2. Setup and Assembly

The HOMEIJU Laundry Sorter is designed for straightforward assembly. Please follow these steps carefully. It is recommended to assemble the unit on a soft, clean surface to prevent scratches.

1. **Unpack Components:** Carefully remove all parts from the packaging and verify against the included parts list (not provided in this manual, refer to your product packaging).
2. **Assemble the Metal Frame:** Connect the vertical and horizontal metal bars using the provided screws and tools. Ensure all connections are secure.
3. **Attach Wheels:** Secure the four rolling wheels to the bottom of the metal frame. Ensure two of the wheels with locking mechanisms are positioned for easy access.
4. **Install Desktop:** Place the MDF wood desktop onto the top of the assembled metal frame and secure it with the designated fasteners.
5. **Insert Laundry Bags:** Place the six removable Oxford Fabric laundry bags into their respective

compartments within the frame. Ensure the bottom panels are inserted for support.

If you encounter any difficulties during assembly, please refer to the troubleshooting section or contact customer support.

3. Operating Instructions

The HOMEIJU Laundry Sorter is designed for ease of use in managing your laundry.

- **Sorting Laundry:** Utilize the six individual compartments to sort laundry by color, fabric type, or washing requirements.
- **Using Pull-Out Bags:** Each laundry bag is designed to be easily pulled out from its compartment. Simply grasp the handle and slide the bag forward.
- **Transporting Laundry:** To move the sorter, unlock the two lockable wheels by flipping their levers. Push the sorter to your desired location. Once positioned, engage the wheel locks to ensure stability.
- **Utilizing the Desktop:** The top shelf provides additional space for detergents, fabric softeners, folded clothes, or other laundry essentials.

4. Maintenance

Proper maintenance will ensure the longevity and optimal performance of your laundry sorter.

- **Cleaning the Frame:** Wipe the metal frame with a soft, damp cloth. Avoid abrasive cleaners to protect the anti-rust surface.
- **Cleaning the Bags:** The Oxford Fabric bags can be spot cleaned with a mild detergent and water. Allow them to air dry completely before reinserting. The waterproof coating provides added protection.
- **Desktop Care:** Clean the MDF wood desktop with a dry or slightly damp cloth. Avoid excessive moisture and harsh chemicals.
- **Bottom Panel Support:** Ensure the bottom panels remain correctly positioned within each bag to prevent sagging and maintain the bag's shape.

5. Troubleshooting

If you encounter any issues with your HOMEIJU Laundry Sorter, please consult the following common problems and solutions:

Problem	Possible Cause	Solution
Difficulty assembling the frame or desktop.	Metal brackets or stoppers may be slightly bent.	Gently adjust bent components to align screw holes. Ensure all parts are oriented correctly as per diagrams (if available).
Laundry bags do not fit or slide smoothly.	Bag not inserted correctly or frame slightly misaligned.	Ensure the bag's support frame is fully seated. Check the metal frame for any slight bends that might obstruct movement.
Wheels do not lock or roll properly.	Locking mechanism obstructed or wheels not fully attached.	Clear any debris from the wheel mechanism. Ensure wheels are securely fastened to the frame.

Problem	Possible Cause	Solution
Bags sag when filled.	Bottom support panel is missing or incorrectly placed.	Verify that the rigid bottom panel is correctly inserted and fully extended at the base of each laundry bag.

If the issue persists after attempting these solutions, please contact HOMEIJU customer support.
