HONLANCH MP8005

Instruction Manual

HONLANCH ANIMAL LOVE HEART RABBIT MICRO BUILDING BLOCKS SET

Model: MP8005

1. Introduction

This manual provides detailed instructions for assembling the HONLANCH Animal Love Heart Rabbit Micro Building Blocks Set, model MP8005. This set consists of approximately 8000 micro building blocks designed to create a detailed rabbit figure, standing approximately 55cm (21.6 inches) high. Please read all instructions carefully before beginning assembly.

2. Safety Information

- **Choking Hazard:** This product contains small parts and is not suitable for children under 3 years of age. Adult supervision is recommended for children aged 8 and up.
- Keep all packaging materials away from children to prevent suffocation.
- Do not ingest any parts of the building block set.

3. Package Contents

Verify that all components are present before starting assembly:

- Approximately 8000 Micro Building Blocks (various colors and shapes)
- Detailed Step-by-Step Instruction Manual (this document)

4. Setup

1. **Unpack Components:** Carefully remove all bags of building blocks and the instruction manual from the packaging.
2. **Prepare Workspace:** Choose a clean, flat, and well-lit surface for assembly. Ensure sufficient space to spread out the blocks and follow the instructions.
3. **Organize Blocks:** It is highly recommended to sort the micro blocks by color and/or shape before beginning. This will significantly aid in the assembly process.

5. Assembly Instructions

Follow the detailed, colorful, step-by-step instructions provided in the accompanying manual. Due to the micro size of the blocks, precision and patience are key.

- **Step-by-Step Guidance:** Each step in the instruction manual will illustrate which blocks to use and where to place them. Pay close attention to the block type and orientation.
- **Layered Construction:** The model is built layer by layer. Ensure each layer is firmly pressed down to secure the connection between blocks.
- **Sectional Assembly:** For larger or more complex sections, it may be beneficial to assemble smaller sub-sections first and then combine them. This can improve stability during construction.
- **Applying Pressure:** When attaching blocks, apply even and firm pressure. Avoid excessive force, which could damage the blocks or the structure.

6. Maintenance

- **Cleaning:** To clean the assembled model, gently wipe it with a soft, dry cloth. For stubborn dust, a slightly damp cloth can be used, followed by immediate drying. Avoid harsh chemicals or abrasive cleaners.
- **Storage:** Store the assembled model in a stable location away from direct sunlight and extreme temperatures to prevent discoloration or material degradation.

7. Troubleshooting

- **Problem:** Pieces do not snap together tightly.
Solution: Ensure blocks are correctly aligned and apply firm, even pressure. If a section feels loose, disassemble the immediate area and re-attach the blocks carefully. Sometimes, assembling larger sections separately and then combining them can help maintain structural integrity.
- **Problem:** Missing a specific block.
Solution: Double-check all packaging and sorting areas. If a piece is genuinely missing, please contact HONLANCH customer support for assistance.
- **Problem:** Difficulty understanding a step in the instructions.

Solution: Review the diagram for that step carefully. Look for visual cues regarding block orientation and placement. Sometimes, looking ahead to the next few steps can provide context.

8. Specifications

Feature	Detail
Product Dimensions	7.8 x 8.6 x 21.6 inches (20 x 22 x 55 cm)
Item Weight	3.87 pounds
Item Model Number	MP8005
Manufacturer Recommended Age	8 years and up
Manufacturer	HONLANCH
Number of Pieces	Approximately 8000

9. Warranty and Support
