

Jesebang BD86

# Jesebang Bluetooth Earbuds User Manual

Model: BD86

## PRODUCT OVERVIEW

The Jesebang Bluetooth Earbuds combine elegant design with premium quality and trendy color selection. The semi-in-ear design is engineered to conform to the contours of the outer ear, reducing pressure on the ear canal and creating a lightweight, breathable fit. These earbuds offer an immersive HiFi stereo experience with advanced Bluetooth 5.4 technology, ensuring stable connection and clear audio.

## WHAT'S IN THE BOX

---

Upon opening your Jesebang Bluetooth Earbuds package, you should find the following components:

- 1 x Pair of Jesebang Bluetooth Earbuds
- 1 x Charging Case
- 1 x USB-C Charging Cable
- 1 x User Manual

### Initial Charge

Before first use, ensure both the earbuds and the charging case are fully charged. Connect the provided USB-C cable to the charging port on the case and to a compatible USB power source. The LED display on the charging case will indicate the battery level.

Image: Illustration of the earbuds' battery life, showing 6 hours on a single charge and 30 hours with the charging case.

### Bluetooth Pairing

1. Ensure your earbuds are charged.
2. Open the charging case. The earbuds will automatically power on and enter pairing mode.
3. On your device (smartphone, tablet, PC), navigate to the Bluetooth settings.
4. Search for available devices and select "**Jesebang BD86**" (or similar name) from the list.
5. Once connected, you will hear a confirmation tone, and the earbuds will be ready for use.

**One-Touch Pairing:** After the initial successful pairing, simply remove the earbuds from the charging case, and they will automatically power on and connect to the last paired device.

# Upgrade Bluetooth 5.3

Long transmission distance, Strong signal stability.  
Clear powerful sound that hasevolved by producing  
a well-balanced lowto high tone.

## OPERATING INSTRUCTIONS

### Touch Controls

The Jesebang BD86 earbuds feature intuitive touch controls for easy management of music and calls.

Action	Control
Play/Pause Music	Single tap on either earbud
Next Track	Double tap on the right earbud
Previous Track	Double tap on the left earbud

Action	Control
Answer/End Call	Single tap on either earbud
Reject Call	Press and hold either earbud for 2 seconds
Activate Voice Assistant	Triple tap on either earbud

**Call Management**

The integrated HD microphones ensure clear call quality. You can answer, end, or reject calls directly from the earbuds using the touch controls. The advanced Wind Flow technology helps reduce ambient noise during calls, even when cycling fast.

# Feel the breeze, whole without noise

Double anti-wind noise structure ensures clear call quality even when cycling fast.

**Audio Experience**

Equipped with a 14.2mm composite titanium-plated dynamic driver, these earbuds deliver high-quality sound. The digital sound enhancement engine technology restores high-frequency elements often lost in compressed music, providing a rich and detailed audio experience closer to the original recording.

# A New Acoustic Paradigm

It far exceed your hearing range — from 14 Hz to 48 kHz.

## CARE AND MAINTENANCE

---

### Cleaning

To maintain optimal performance and hygiene, regularly clean your earbuds and charging case. Use a soft, dry, lint-free cloth to wipe the surfaces. For stubborn dirt, slightly dampen the cloth with water. Avoid using abrasive materials or harsh chemicals.

### Water and Dust Resistance (IP7)

The Jesebang BD86 earbuds feature an IP7 rating, meaning they are protected against the effects of temporary immersion in water (up to 1 meter for 30 minutes). They are also dust resistant. This makes them suitable for workouts

and outdoor activities, protecting them from sweat and rain. **Note:** While water resistant, they are not designed for swimming or prolonged submersion. Ensure the charging port is dry before charging.

## IP7 Dust and Water Resistance

IP7 rating means that you can enjoy music with your BD86 in daily life.

*Image: The earbuds and charging case with water droplets, demonstrating their IP7 dust and water resistance.*

### Storage

When not in use, store the earbuds in their charging case to protect them and keep them charged. Store the device in a cool, dry place away from extreme temperatures and direct sunlight.

### TROUBLESHOOTING

---

If you encounter any issues with your Jesebang Bluetooth Earbuds, please refer to the following common solutions:

- **Earbuds not pairing/connecting:**
  - Ensure both earbuds are charged.
  - Turn off and on Bluetooth on your device.

- Forget the device ("Jesebang BD86") from your device's Bluetooth list and try pairing again.
  - Place earbuds back in the case, close the lid, wait a few seconds, then open to re-initiate pairing mode.
- **No sound or low volume:**
    - Check the volume level on both your device and the earbuds.
    - Ensure earbuds are properly seated in your ears.
    - Clean any debris from the earbud speakers.
    - Reconnect the earbuds to your device.
  - **Charging case not charging:**
    - Ensure the USB-C cable is securely connected to both the case and the power source.
    - Try a different USB-C cable or power adapter.
    - Check for any debris in the charging port.
  - **Earbuds not charging in case:**
    - Ensure the earbuds are correctly placed in their respective slots in the charging case.
    - Check that the charging pins on both the earbuds and the case are clean and free of obstruction.
    - Ensure the charging case itself has sufficient battery.
