VECELO Kids Twin bed Frame

VECELO Kids Twin Bed Frame with Upholstered Headboard Instruction Manual

Model: Kids Twin bed Frame

INTRODUCTION

This manual provides detailed instructions for the assembly, operation, and maintenance of your VECELO Kids Twin Bed Frame with Upholstered Headboard. Please read all instructions carefully before assembly and retain this manual for future reference.

SAFETY INFORMATION

- Do not exceed the maximum weight limit of 650 lbs.
- Be cautious of the low height to prevent tripping.
- Follow assembly instructions carefully to ensure stability.
- Ensure all bolts and screws are tightened securely before use.
- Regularly check all connections to ensure they remain tight.
- Keep small parts away from children during assembly to prevent choking hazards.
- The upholstered headboard and frame are designed with soft padding to minimize injury from bumps.

PARTS LIST

Before beginning assembly, ensure all parts listed below are present and undamaged. If any parts are missing or damaged, please contact customer support.

Part	Description	Quantity
Headboard	Upholstered headboard with rabbit ears design	1
Side Rails	Upholstered side rails	2
Footboard	Upholstered footboard	1
Center Support Bar	Metal center support bar	1
Support Legs	Metal support legs for center bar	2
Wooden Slats	Wooden slats for mattress support	12
Hardware Pack	All necessary bolts, screws, and tools	1

Note: The exact number of small hardware pieces (bolts, washers, etc.) can be found in the included accessory bag.

SETUP (ASSEMBLY INSTRUCTIONS)

Assembly is required. It is recommended to have two people for easier and safer assembly. Please follow the steps below:

Step 1: Attach Headboard Legs

Attach the support legs to the upholstered headboard. Ensure they are securely fastened.

TWIN SIZE

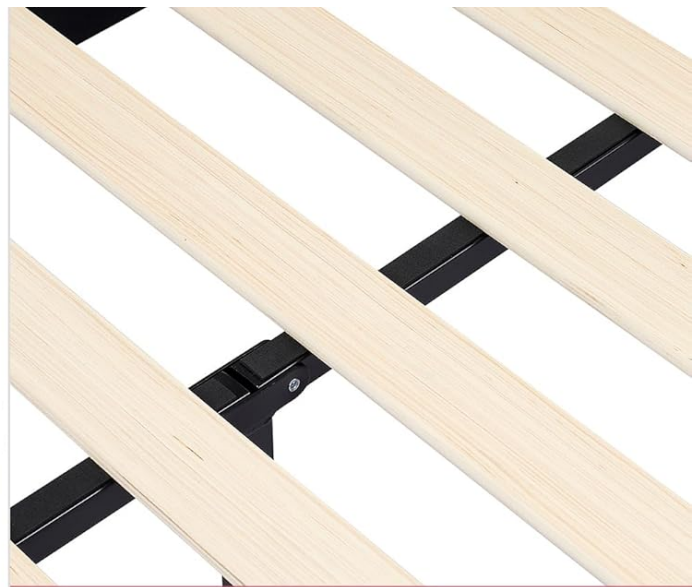

Image: Headboard with attached legs and overall dimensions (77.55"L x 39.37"W x 61.41"H, footboard height 9.92", ground clearance 3.93").

Step 2: Assemble Side Rails and Footboard

Connect the side rails to the headboard and footboard using the provided hardware. Ensure all connections are tight.

Strong Metal Structure

Step 3: Install Center Support Bar and Legs

Attach the metal center support bar and its legs to the bed frame. This provides crucial support for the mattress.

Step 4: Place Wooden Slats

Lay the wooden slats across the bed frame. Ensure they are evenly spaced and secured, often with velcro or pre-drilled holes, to provide a stable base for your mattress.

OPERATING INSTRUCTIONS

Mattress Placement

This bed frame is designed for a twin-sized mattress. No box spring is needed as the 12 wooden slats provide ample support. We recommend a mattress thickness of 8-12 inches for optimal comfort and aesthetic fit with the headboard.

Weight Capacity

The bed frame has a maximum load capacity of 650 lbs. Do not exceed this limit to ensure the longevity and safety of the product.

Low Height Design

The low-to-the-ground design (footboard height: 9.92 inches, ground clearance: 3.93 inches) is ideal for young children, making it easy for them to get in and out of bed independently.

MAINTENANCE

Cleaning the Upholstery

For general cleaning, gently vacuum the velvet upholstery to remove dust and debris. For spills, blot immediately with a clean, dry cloth. For tougher stains, use a mild fabric cleaner and test on an inconspicuous area first. Avoid harsh chemicals or abrasive cleaners.

Frame Care

Wipe the metal and wood components with a damp cloth as needed. Avoid excessive moisture. Periodically check all bolts and screws and tighten them if they have loosened over time to maintain the bed's stability.

TROUBLESHOOTING

- **Squeaking Noises:** If the bed makes squeaking noises, check all connection points (bolts, screws, and slat attachments). Tighten any loose hardware. Ensure the mattress is properly seated on the slats.
- **Instability:** If the bed feels unstable, re-check all assembly steps, ensuring all components are correctly aligned and securely fastened. Verify that the center support legs are making firm contact with the floor.
- **Damaged Parts:** If any part arrives damaged or becomes damaged during assembly or use, please contact VECELO customer support for assistance. Do not attempt to use damaged parts.

SPECIFICATIONS

Feature	Detail
Size	Twin
Color	Light Pink
Material	Velvet, Metal, Wood
Product Dimensions (L x W x H)	77.55" x 39.37" x 61.41"
