TOPTECH BRAZE-6-BK

BRAZE-6 Portable Bluetooth Speaker User Manual

Model: BRAZE-6-BK | Brand: TOPTECH

1. INTRODUCTION

The TOPTECH BRAZE-6 is a portable wireless Bluetooth speaker system designed to deliver powerful sound with an integrated LED light show. Featuring dual 3-inch woofers, this rechargeable speaker is suitable for various indoor and outdoor settings, including parties, gatherings, and personal listening.

It supports multiple audio input sources, including Bluetooth, USB, TF card, FM radio, and AUX, and offers True Wireless Stereo (TWS) functionality for enhanced audio experience. The built-in rechargeable battery provides extended standby time, ensuring your music accompanies you for longer durations.

2. PACKAGE CONTENTS

Please verify that all items listed below are included in your package:

- BRAZE-6 Portable Bluetooth Speaker
- Remote Control
- Wired Microphone
- Power Adapter
- User Manual (this document)
- Warranty Card

3. PRODUCT OVERVIEW

Familiarize yourself with the main components and controls of your BRAZE-6 speaker.

Image 3.1: Side view of the BRAZE-6 speaker, highlighting the top-mounted control buttons.

Control Panel (Top)

- **Power Button:** Turns the speaker On/Off.
- **Mode Button:** Switches between Bluetooth, FM Radio, AUX, USB, and TF card modes.
- **Play/Pause Button:** Plays or pauses audio playback.
- **Previous/Next Track Buttons:** Navigates through tracks or FM radio stations.
- **Volume Control:** Adjusts the master volume.
- **LED Light Button:** Activates or changes the LED light patterns.

Input Ports (Rear/Side)

- **USB Port:** For USB flash drives.
- **TF Card Slot:** For TF (MicroSD) cards.
- **AUX Input:** For connecting external audio devices via a 3.5mm audio cable.
- **Microphone Input:** For connecting the wired microphone.
- **DC 5V Input:** For charging the speaker.

4. GETTING STARTED

4.1 Charging the Speaker

Before first use, fully charge the speaker for optimal battery life.

1. Connect the provided power adapter to the DC 5V input port on the speaker.
2. Plug the adapter into a standard wall outlet.
3. The charging indicator light will illuminate (color may vary) to show charging is in progress.
4. Once fully charged, the indicator light will change or turn off. Disconnect the adapter.

Note: The speaker can be used while charging, but it is recommended to fully charge it before initial use.

4.2 Powering On/Off

- To power on, press and hold the **Power Button** until the speaker activates and you hear an audible prompt.
- To power off, press and hold the **Power Button** again until the speaker shuts down.

5. OPERATING INSTRUCTIONS

5.1 Bluetooth Connectivity

Pair your BRAZE-6 speaker with a Bluetooth-enabled device (e.g., smartphone, tablet, computer).

1. Ensure the speaker is powered on and in Bluetooth mode. If not, press the **Mode Button** until you hear the "Bluetooth mode" prompt. The LED lights may flash to indicate pairing mode.
2. On your device, enable Bluetooth and search for available devices.
3. Select "BRAZE-6" from the list of found devices.
4. Once paired, you will hear a confirmation sound, and the LED lights may change their pattern.

Bluetooth connect music

Image 5.1: Illustration of Bluetooth pairing process with a smartphone, showing the speaker's LED lights active.

Note: The speaker supports BLE agreements for stable wireless audio streaming up to 10 meters (33 feet).

5.2 Playing Audio from Various Sources

The BRAZE-6 speaker supports multiple input methods:

▶ Up to 5H standby time for outdoor

It gives you Hi-Fi sound quality for a long time.
Keep you immersed in super bass for a long time at a party or at the movies.

USB Bluetooth FM TWS AUX TF

Image 5.2: Visual representation of supported input types: USB, Bluetooth, FM Radio, TWS, AUX, and TF Card.

- **USB/TF Card:** Insert a USB flash drive or TF card into the respective port. The speaker will automatically switch to the correct mode and begin playing audio files.
- **AUX Input:** Connect an external audio device (e.g., MP3 player, laptop) to the AUX port using a 3.5mm audio cable. Press the **Mode Button** to select AUX mode.
- **FM Radio:** Press the **Mode Button** to switch to FM Radio mode. Use the Previous/Next Track buttons to scan for stations.

5.3 LED Light Show

The BRAZE-6 features dynamic multi-color LED lights that enhance your listening experience.

- Press the **LED Light Button** on the control panel to activate the light show.
- Press the button again to cycle through different light patterns or turn the lights off.

▶ Big Powerful Stereo Sound

7W*2 Woofer sound output
5.3+EDR bluetooth version

① **2500W of Blazing Power**
② **Frequency Response:90HZ~30KHZ**
③ **Built-in lighting effects**

Image 5.3: The BRAZE-6 speaker with its powerful stereo sound output and integrated lighting effects.

5.4 Wired Microphone Usage

Connect the included wired microphone for karaoke or public address functions.

- Plug the microphone cable into the dedicated Microphone Input port on the speaker.
- Adjust the microphone volume using the speaker's controls or the microphone's built-in controls if available.

5.5 True Wireless Stereo (TWS) Function

The TWS function allows you to pair two BRAZE-6 speakers together for a true stereo sound experience.

1. Ensure both BRAZE-6 speakers are powered on and in Bluetooth pairing mode (not connected to any device).
2. On one of the speakers (this will be the primary speaker), press and hold the **TWS Button** (if available, or a combination of buttons as per specific model instructions, typically the Play/Pause button).
3. The speakers will attempt to connect to each other. Once connected, you will hear a confirmation sound.
4. Now, connect your Bluetooth device to the primary speaker. Audio will play through both speakers in

stereo.

6. CARE AND MAINTENANCE

6.1 Cleaning

- Wipe the speaker's exterior with a soft, dry, or slightly damp cloth.
- Do not use abrasive cleaners, alcohol, benzene, or other volatile solvents, as they may damage the surface.
- Ensure no liquid enters the speaker's ports or openings.

6.2 Storage

- Store the speaker in a cool, dry place away from direct sunlight and extreme temperatures.
- Avoid storing in dusty or humid environments.

6.3 Battery Care

- To prolong battery life, avoid fully discharging the battery frequently.
- If the speaker will not be used for an extended period, charge it to approximately 50% every 3-6 months.
- Do not expose the battery to excessive heat, such as direct sunlight or fire.

7. TROUBLESHOOTING

If you encounter issues with your BRAZE-6 speaker, refer to the following common problems and solutions:

Problem	Possible Cause	Solution
Speaker does not power on.	Low battery; Power button not pressed correctly.	Charge the speaker; Press and hold the Power button for a few seconds.
No sound.	Volume too low; Incorrect mode selected; Device not connected properly.	Increase volume; Press Mode button to select correct input; Reconnect device.
Bluetooth pairing fails.	Speaker not in pairing mode; Device Bluetooth off; Too far from speaker.	Ensure speaker is in Bluetooth mode; Turn on device Bluetooth; Move device closer (within 10m).
LED lights not working.	LED light feature turned off.	Press the LED Light Button to activate.
Poor FM radio reception.	Weak signal; Interference.	Adjust speaker position; Extend antenna if available.
