3. SAFETY INFORMATION

- This product is intended for pet use only. Keep out of reach of children.
- Inspect the toy regularly for damage. Discontinue use if any parts are broken or detached to prevent choking hazards.
- Ensure the toy is used on appropriate surfaces. While it works on various floors, avoid long-pile carpets where movement may be restricted.
- Do not immerse the toy in water or expose it to excessive moisture.
- Use only the provided USB Type-C cable for charging.
- Supervise your pet during play, especially when introducing new toys.

4. SETUP

4.1 Charging the Toy

1. Locate the USB Type-C charging port on the toy.
2. Connect the provided USB Type-C cable to the toy and a compatible USB power adapter (not included).
3. The indicator light will show charging status (e.g., red for charging, green for fully charged).
4. A full charge takes approximately 2 hours and provides about 2 hours of continuous play.

4.2 Attaching the Play Wand

1. Select your desired attachment (feather, ribbon, or simulated mouse tail).
2. Insert the base of the attachment firmly into the designated slot on top of the toy until it clicks into place.
3. Ensure the attachment is securely fastened before activating the toy.

5. OPERATING INSTRUCTIONS

5.1 Powering On/Off

- To power on, press and hold the power button located on the top of the toy.
- To power off, press and hold the power button again.

5.2 Changing Speed Modes

- While the toy is active, press the power button briefly to switch between speed modes (fast and slow).
- Observe your cat's reaction to determine the preferred speed.

5.4 Obstacle Avoidance

- The toy is equipped with sensors to detect obstacles. When it encounters a wall, furniture, or other objects, it will automatically reverse and change direction.

- This feature ensures continuous play without getting stuck.

- Optimal performance is achieved on hard floors (wood, tile, marble) and low-pile carpets. Performance may vary on long-pile carpets.
