3. KEY FEATURES

- **Magnetic Folding Buckle:** The clasp is constructed from high-quality stainless steel, offering a textured finish. This design provides a secure and convenient wearing experience, automatically folding back and magnetically securing the band. It allows for quick attachment in approximately two seconds. The band length is adjustable from 5.7 inches (145mm) to 8.25 inches (210mm).
- **Skin-friendly Material:** Manufactured from food-grade silicone, this sports strap is durable, lightweight, and sweat-proof. It is designed to provide a comfortable wearing experience for extended periods.

Magnetic Folding Buckle

4. INSTALLATION GUIDE

The watch band is designed for easy and direct installation. It features watch lugs on both ends that precisely and securely lock into the smartwatch interface.

1. Align one end of the band with the watch lug slot on your smartwatch.
2. Slide the band into the slot until you hear or feel a click, indicating it is securely locked.
3. Repeat the process for the other end of the band.
4. Gently pull on both ends of the band to ensure they are firmly attached before wearing.

5. ADJUSTING THE BAND

The magnetic folding buckle allows for quick and precise adjustment to achieve a comfortable fit on your wrist.

1. Place the watch on your wrist.
2. Open the button or release mechanism on the back of the magnetic clasp.
3. Slide the band through the clasp to adjust the length until it fits snugly but comfortably around your wrist.
4. Press the button or engage the mechanism to secure the clasp. The magnetic design will automatically lock the band in place.

【How to adjust】

Open the button on the back of the strap, adjust it to suit your wrist circumference, press the button, and the adjustment is complete

6. CARE AND MAINTENANCE

To ensure the longevity and appearance of your silicone watch band, follow these care guidelines:

- **Cleaning:** Wipe the band regularly with a soft, damp cloth to remove dirt, sweat, and oils. For deeper cleaning, use mild soap and water, then rinse thoroughly and dry completely before reattaching to your smartwatch.
- **Avoid Harsh Chemicals:** Do not expose the band to strong chemicals, solvents, or abrasive cleaners, as these can damage the silicone material.
- **Storage:** Store the band in a cool, dry place away from direct sunlight when not in use to prevent discoloration or degradation of the material.

7. PRODUCT SPECIFICATIONS

Specification	Detail
Band Material	Food-grade Silicone
Clasp Type	Magnetic Folding Buckle (Stainless Steel)
Adjustable Length	5.7" (145mm) to 8.25" (210mm)
Band Width	22mm
Compatibility	IDW17, IDW20, IDW21, IDW23, IDW25, IDW26 Smart Watches

8. TROUBLESHOOTING

- **Band not locking securely:** Ensure the watch lugs are correctly aligned and fully inserted into the smartwatch slots until a click is felt. Check for any obstructions in the slots.
- **Magnetic clasp not holding:** Verify that the magnetic surfaces are clean and free from debris. Ensure the band is adjusted to a comfortable tension, as excessive looseness or tightness can affect magnetic grip.
- **Skin irritation:** Although made from skin-friendly silicone, some individuals may experience irritation. Ensure the band is kept clean and dry. If irritation persists, discontinue use and consult a healthcare professional.

9. WARRANTY AND SUPPORT
