Mexin 31 INCH

Mexin Folding Bed with Mattress User Manual

Model: 31 INCH

PRODUCT OVERVIEW

The Mexin Folding Bed with Mattress is designed to provide a comfortable and space-saving sleeping solution for adults and guests. This portable roll-away bed features a sturdy steel frame and a luxurious 5-inch thick memory foam mattress, ensuring a restful sleep experience. Its foldable design and integrated wheels allow for easy storage and mobility.

Image: The Mexin Folding Bed shown in its compact, folded position, accompanied by its protective dust cover. This illustrates its space-saving design.

Ultra Comfortable Sleeping Experience

Image: Detailed dimensions of the Mexin Folding Bed, displaying its measurements when fully unfolded (75"L x 31.5"W x 17.3"H) and when compactly folded (12.8" thick, 31" wide, 45.2" high). This helps users understand the bed's footprint in both states.

SETUP INSTRUCTIONS

The Mexin Folding Bed is designed for quick and easy assembly. Follow these steps to set up your bed:

- 1. Unpack Components:** Carefully remove all components from the packaging. Ensure all parts listed in the included manual are present.
- 2. Unfold the Frame:** Place the folded bed on a flat, stable surface. Release any securing buckles or straps. Gently pull the two halves of the bed frame apart until it fully extends into the flat position.
- 3. Secure the Frame:** Ensure all locking mechanisms are engaged to secure the frame in its open, flat position. The frame should be stable and not wobble.
- 4. Position the Mattress:** The 5-inch memory foam mattress is designed to fit perfectly on the frame. Ensure it is properly aligned.

5. **Allow Mattress to Expand:** If the mattress was compressed for shipping, allow it to fully expand in a well-ventilated room for a few hours before first use. A slight odor may be present initially, which is normal and will dissipate.

Image: A visual guide demonstrating the simple steps for both setting up and folding the bed for storage. It shows releasing buckles, using the metal hook closing strap, and easily pushing the bed for storage.

OPERATING INSTRUCTIONS

Using the Bed

Once set up, the Mexin Folding Bed provides a comfortable sleeping surface. The sturdy metal frame and memory foam mattress are designed for optimal support.

Image: The Mexin Folding Bed fully extended and prepared for use, positioned in a well-lit room, demonstrating its appearance as a functional bed.

Folding and Storage

To fold the bed for storage, reverse the setup process:

1. **Clear the Bed:** Remove any bedding, pillows, or other items from the mattress.
2. **Initiate Fold:** Gently lift the middle section of the bed frame, allowing the two halves to fold inward.
3. **Secure in Folded Position:** Once folded, use the integrated metal hook closing strap or any buckles to secure the bed in its compact form.
4. **Utilize Dust Proof Cover:** Place the provided dust proof cover over the folded bed to protect it from dust and dirt during storage.
5. **Move for Storage:** The bed is equipped with 4 smooth flexible 360° swivel wheels, allowing it to be easily moved and stored in a small space, such as a closet or corner.

Image: The Mexin Folding Bed standing upright in its folded configuration within a room, highlighting its minimal footprint when stored.

MAINTENANCE

Proper maintenance ensures the longevity and performance of your Mexin Folding Bed.

- **Cleaning the Frame:** Wipe the steel frame with a dry cloth to remove dust and debris. Avoid using harsh chemicals or abrasive cleaners.
- **Mattress Care:** The memory foam mattress should not be washed. For spills or stains, spot clean gently with a damp cloth and mild detergent, then allow to air dry completely. Ensure the mattress is fully dry before folding or covering.
- **Ventilation:** Periodically air out the mattress, especially after initial unpacking, to dissipate any new product odors.

- **Dust Proof Cover:** Always use the provided dust proof cover when the bed is folded and stored to protect the mattress and frame from dust and contamination.
- **Wheel Inspection:** Regularly check the 360° swivel wheels for any debris or obstructions that might hinder smooth movement. Clean as necessary.

STABLE AND ROBUST DESIGN

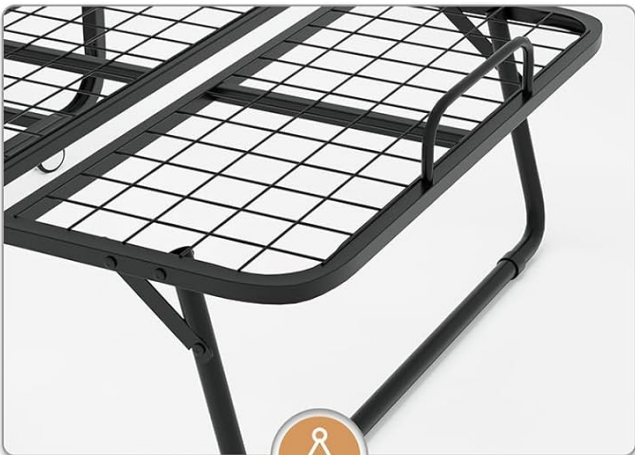

Dust Proof Cover

Keeping mattresses free from contamination

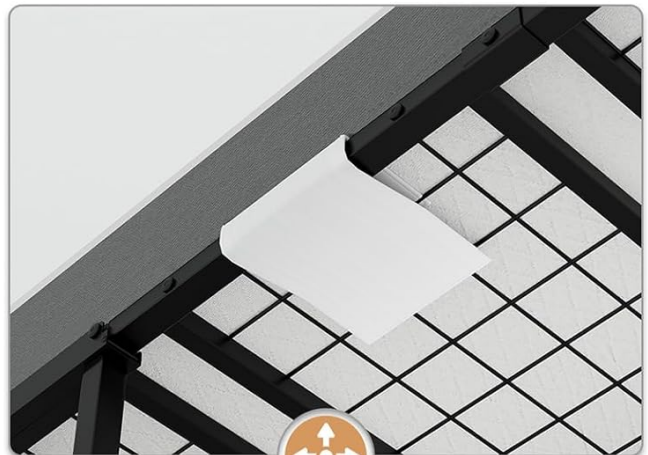

Lock Casters

Stable without sliding

Strong Metal Frame

Wire lattice base, none of sagging

Velcro Straps

Keep the mattress not to move

TROUBLESHOOTING

If you encounter any issues with your Mexin Folding Bed, please refer to the following common solutions:

Problem	Possible Cause / Solution
---------	---------------------------

Problem	Possible Cause / Solution
Bed feels unstable or wobbly when unfolded.	Ensure the bed is fully extended and all locking mechanisms are securely engaged. Check that the bed is placed on a flat, even surface.
Difficulty folding or unfolding the bed.	Verify that no objects are obstructing the folding mechanism. Apply gentle, even pressure. Refer to the setup/folding instructions.
Mattress has a slight odor.	This is normal for new memory foam mattresses. Place the mattress in a well-ventilated room for 24-48 hours to allow the odor to dissipate.
Wheels are not rolling smoothly.	Check for hair, lint, or other debris caught in the wheels. Clean the wheels as needed. Ensure the lock casters are disengaged if you intend to move the bed.

Important Safety Information: Do not exceed the maximum weight capacity of 450 lbs. Use caution when folding or unfolding the bed to avoid pinch points. Ensure the bed is fully extended and locked in place before use.

If the problem persists or you have other concerns, please contact customer service.

SPECIFICATIONS

Feature	Detail
Brand	Mexin
Model	31 INCH
