Soundcore A3062

Soundcore Space One Pro User Manual

Model: A3062 | Brand: Soundcore

Adaptive Active Noise Cancelling Headphones

1. Introduction

Welcome to the Soundcore Space One Pro user manual. This guide provides comprehensive instructions for setting up, operating, maintaining, and troubleshooting your new headphones. Please read this manual carefully to ensure optimal performance and longevity of your device.

The Soundcore Space One Pro headphones are designed to deliver a rich, lossless listening experience with advanced adaptive active noise cancellation and all-day comfort. Featuring a FlexiCurve structure for portability and long battery life, these headphones are perfect for travel, entertainment, and daily use.

2. What's in the Box

Verify that all items are present in your package:

- Soundcore Space One Pro Noise Cancelling Headphones × 1
- Carry Pouch for Storage × 1
- 0.98ft USB-C Charging Cable × 1
- 3.94ft AUX Cable × 1

4. Setup Guide

4.1 Charging Your Headphones

Before first use, fully charge your Soundcore Space One Pro headphones. Connect the provided USB-C charging cable to the charging port on the headphones and to a USB power source. The LED indicator will show charging status and turn off when fully charged.

- Charging Time: Approximately 2 hours for a full charge.

- Quick Charge: 5 minutes of charging provides up to 8 hours of playback.

4.2 Powering On/Off

- To Power On: Press and hold the Power button for 2 seconds.
- To Power Off: Press and hold the Power button for 5 seconds.

4.3 Bluetooth Pairing

Your Soundcore Space One Pro headphones support Bluetooth 5.3 for stable wireless connection.

1. Ensure the headphones are powered off.
2. Press and hold the Power button for 5 seconds until the LED indicator flashes blue, indicating pairing mode.
3. On your device (smartphone, tablet, laptop), enable Bluetooth and search for "Soundcore Space One Pro" in the list of available devices.
4. Select "Soundcore Space One Pro" to connect. The LED indicator will turn solid blue when connected.

The headphones also support Multipoint Connection, allowing simultaneous connection to two devices. Fast Pair is supported for Android devices.

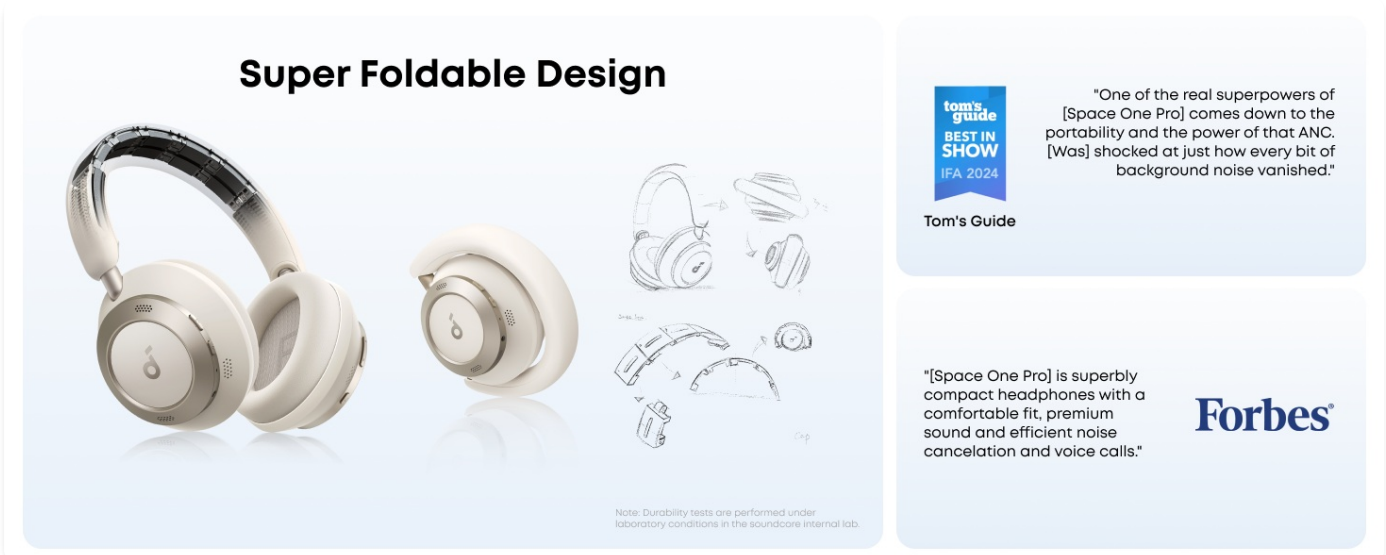

Image: Seamless Multipoint Connection setup.

4.4 Wired Connection (AUX)

For a wired connection, use the provided 3.5mm AUX cable. Connect one end to the headphone's 3.5mm jack and the other end to your audio device's audio output. Active Noise Cancellation (ANC) is compatible when using an AUX cable.

5. Operating Instructions

5.1 Controls Overview

The Soundcore Space One Pro headphones feature intuitive button controls on the earcups.

Button/Control	Function
Power Button (Press & Hold)	Power On/Off, Enter Pairing Mode
Volume Up (+)	Increase Volume
Volume Down (-)	Decrease Volume

Button/Control	Function
Multi-function Button (e.g., Play/Pause)	Play/Pause, Answer/End Call, Next Track (double press), Previous Track (triple press)
ANC Button	Cycle through Noise Cancellation modes (ANC On, Transparency Mode, Normal)

5.2 Active Noise Cancellation (ANC) and Transparency Mode

The headphones offer advanced noise control features:

- **Active Noise Cancellation (ANC):** Blocks out ambient noise for an immersive listening experience. Ideal for noisy environments.
- **Transparency Mode:** Allows you to hear your surroundings while still enjoying your audio. Useful for conversations or being aware of your environment.
- **Normal Mode:** Standard audio playback without noise cancellation or transparency.

Press the ANC button to cycle through these modes.

5.3 Soundcore App Customization

Download the Soundcore app from your device's app store for enhanced control and customization options:

- **Custom EQ:** Adjust audio equalization to your preference.
- **Hearing Test (HearID 2.0):** Take a personalized hearing test to create a sound profile uniquely tuned to your ears.
- **ANC Adjustment:** Fine-tune noise cancellation levels.
- **Firmware Updates:** Keep your headphones updated with the latest features and improvements.

6. Maintenance

6.1 Cleaning

- Use a soft, dry cloth to clean the headphones.
- Do not use abrasive cleaners or solvents.

- Keep the charging port free of dust and debris.

6.2 Storage

When not in use, store the headphones in the provided carry pouch to protect them from dust and scratches. The foldable design allows for compact storage.

Image: Foldable design for easy storage.

6.3 Battery Care

- Avoid exposing the headphones to extreme temperatures.
- Charge the headphones regularly, even if not used frequently, to maintain battery health.

7. Troubleshooting

If you encounter issues with your Soundcore Space One Pro headphones, refer to the following common solutions:

Problem	Solution
Cannot power on	Ensure the headphones are charged. Connect to a power source and try again.
Cannot pair via Bluetooth	Ensure headphones are in pairing mode (flashing blue LED). Disable and re-enable Bluetooth on your device. Forget "Soundcore Space One Pro" from your device's Bluetooth list and try pairing again. Move headphones closer to your device.
No sound	Check volume levels on both headphones and your connected device. Ensure headphones are correctly paired or AUX cable is fully inserted. Try playing audio from a different source.
Poor sound quality	Move closer to your device to avoid interference. Check for obstructions between headphones and device. Ensure earcups are properly sealed around your ears. Update headphone firmware via the Soundcore app.
ANC not working effectively	Ensure ANC mode is activated. Adjust the fit of the headphones to ensure a good seal. Clean any debris from the microphone ports.

For more detailed troubleshooting, please refer to the officialTroubleshooting Guide (PDF) available online.
