

## Vonztek BT782-BJ

# Vonztek Wireless Headset BT782-BJ User Manual

Model: BT782-BJ

Brand: Vonztek

## 1. INTRODUCTION

Thank you for choosing the Vonztek Wireless Headset BT782-BJ. This headset is designed to provide clear audio and comfortable wear for various communication needs, including calls, online meetings, and general audio playback. It features Bluetooth 5.0 technology for stable connectivity and a noise-cancelling microphone for enhanced call clarity.

## 2. WHAT'S IN THE BOX

The Vonztek Wireless Headset BT782-BJ package includes the following items:

- 1 x Vonztek Wireless Headset
- 1 x Type-C Charging Cable
- 1 x User Manual (this document)

## 3. SETUP AND CONNECTIVITY

---

### 3.1 Charging the Headset

Before first use, fully charge the headset. Connect the provided Type-C charging cable to the charging port on the headset and the other end to a USB power source (e.g., computer USB port, wall adapter). The charging indicator light will show charging status (refer to LED indicator section for details). A full charge takes approximately 2 hours.

### 3.2 Powering On/Off

- **Power On:** Press and hold the Multi-function button for approximately 3 seconds until the LED indicator flashes blue.
- **Power Off:** Press and hold the Multi-function button for approximately 5 seconds until the LED indicator flashes red and then turns off.

### 3.3 Bluetooth Pairing

The headset supports Bluetooth V5.0 and can connect to two devices simultaneously.

1. Ensure the headset is powered off.
2. Press and hold the Multi-function button for approximately 5-7 seconds until the LED indicator flashes red and blue alternately, indicating pairing mode.
3. On your device (smartphone, laptop, etc.), enable Bluetooth and search for available devices.
4. Select "BT782-BJ" from the list of found devices.
5. Once connected, the LED indicator will slowly flash blue.
6. To connect a second device, disable Bluetooth on the first device, put the headset back into pairing mode, and connect to the second device. Then re-enable Bluetooth on the first device; the headset should automatically reconnect to both.

**VONZTEK**

## **Multipoint Connection**

pair with Computer and  
phone simultaneously

Notes: Music only can be played from one device under two connections.  
However, you can pick up/dial calls from two devices.

Figure 3.1: Multipoint Connection allows simultaneous pairing with a computer and phone.

Figure 3.2: Headset connected to multiple devices, demonstrating wide compatibility.

## **4. OPERATING INSTRUCTIONS**

### 4.1 Controls Overview

The headset features intuitive controls for managing calls and audio playback.

Button/Function	Action	Description
Multi-function Button	Press once	Play/Pause music, Answer/End call
Multi-function Button	Press and hold (2s)	Reject call
Volume +	Press once	Increase volume
Volume -	Press once	Decrease volume
Mute Button (on mic boom)	Press once	Mute/Unmute microphone during a call

### 4.2 Microphone Usage

The headset features a 270° rotatable microphone boom, allowing it to be worn on either the left or right ear. The microphone includes ENC (Environmental Noise Cancelling) technology for clear voice transmission.

Figure 4.1: The microphone can be rotated 270 degrees for use on either ear.

## 5. MAINTENANCE

To ensure the longevity and optimal performance of your Vonztek Wireless Headset, follow these maintenance guidelines:

- **Cleaning:** Use a soft, dry cloth to clean the headset. Do not use abrasive cleaners or solvents.
- **Storage:** Store the headset in a cool, dry place away from direct sunlight and extreme temperatures.
- **Battery Care:** Avoid fully discharging the battery frequently. Charge the headset regularly, even if not in use for extended periods, to maintain battery health.
- **Avoid Moisture:** The headset is not water-resistant. Keep it away from water, rain, and excessive humidity.

## 6. TROUBLESHOOTING

If you encounter issues with your Vonztek Wireless Headset, refer to the following common problems and solutions:

Problem	Possible Solution
Headset does not power on.	Ensure the headset is charged. Connect to a power source and try again.
Cannot pair with device.	Ensure the headset is in pairing mode (flashing red/blue). Turn off and on Bluetooth on your device. Move closer to the device.
No audio or poor audio quality.	Check volume levels on both headset and device. Ensure headset is selected as the audio output device. Re-pair the headset.
Microphone not working or unclear.	Ensure microphone is not muted. Check microphone input settings on your device. Position the microphone closer to your mouth.
Intermittent connection.	Move closer to your device. Avoid obstacles between the headset and device. Reduce interference from other wireless devices.

If the issue persists, please contact Vonztek customer support.

## 7. SPECIFICATIONS

Detailed technical specifications for the Vonztek Wireless Headset BT782-BJ:

Feature	Detail
Model Name	BT782-BJ
Connectivity Technology	Bluetooth
Bluetooth Version	5.0
Bluetooth Range	Up to 10 meters (33 feet)
Battery Life (Talk Time)	Up to 26 hours
Charging Time	Approximately 2 hours
Microphone	ENC Noise Cancelling, 270° Rotatable
Audio Drivers	40mm Dynamic Drivers
