LARMACE LM-02-B0110

LARMACE King Size Velvet Upholstered Platform Bed Frame

MODEL: LM-02-B0110 INSTRUCTION MANUAL

Welcome to Your LARMACE Bed Frame Manual

Thank you for choosing the LARMACE King Size Velvet Upholstered Platform Bed Frame. This manual provides essential information for the safe assembly, proper use, and maintenance of your new bed frame. Please read all instructions carefully before beginning assembly and retain this manual for future reference.

Important Safety Information

To ensure your safety and the longevity of your product, please observe the following:

- **Weight Capacity:** Do not load more than 900 pounds on the bed frame. Exceeding this limit may cause damage or injury.
- **Assembly:** Always follow the assembly instructions carefully. Incorrect assembly can lead to instability or collapse. It is recommended that two people assemble the bed frame.
- **Sharp Edges:** Be careful around sharp edges during assembly and use to prevent injury.
- **Maintenance:** Regularly check all bolts and connections to ensure they remain tight. Loose connections can compromise stability.
- **Children:** Keep children away from the assembly area. Small parts can be a choking hazard.

Product Overview

The LARMACE King Size Velvet Upholstered Platform Bed Frame features a sophisticated design with a high wingback headboard and a deep button-tufted footboard. Constructed with a sturdy steel frame and solid wood slats, it offers reliable support for your mattress without the need for a box spring. The velvet upholstery provides a luxurious feel, while thoughtful design elements ensure a quiet and comfortable sleeping environment.

Key Features:

- **High Wingback Headboard:** A 51-inch tall headboard with wide wingbacks, deep button tufting, and hand-riveted accents for maximum comfort and support.
- **Luxurious Velvet Upholstery:** Soft and elegant velvet fabric wrapped around the entire frame, combining classical elements with modern simplicity.
- **Quiet & Noise-Free Design:** Equipped with Velcro strips and EVA sound-quieting strips to prevent friction and eliminate squeaks, ensuring a peaceful sleep.
- **Strong and Sturdy Construction:** Steel frame with evenly spaced solid wood slats and metal leg supports for robust mattress support and extended mattress life. Supports up to 900 pounds.
- **Easy Assembly:** Conveniently packaged with labeled parts and tools, designed for assembly by two people in approximately 30 minutes.

Package Contents

Please ensure all the following components are present before beginning assembly:

- Headboard
- Tufted Footboard
- Side Rails (Velvet Upholstered)
- Metal Bed Frame Components
- Wood Slats with Velcro
- Support Legs
- Hardware Pack (Bolts, Washers, Allen Wrench)
- Installation Manual

Assembly Instructions

Follow these steps carefully to assemble your LARMACE bed frame. It is recommended to have two people for assembly.

Assembly Video Guide:

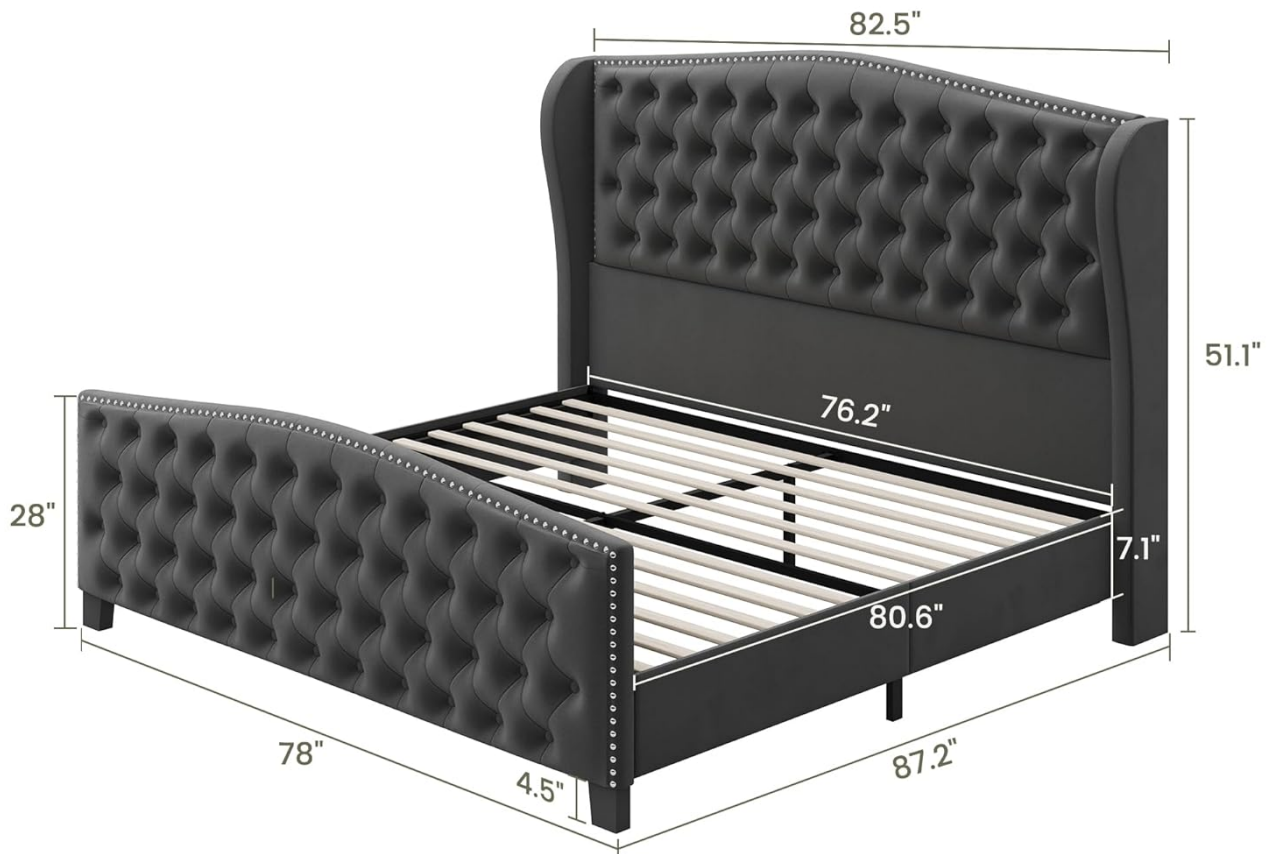

Video: Queen/King Chenille Upholstered Bed Frame Installation Video. This video demonstrates the step-by-step assembly process.

General Assembly Steps:

1. **Unpack Components:** Carefully unpack all parts and hardware. Lay them out on a soft, clean surface to prevent scratches. Verify all components are present against the package contents list.
2. **Attach Headboard Legs:** Secure the headboard support legs to the main headboard panel using the provided hardware.
3. **Assemble Side Rails:** Connect the upholstered side rails to the headboard and footboard using the designated brackets and bolts. Ensure all connections are snug but do not overtighten until the frame is fully assembled.

4. **Install Center Support Beam:** Assemble the metal center support beam and attach it to the headboard and footboard. Ensure the support legs are securely fastened to the beam.
5. **Place Wood Slats:** Roll out the wooden slats across the bed frame. The slats are equipped with Velcro for easy attachment and to prevent mattress movement. Press firmly to secure the Velcro.
6. **Final Tightening:** Once all components are in place and aligned, fully tighten all bolts and screws.

Operating Instructions

Your LARMACE bed frame is designed for optimal comfort and ease of use.

- **Mattress Compatibility:** This platform bed frame does not require a box spring. It is designed to support your mattress directly on the wooden slats. Suggested mattress height is 8-15 inches.
- **Adjustable Base Compatibility:** The removable slats allow the platform frame to accommodate an adjustable bed base, offering versatility for your sleeping preferences.

Embedded Design

Recommend Mattress: 10"-15"

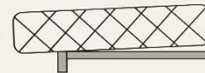

Embedded Design

No Sliding

No-Embedded Design

Easy to Slide

Removable Slats

Make the platform frame accommodate adjustable bed base

Image: Removable slats. The slats can be removed to fit an adjustable bed base.

Care and Maintenance

Proper care will help maintain the appearance and extend the life of your bed frame:

- **Upholstery Care:** The velvet upholstery should be dry cleaned only. Avoid using liquid cleaners or harsh chemicals, as these may damage the fabric.
- **Cleaning:** For general cleaning, gently vacuum the upholstery with a soft brush attachment to remove dust and debris.
- **Spills:** In case of spills, blot immediately with a clean, dry cloth. Do not rub. Consult a professional upholstery cleaner for stubborn stains.
- **Frame Inspection:** Periodically inspect all bolts and connections to ensure they are secure. Tighten any loose hardware as needed.

Troubleshooting

If you encounter any issues with your bed frame, refer to the following common solutions:

- **Squeaking Noises:** The bed frame is designed with EVA sound-quieting strips to minimize squeaks. If squeaking occurs, check all frame connections and ensure they are tightly fastened. Verify that the wooden slats are properly seated and the Velcro strips are engaged.
- **Mattress Sliding:** The embedded design and Velcro strips on the slats are intended to prevent mattress sliding. Ensure your mattress is correctly positioned within the frame and the Velcro is making proper contact.
- **Instability:** If the bed frame feels unstable, re-check all assembly steps, paying close attention to the tightening of all bolts and the correct installation of support legs.

Product Specifications

Brand	LARMACE
Model Number	LM-02-B0110
Size	King
Product Dimensions	87.2"L x 82.5"W x 51.1"H
