Kircuit UG69PD25

Kircuit 20V AC/DC Adapter for Wavlink UG69PD25 Docking Station - Instruction Manual

Brand: Kircuit | Model: UG69PD25

INTRODUCTION

The Kircuit 20V AC/DC Adapter is designed to provide reliable power to your compatible devices. This adapter converts standard AC power from an electrical outlet into the DC power required by your device, enabling operation or battery charging. It is specifically compatible with Wavlink UG69PD25, WL-UG69PD25, and WL-UG69PD25 PRO DisplayLink Docking Stations, which support triple monitor setups at 4K 60Hz, Thunderbolt, USB C, and HDMI connections. This product is 100% brand new and features high-quality construction with built-in dynamic IC, charger IC, and power fuse for rapid charging and overcharge protection.

SETUP

1. **Unpack the Adapter:** Carefully remove the Kircuit 20V AC/DC Adapter from its packaging.
2. **Connect to Power Outlet:** Plug the AC input cable of the adapter into a standard 100V-240V AC electrical power outlet. Ensure the outlet is functioning correctly.
3. **Connect to Device:** Insert the barrel plug connector of the adapter's DC output cable into the designated power input port of your Wavlink UG69PD25, WL-UG69PD25, or WL-UG69PD25 PRO DisplayLink Docking Station.
4. **Verify Connection:** Confirm that both connections are secure. The device should now receive power or begin charging its battery.

OPERATING INSTRUCTIONS

Once properly connected, the Kircuit 20V AC/DC Adapter will automatically begin supplying power to your compatible Wavlink docking station. The adapter is designed for continuous operation, converting AC power to the necessary DC voltage for your device.

- **Automatic Operation:** The adapter operates automatically upon connection to a power source and a compatible device. No manual controls are typically required for basic power delivery.
- **Charging Indicator:** Refer to your docking station's user manual for information on any charging indicators or status lights.
- **Safety Features:** The adapter includes built-in dynamic IC, charger IC, and power fuse mechanisms to protect against overcharging and ensure safe operation.

CARE AND MAINTENANCE

- **Keep Dry:** Avoid exposing the adapter to moisture, rain, or liquids.
- **Temperature:** Do not operate the adapter in extremely hot or cold environments. Store it in a cool, dry place.
- **Cleaning:** Disconnect the adapter from all power sources before cleaning. Use a soft, dry cloth to wipe the exterior. Do not use liquid cleaners or aerosols.
- **Cable Care:** Avoid bending or crimping the power cables excessively. Do not place heavy objects on the cables.
- **Ventilation:** Ensure the adapter has adequate ventilation and is not covered during operation to prevent overheating.

TROUBLESHOOTING

- **Device Not Powering On/Charging:**
 - Check all cable connections to ensure they are firmly seated in both the power outlet and the docking station.
 - Verify that the power outlet is functional by plugging in another device.
 - Ensure the docking station itself is compatible with a 20V DC input.
- **Adapter Feels Hot:**
 - It is normal for the adapter to feel warm during operation. However, if it becomes excessively hot, disconnect it immediately.
 - Ensure there is proper ventilation around the adapter and it is not covered.
- **Intermittent Power:**
 - Check for any damage to the cables or connectors. Replace if necessary.
 - Ensure the power outlet provides a stable power supply.

SPECIFICATIONS

Brand	Kircuit
-------	---------

Model	UG69PD25 (Compatible with WL-UG69PD25, WL-UG69PD25 PRO)
Input Voltage	100V-240V AC
Output Voltage	20V DC
Power Source	Corded Electric
Connector Type	Barrel Plug
Special Feature	100% Brand New, High Quality AC/DC Power Charger (non-OEM)
Color	Black

WARRANTY AND SUPPORT

This Kircuit AC/DC Adapter comes with a 24-month warranty, ensuring peace of mind regarding its quality and performance. For any technical assistance, troubleshooting beyond the scope of this manual, or warranty claims, please contact the manufacturer directly. Refer to the product packaging or the manufacturer's official website for the most up-to-date contact information and support resources.
