## ROOMTEC ROOMTEC001

# ROOMTEC 2-Tier Pull Out Cabinet Organizer (Model ROOMTEC001)

Instruction Manual

## INTRODUCTION

---

This manual provides detailed instructions for the assembly, installation, operation, and maintenance of your ROOMTEC 2-Tier Pull Out Cabinet Organizer. Designed to maximize storage in narrow cabinet spaces, this organizer features adjustable shelves and a soft-close mechanism for smooth functionality. Please read this manual thoroughly before installation and use to ensure proper setup and long-lasting performance.

## PRODUCT FEATURES

---

- **2-Tier Adjustable Design:** Offers flexible height adjustment for organizing various items like canned goods, bottles, or spices.
- **Easy Access:** The pull-out mechanism allows full access to items stored at the back of your cabinet.
- **Space Optimization:** Specifically designed for narrow cabinet openings to utilize otherwise wasted space.
- **Soft-Close Functionality:** Equipped with thick steel slides for smooth, quiet operation, preventing slamming.
- **Durable Construction:** Made from wood for stability and longevity.

## PACKAGE CONTENTS

---

Please verify that all components are present before beginning assembly.

- ROOMTEC 2-Tier Pull Out Cabinet Organizer Unit (unassembled)
- Slide U-shaped bracket(s)
- Machine screws
- Installation template
- Instruction Manual

## SAFETY INFORMATION

Observe the following safety precautions to prevent injury or damage to the product:

- Ensure the cabinet organizer is securely installed according to the instructions to prevent tipping or detachment.
- Do not exceed the weight capacity of the shelves. Distribute weight evenly.
- Keep small parts and hardware away from children to prevent choking hazards.
- Use appropriate tools for installation and wear safety glasses if necessary.

## SETUP AND INSTALLATION

Before installation, ensure your cabinet meets the minimum clear dimensions:

- Minimum clear width: 11 inches
- Minimum clear depth: 23 inches
- Minimum clear height: 19.5 inches

# MINIMUM CABINET SIZE REQUIREMENT

**FRAMELESS**

**11" W x 23" D x 19.5H**

Image: A diagram illustrating the minimum width, depth, and height required inside a cabinet for proper installation of the organizer, applicable for both framed and frameless cabinets.

## Installation Steps:

1. **Assemble Storage Boxes:** Fix the four storage boxes together using the provided machine screws. Connect the bottom storage box to the front panel.
2. **Install Slide U-shaped Bracket:** Using the provided template, position and install the slide U-shaped bracket inside your cabinet. Ensure it is level and securely fastened.
3. **Mount Organizer:** Remove the template. Carefully align and install the assembled organizer unit onto the frame rails of the U-shaped bracket. Ensure it slides smoothly.

For a visual guide, please refer to the installation video below:

## OPERATION

---

To operate your ROOMTEC Pull Out Cabinet Organizer:

- **Pulling Out:** Gently pull the front panel of the organizer to slide it out of the cabinet. The soft-close slides will ensure a smooth extension.
- **Pushing In:** Push the organizer back into the cabinet. The soft-close mechanism will engage to slowly and quietly close the unit.
- **Adjusting Shelf Height:** The shelves feature multiple pre-drilled holes on the side panels, allowing you to adjust their height to accommodate items of different sizes. To adjust, remove the screws holding the shelf, reposition it to the desired height, and re-secure with screws.

## MAINTENANCE

---

To ensure the longevity and optimal performance of your cabinet organizer:

- **Cleaning:** Wipe down the wooden surfaces with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals that could damage the wood finish.
- **Slide Care:** Periodically check the slide rails for any debris. Clean with a dry cloth if necessary. Avoid lubricating the soft-close mechanism unless specifically instructed by the manufacturer.
- **Fastener Check:** Occasionally inspect all screws and fasteners to ensure they remain tight. Tighten if any looseness is detected.

## TROUBLESHOOTING

Problem	Possible Cause	Solution
Organizer feels wobbly when extended.	Uneven weight distribution; loose fasteners; heavy items.	Redistribute items to balance weight. Check and tighten all installation screws. Consider placing heavier items on the bottom tier.
Organizer does not slide smoothly.	Debris in slide rails; misaligned installation.	Clean slide rails with a dry cloth. Verify that the U-shaped bracket and organizer are installed level and parallel.
Soft-close mechanism not engaging.	Obstruction; damaged slide.	Ensure no items are blocking the closing path. Inspect slides for damage. If damaged, contact customer support.

## SPECIFICATIONS

Feature	Detail
Brand	ROOMTEC
Model Number	ROOMTEC001
Product Dimensions (D x W x H)	21.42" x 11" x 18.5"
Shelf Type	Bracket Shelf
