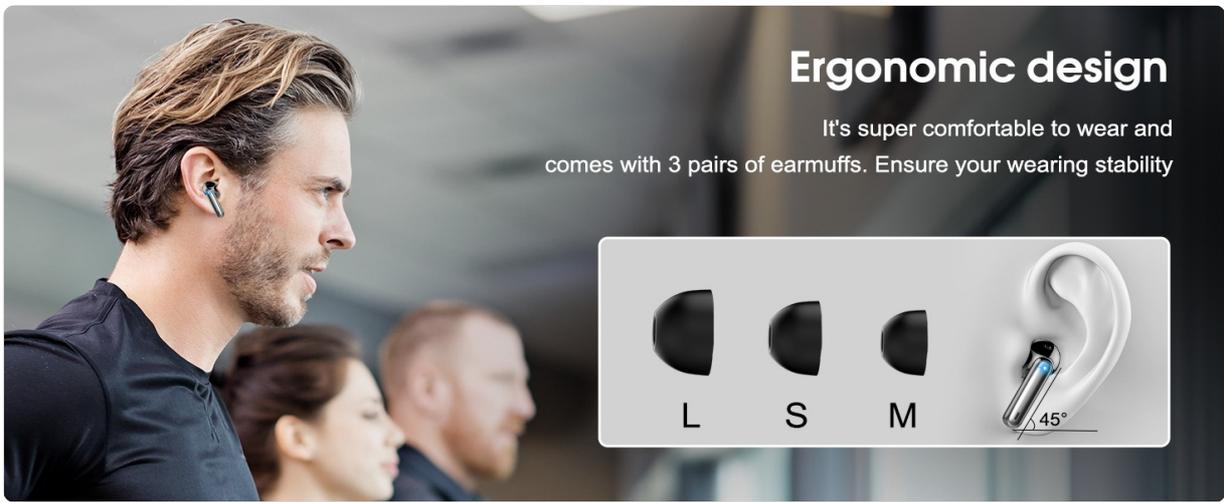

Image: A detailed diagram illustrating the touch control functions for both the left (L) and right (R) earbuds, including actions like tap, double tap, and press and hold.

Action	Left Earbud (L)	Right Earbud (R)
Play/Pause	Tap Twice	Tap Twice
Next Track	Press and Hold 2s	Tap Once
Previous Track	Tap Once	Press and Hold 2s
Volume +	N/A	Tap Once
Volume -	Tap Once	N/A
Answer Call	Tap Once	Tap Once
Hang Up Call	Press and Hold 2s	Press and Hold 2s
Voice Assistant	Tap 3 Times	Tap 3 Times

### Using Single or Twin Modes

The earbuds can be used individually (Single Mode) or as a pair (Twin Modes) for stereo sound. Simply take one or both earbuds out of the case to activate the desired mode.

Image: Two scenarios demonstrating the use of earbuds: one person using a single earbud (Single Mode) and a couple sharing earbuds (Twin Modes).

## MAINTENANCE

Proper maintenance ensures the longevity and optimal performance of your earbuds.

### Cleaning

- Regularly clean the earbuds and charging case with a soft, dry, lint-free cloth.
- Remove ear tips and clean them with mild soap and water, then dry thoroughly before reattaching.
- Ensure charging contacts on both earbuds and case are free from dust and debris.

### Water Resistance (IP7)

The earbuds are IP7 waterproof, meaning they are protected against immersion in water up to 1 meter for up to 30 minutes. They are resistant to sweat and rain, making them suitable for workouts and outdoor activities. However, the charging case is not waterproof. Do not expose the charging case to water.

**40H Long Listening Time**

J90 Pro offers 6-8Hrs of battery life on its own, as well as an additional 4 full charges in its charging case - enough time to get you through your workday.

**40** Hrs  
with charging case

**6-8** Hrs  
on a single charge

**1.5** Hrs  
charge time

### Storage

When not in use, store the earbuds in their charging case to protect them and keep them charged. Avoid storing in extreme temperatures or humid environments.

## TROUBLESHOOTING

If you encounter any issues with your earbuds, please refer to the following common solutions:

Problem	Solution
Earbuds not pairing	Ensure earbuds are charged. Turn off and on your device's Bluetooth. Place earbuds back in case, close, then reopen to re-enter pairing mode.
Only one earbud working	Ensure both earbuds are charged. Place both earbuds back in the case, close, then reopen. Check Bluetooth settings to ensure both are connected.
No sound or low volume	Check device volume and earbud volume. Ensure earbuds are properly seated in your ears. Clean ear tips and speaker mesh.
Charging case not charging	Ensure USB-C cable is securely connected to both the case and power source. Try a different cable or power adapter.

Problem	Solution
Poor call quality	Ensure microphones are not obstructed. Move to an area with less environmental noise.

## SPECIFICATIONS

Feature	Detail
