HUAHUU Full Size Bed Frame with Storage Drawers

Model: HUAHUU240329008
User Manual

1. IMPORTANT SAFETY INFORMATION

Please read and understand all instructions before assembly and use. Keep this manual for future reference.

- Do not exceed the maximum weight capacity of **1000 lbs**.
- Exercise caution around sharp edges during assembly and when operating the drawer wheels.
- Ensure all bolts and fasteners are securely tightened before use. Periodically check and retighten as necessary.
- Keep small parts away from children during assembly to prevent choking hazards.
- Assemble the bed frame on a soft, clean surface to prevent damage to the product or your floor.

2. PACKAGE CONTENTS

Verify that all components are present before beginning assembly. If any parts are missing or damaged, contact customer support.

- Headboard (Wingback design)
- Bed Frame Components (Metal frame, side rails, footboard)
- Wood Slats
- Solid Wood Legs
- 4 Storage Drawers with Wheels and Liners
- LED Light Strip and Remote Control
- Assembly Hardware (Bolts, screws, Allen wrench)
- Installation Manual (This document)

3. ASSEMBLY INSTRUCTIONS

Assembly typically requires two adults and approximately 2-3 hours. Follow the steps carefully.

3.1 Unpacking and Preparation

1. Clear a spacious area for assembly.
2. Carefully unpack all components and hardware. Place them on a soft surface to prevent scratches.
3. Identify all parts by comparing them with the parts list in your physical manual (if provided) or the package contents section above.

3.2 Frame Assembly

Connect the main frame components. The bed frame utilizes a bolt-free quick-lock system for wood slats.

Image: Close-up of the bed frame's internal structure, highlighting the wood slats, metal support beams, and connection points. This image demonstrates the strong support structure and the "Zero Noise" feature.

1. Attach the side rails to the headboard and footboard using the provided hardware. Do not fully tighten bolts until the entire frame is assembled.
2. Install the central support beam and legs.
3. Insert the wood slats into the designated slots on the side rails. Ensure they are securely seated. The bolt-free quick-lock system simplifies this step.

4. Once all frame components are in place and slats are installed, fully tighten all bolts.

3.3 Drawer Assembly and Installation

The bed includes four storage drawers designed for easy access.

Image: A close-up of one of the storage drawers, illustrating its smooth-rolling wheels and the protective liner inside. The image also shows how the drawer fits under the bed frame.

1. Assemble each drawer according to the specific instructions for the drawer components. This typically involves attaching the sides, bottom, and wheels.
2. Place the drawer liners inside the assembled drawers.
3. Slide the assembled drawers into the designated spaces under the bed frame. Ensure they roll smoothly.
4. The drawers feature fixtures to hold them in place and prevent sliding when not in use. Engage these fixtures as instructed.

3.4 LED Light Installation

The LED light strip is pre-installed or designed for easy attachment to the headboard.

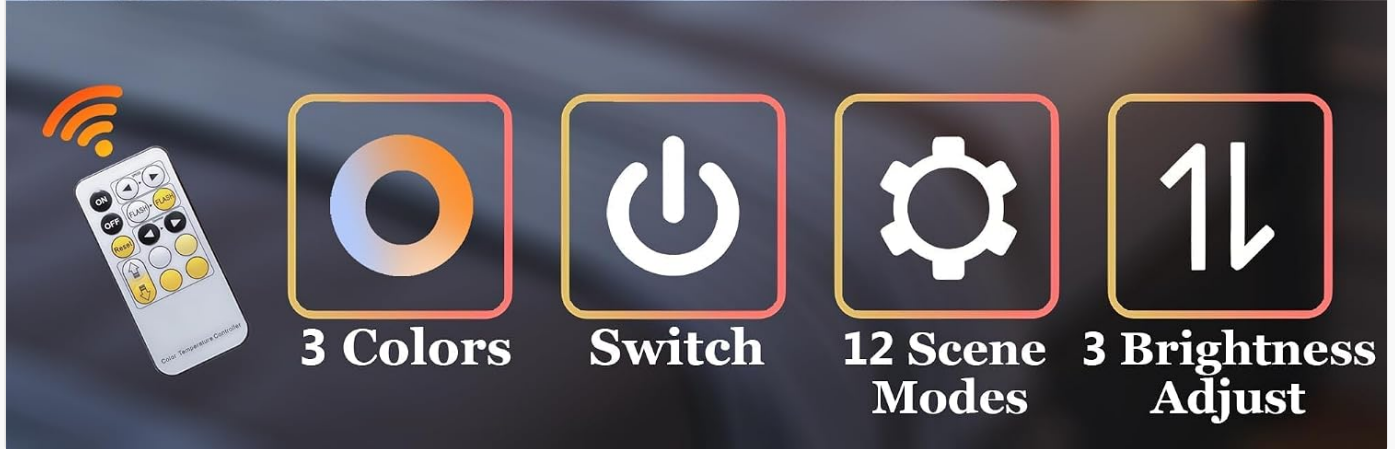

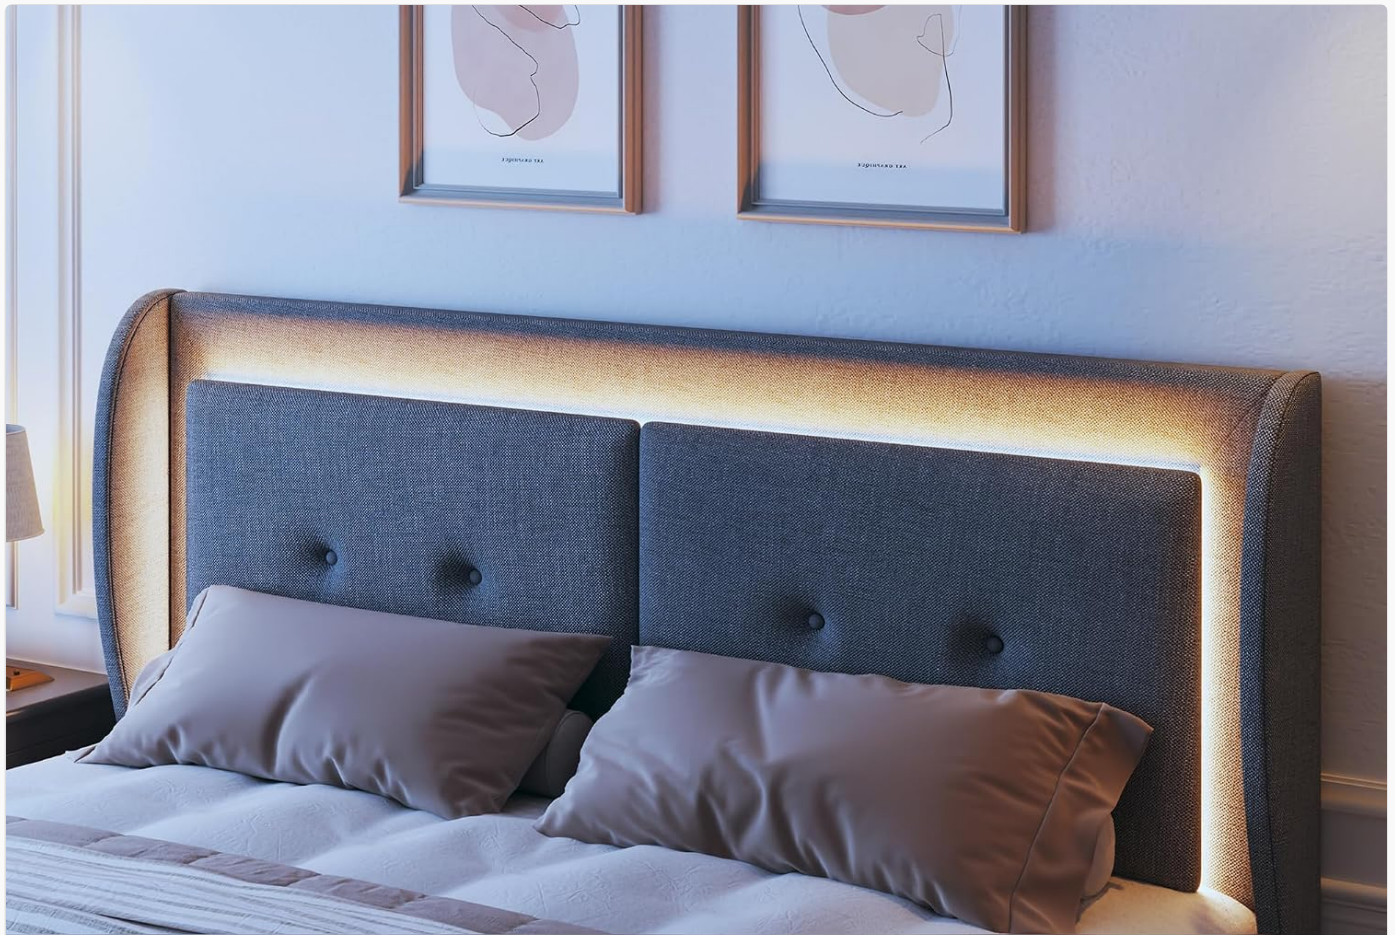

Image: A visual representation of the LED light strip embedded in the headboard, along with an illustration of the remote control. The remote shows buttons for 3 colors, switch, 12 scene modes, and 3 brightness adjustments.

1. Locate the LED light strip and its power adapter.
2. If not pre-installed, attach the LED strip to the designated area on the back of the headboard, ensuring proper adhesion.
3. Connect the LED strip to the power adapter and plug it into a standard electrical outlet.

4. OPERATING INSTRUCTIONS

4.1 Using the LED Lights

The integrated LED light strip offers customizable lighting options.

- **Power On/Off:** Use the power button on the remote control or the integrated switch to turn the lights on or off.

- **Color Adjustment:** Select from 3 available colors using the designated buttons on the remote.
- **Brightness Control:** Adjust the light intensity using the brightness adjustment buttons (3 modes available).
- **Scene Modes:** Explore 12 different scene modes to create various ambient lighting effects.

4.2 Using the Storage Drawers

The four storage drawers provide convenient under-bed storage.

- To open a drawer, gently pull the handle. The smooth wheels facilitate easy movement.
- To close, push the drawer back into its compartment until the locking mechanism engages (if applicable) to prevent accidental rolling.
- Utilize the provided drawer liners to protect contents and prevent items from falling through.

5. MAINTENANCE

Proper care will extend the life and appearance of your bed frame.

- **Fabric Care:** The upholstered linen fabric should be *dry cleaned only*. Do not use liquid cleaners or abrasive materials.
- **Frame Cleaning:** Wipe metal and wood surfaces with a soft, damp cloth. Avoid harsh chemicals.
- **Hardware Check:** Periodically inspect all bolts and connections to ensure they remain tight. Retighten as needed to maintain stability and prevent noise.
- **Drawer Maintenance:** Keep drawer wheels free of dust and debris for smooth operation.

6. TROUBLESHOOTING

Refer to this section for solutions to common issues.

Problem	Possible Cause	Solution
Bed frame is squeaking.	Loose bolts or slats not properly seated.	Check and tighten all bolts. Ensure all wood slats are firmly in place. The EVA strips are designed to prevent noise.
LED lights are not working.	Power connection issue, remote battery dead, or light strip malfunction.	Verify the power adapter is securely plugged into an outlet and the light strip. Check remote control battery. If issues persist, contact customer support.
Drawers are difficult to open/close.	Obstruction, dirty wheels, or misaligned.	Check for items blocking the drawer path. Clean wheels if necessary. Ensure drawers are properly aligned within their compartments.
Missing parts during assembly.	Packaging error.	Immediately contact customer support with your purchase details and a list of missing parts.

7. SPECIFICATIONS

Key technical details for the HUAHUU Full Size Bed Frame.

- **Model Number:** HUAHUU240329008
- **Size:** Full

- **Material:** Linen Fabric, Wood, Metal
- **Color:** Dark Grey
- **Product Dimensions (L x W x H):** 2.08 m x 1.47 m x 1.21 m (81.9 in x 57.9 in x 47.6 in)
