boAt Airdopes 311 Pro Truly Wireless Earbuds User Manual

Model: Airdopes 311 Pro

1. INTRODUCTION

Thank you for choosing the boAt Airdopes 311 Pro Truly Wireless Earbuds. This manual provides essential information for setting up, operating, and maintaining your earbuds to ensure optimal performance and longevity. Please read this manual carefully before using the product.

2. PACKAGE CONTENTS

- boAt Airdopes 311 Pro Earbuds (Left and Right)
- Charging Case
- USB Type-C Charging Cable
- Additional Ear Cushions (S, M, L sizes)
- User Manual

3. PRODUCT OVERVIEW

The boAt Airdopes 311 Pro features a compact design with advanced audio technology for a superior listening experience.

Figure 3.1: boAt Airdopes 311 Pro Earbuds and Charging Case.

This image displays the boAt Airdopes 311 Pro earbuds in their charging case. The earbuds are a soft lavender color, matching the base of the charging case. The case features a transparent lid, allowing visibility of the earbuds inside. A small LED indicator is visible on the front of the case, and the boAt logo is prominently displayed on the case lid.

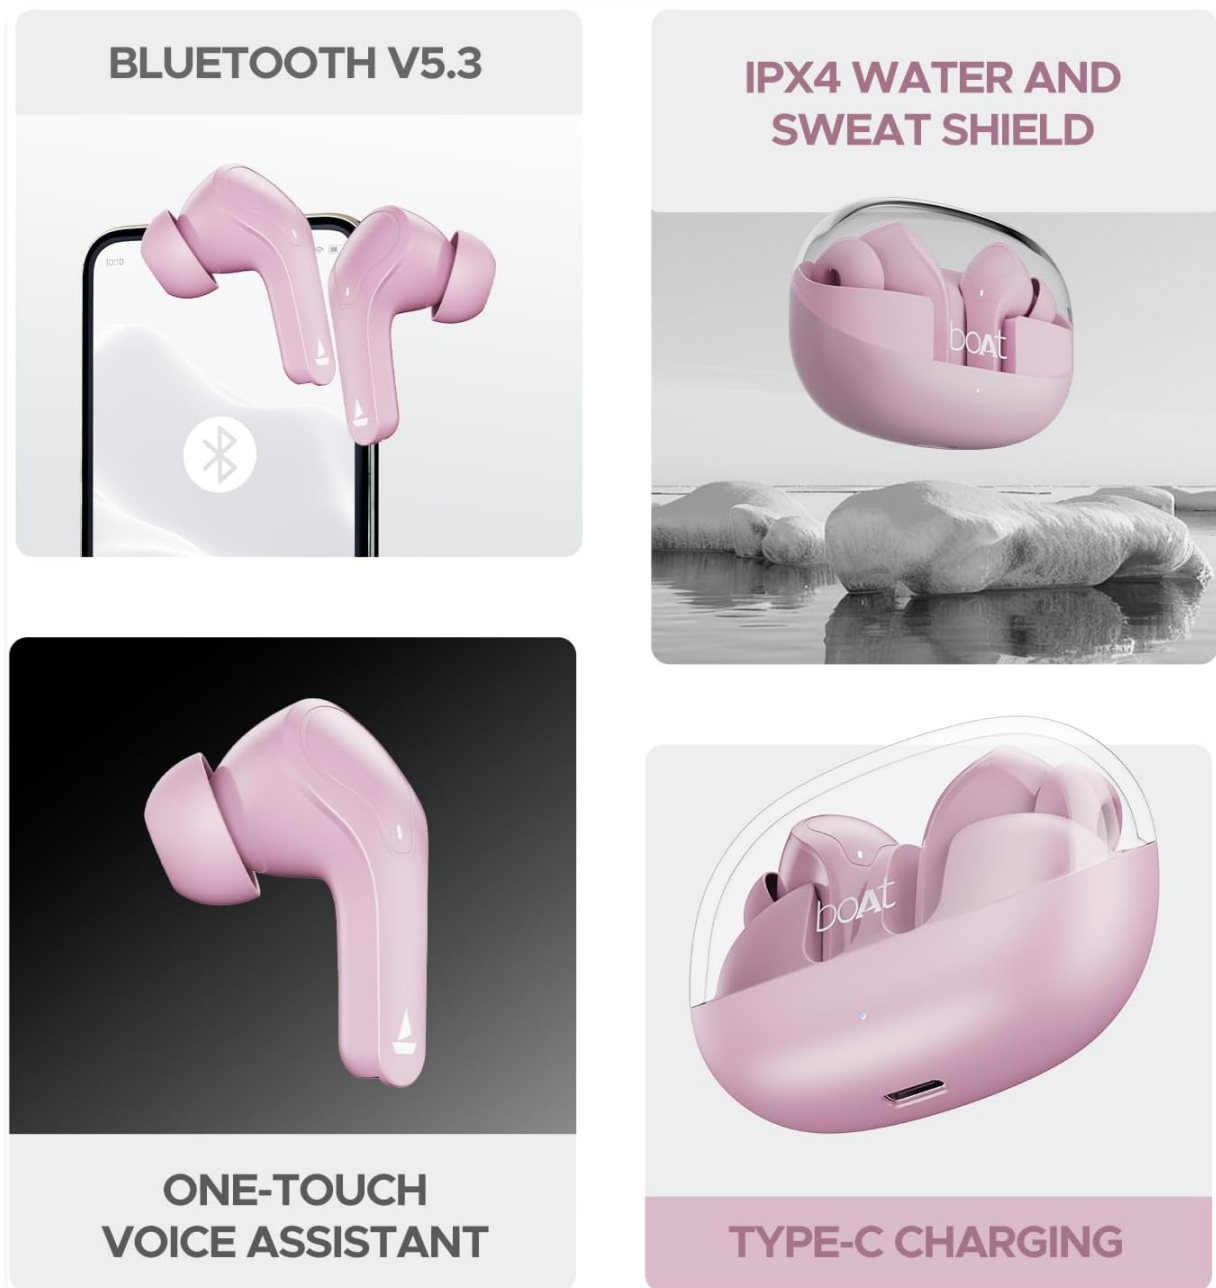

Figure 3.2: Transparent Minimalistic Design.

This image highlights the transparent and minimalistic design of the boAt Airdopes 311 Pro charging case. The lavender-colored earbuds are visible through the clear lid, nestled securely in their matching base. The design emphasizes a clean and modern aesthetic.

4. SETUP

4.1 Charging the Earbuds and Case

Before first use, fully charge the earbuds and charging case. Use the provided USB Type-C cable to connect the charging case to a power source.

- Place the earbuds into the charging case.
- Connect the Type-C cable to the charging port on the case and a USB power adapter.
- The LED indicator on the case will show charging status.
- ASAP Charging: A 10-minute charge provides approximately 150 minutes of playtime.
- A full charge provides up to 50 hours of total playtime with the charging case.

boAt Signature Sound

Figure 4.1: Type-C Charging Port.

This image shows a close-up of the boAt Airdopes 311 Pro charging case, highlighting the Type-C charging port located at the bottom. The port is designed for convenient and fast charging of the device.

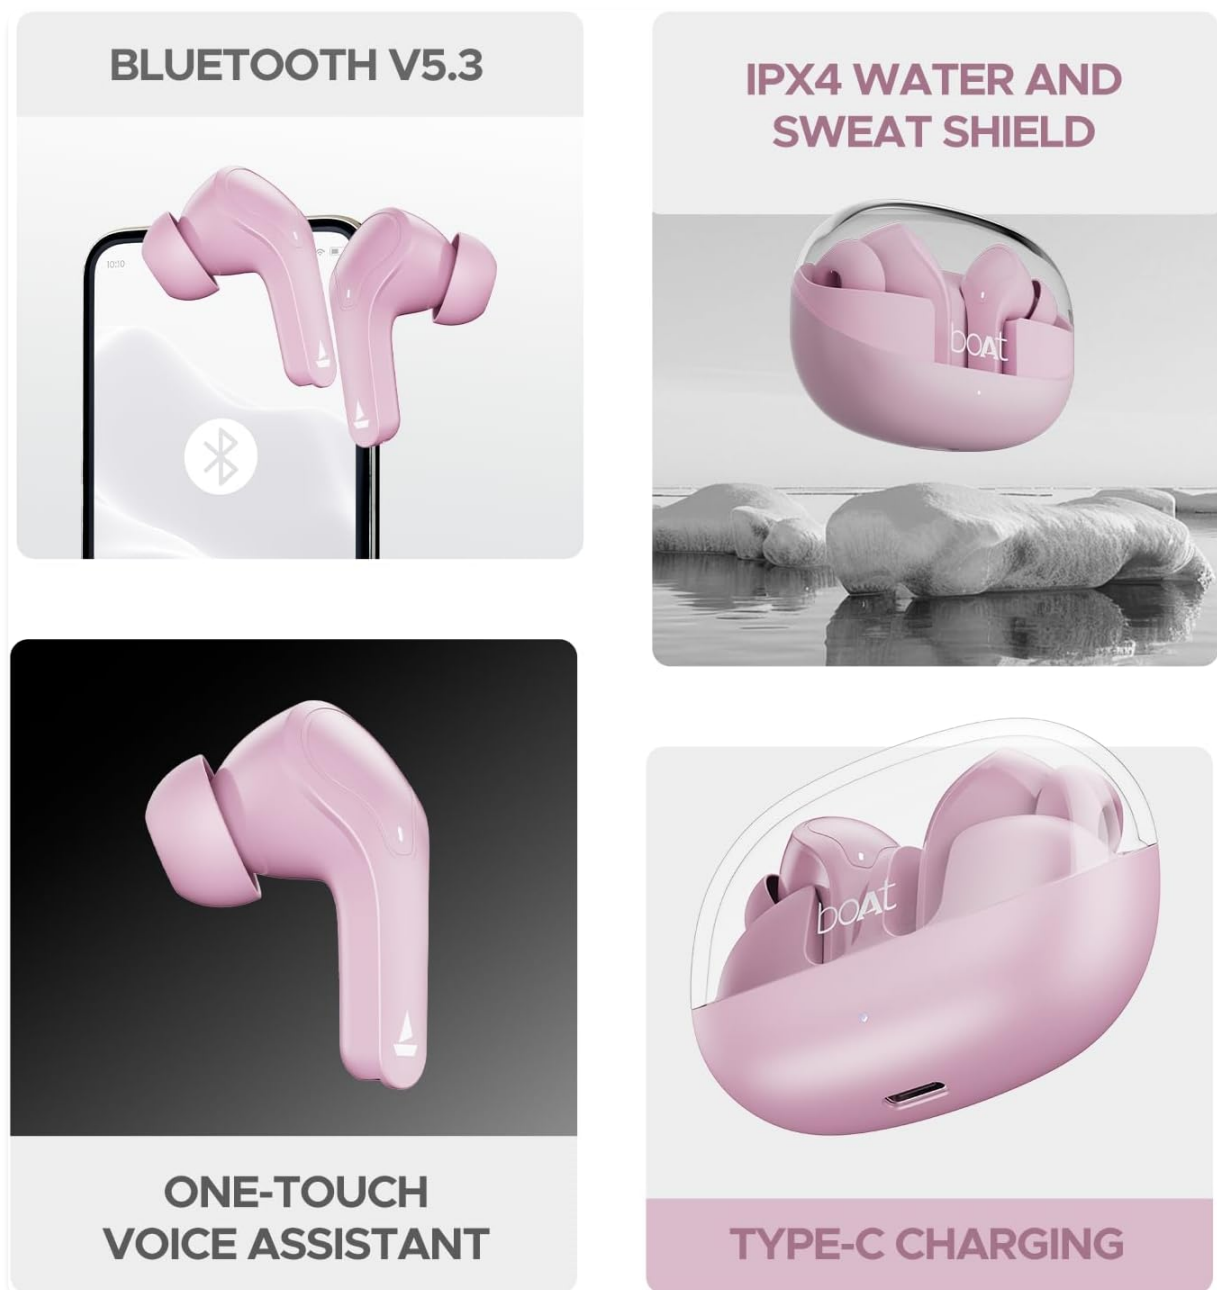

Figure 4.2: Playtime and ASAP Charging.

This graphic illustrates the impressive battery life of the boAt Airdopes 311 Pro, boasting up to 50 hours of total playback. It also highlights the ASAP Charging feature, indicating that a mere 10 minutes of charge can provide 150 minutes of playtime, emphasizing quick power-up capabilities.

4.2 Pairing with Your Device

The earbuds utilize Bluetooth v5.3 for stable and efficient wireless connectivity.

1. Open the charging case. The earbuds will automatically enter pairing mode.
2. On your smartphone or Bluetooth-enabled device, go to Bluetooth settings.
3. Search for available devices and select "boAt Airdopes 311 Pro".
4. Once connected, you will hear an audio prompt, and the LED indicator on the earbuds will change.

Figure 4.3: Bluetooth v5.3 Connectivity.

This image depicts a smartphone screen displaying the Bluetooth v5.3 connection. The boAt Airdopes 311 Pro earbuds are shown connected to the device, illustrating the seamless wireless pairing process.

5. OPERATING INSTRUCTIONS

5.1 Touch Controls

The boAt Airdopes 311 Pro features intuitive touch controls on each earbud for managing calls, music, and voice assistant functions.

- **Play/Pause:** Single tap on either earbud.
- **Next Track:** Double tap on the right earbud.
- **Previous Track:** Double tap on the left earbud.
- **Answer/End Call:** Single tap on either earbud.
- **Reject Call:** Long press on either earbud.
- **Activate Voice Assistant:** Triple tap on either earbud.

Transparent Minimalistic Design

Figure 5.1: One-Touch Voice Assistant.

This image shows a single boAt Airdopes 311 Pro earbud, highlighting its capability for one-touch voice assistant activation. The design of the earbud is sleek and ergonomic, indicating ease of use for touch controls.

5.2 Call Management with Dual Mics

The earbuds are equipped with Dual Mics featuring ENx™ Technology for clear voice calls, reducing environmental noise.

Figure 5.2: Dual Mics with ENx™ Technology.

This detailed diagram provides an internal view of a boAt Airdopes 311 Pro earbud, specifically illustrating the placement and function of the Dual Mics with ENx™ Technology. This technology is designed to enhance call clarity by filtering out ambient noise, ensuring clear voice transmission during conversations.

5.3 Low-Latency Beast Mode

Activate Beast Mode for a low-latency experience (50ms), ideal for gaming and video streaming where audio-visual synchronization is critical.

- Refer to the full user manual (available via the boAt Hearables App) for specific activation instructions for Beast Mode.

6. MAINTENANCE

Proper maintenance ensures the longevity and performance of your earbuds.

6.1 Cleaning

- Gently wipe the earbuds and charging case with a soft, dry, lint-free cloth.
- Do not use harsh chemicals or abrasive materials.

- Remove ear cushions and clean them separately with mild soap and water if necessary, ensuring they are completely dry before reattaching.

6.2 Water Resistance

The earbuds are rated IPX4, providing resistance against water splashes and sweat. They are not designed for submersion in water.

- Avoid exposing the earbuds to heavy rain or direct water jets.
- Do not wear them while swimming or showering.
- If they get wet, wipe them dry immediately before placing them back in the charging case.

Figure 6.1: IPX4 Water and Sweat Shield.

This image visually represents the IPX4 water and sweat resistance of the boAt Airdopes 311 Pro earbuds and charging case. The product is shown in an environment with water splashes, indicating its ability to withstand sweat and light water exposure, making it suitable for workouts and outdoor activities.

7. TROUBLESHOOTING

If you encounter issues with your boAt Airdopes 311 Pro, try the following solutions:

- **No Sound:** Ensure earbuds are charged and properly paired. Check device volume.

- **Cannot Pair:** Ensure Bluetooth is enabled on your device. Place earbuds back in case, close, then reopen to re-enter pairing mode. Forget previous pairings on your device.
- **One Earbud Not Working:** Place both earbuds back in the case, close the lid, wait a few seconds, then open again. This often re-syncs them.
- **Charging Issues:** Ensure the charging cable is securely connected and the power source is active. Clean charging contacts on earbuds and case.
- **Poor Call Quality:** Ensure earbuds are clean and positioned correctly. Check for strong Bluetooth signal.

8. SPECIFICATIONS

Model Name	Airdopes 311 Pro
Connectivity Technology	Bluetooth
Wireless Communication Technology	Bluetooth
Bluetooth Version	5.3
Audio Latency	50 Milliseconds (Beast Mode)
Water Resistance Level	IPX4 (Water Resistant)
