CUTEROOM QT085-US

CUTEROOM Miniature House Kit (Moon Magic) Instruction Manual

1. INTRODUCTION

This manual provides detailed instructions for assembling and maintaining your CUTEROOM Miniature House Kit, model QT085-US, also known as the "Moon Magic" style. This DIY kit allows you to construct a detailed miniature dollhouse, which serves as both a crafting project and a decorative item. The assembly process involves various components made from wood, paper, and cloth, and includes LED lighting for an enhanced display.

2. SAFETY INFORMATION

- This product is suitable for individuals aged 14 years and above.
- The kit contains small parts which may pose a choking hazard. Keep out of reach of young children.
- Exercise caution when using sharp tools such as scissors or craft knives during assembly.
- Ensure proper ventilation if using adhesives or paints.
- Batteries for LED lights are not included. Use appropriate battery types as specified in the detailed assembly guide.

3. WHAT'S IN THE BOX

Your CUTEROOM Miniature House Kit includes all necessary components for assembly, typically consisting of:

- Pre-cut wooden pieces for structural elements and furniture.

- Various paper and fabric materials for decorations, wallpaper, and soft furnishings.
- Small accessories and embellishments.
- LED light components and wiring.
- A dust cover to protect the finished model.
- Detailed English instruction manual with illustrative pictures.

Please verify all parts against the provided checklist in your kit's instruction manual before beginning assembly.

4. SETUP AND ASSEMBLY INSTRUCTIONS

Assembling the Moon Magic Miniature House Kit requires patience and attention to detail. The estimated assembly time is 10-15 hours. Follow the step-by-step instructions provided in your kit's manual carefully.

4.1. Preparation

- **Unpack and Organize:** Carefully unpack all components. Sort them by type or according to the numbering in the

instruction manual.

- **Gather Tools:** You will need common crafting tools such as scissors, tweezers, a ruler, and suitable adhesive (not included).
- **Review Instructions:** Read through the entire instruction manual once before starting to familiarize yourself with the process.

4.2. Assembly Steps

1. **Component Identification:** Match each piece to the diagrams in the manual.
2. **Cutting and Shaping:** Carefully cut out paper and fabric pieces as instructed.
3. **Gluing:** Apply adhesive sparingly and precisely to join wooden and other components. Allow sufficient drying time for each glued section before proceeding.
4. **Painting/Decorating:** Some parts may require painting or additional decoration as per the manual.
5. **Wiring LED Lights:** Follow the specific diagrams for wiring the LED lights. Ensure all connections are secure.
6. **Final Assembly:** Combine all sub-assemblies to form the complete miniature house.
7. **Dust Cover Installation:** Attach the dust cover as the final step to protect your creation.

5. OPERATING (LED LIGHTS)

The Moon Magic Miniature House Kit includes LED lights to illuminate your finished creation. To operate the lights:

- **Battery Installation:** Insert the required batteries (typically AAA, not included) into the designated battery box. Ensure correct polarity.
- **Power Switch:** Locate the small power switch, usually on the battery box or base of the model, and toggle it to the "ON" position to activate the lights.
- **Battery Replacement:** If the lights dim or stop working, replace the batteries.

6. MAINTENANCE

To ensure the longevity and appearance of your miniature house kit:

- **Cleaning:** Gently dust the model with a soft, dry brush or cloth. Avoid using water or chemical cleaners, as they may damage the materials.
- **Storage:** Store the finished model in a cool, dry place away from direct sunlight and excessive humidity to prevent fading or warping of materials.
- **Handling:** Handle the model with care to avoid dislodging small components.

7. TROUBLESHOOTING

- **Missing Parts:** If you find any parts missing upon unboxing, please refer to the contact information in the Support section to reach out to CUTEROOM customer service.
- **LED Lights Not Working:**
 - Check if batteries are inserted correctly with the right polarity.
 - Ensure batteries are fresh and not depleted.
 - Verify all wiring connections are secure and not loose.
 - Confirm the power switch is in the "ON" position.
- **Difficulty with Assembly:** Review the instruction manual's diagrams and text carefully. Sometimes, a small detail can be overlooked. Ensure you are using the correct adhesive for each material.
